I Am Crazy For Coffee - Part 1

I am crazy for coffee.

SFX. slam
"Crazy for coffee," huh?! Bull Shit!

Truth be told... If I knew that I'd pass the initial application and writing test, I wouldn't have written such thing on my resume...
Heh...

I have already failed...
14 times now and without my initial application to pass even once
Only because of TOEIC* I've failed five times >_<

*TOEIC - Test Of English For International Communication

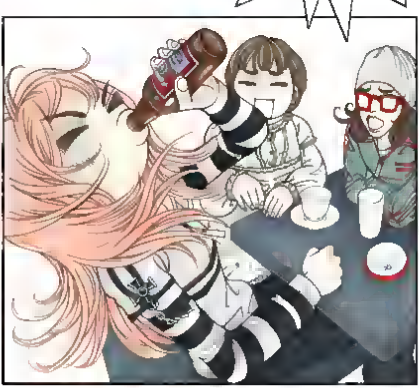
Jeez, isn't it enough to pass the writing test?
You've got nothing to lose with your education and looks... If only I was half as beautiful as you are, Nyang..*
I agree

TR/N: Nyang is not her name. It's her nick name cause Nya is a cat meow~

You used your mom's maiden name again? Which company this time?
What did you write on your resume?
How many hot guys were there?
What'd you wear at the interview?
How many being hired? Any girls there?

You should try to be even half of the person Eunkang* is, Kyusun. I know you're born with a sucky personality, but please spare us!
I can't even find a job after graduation
I tried for college 2 times
Three times for me

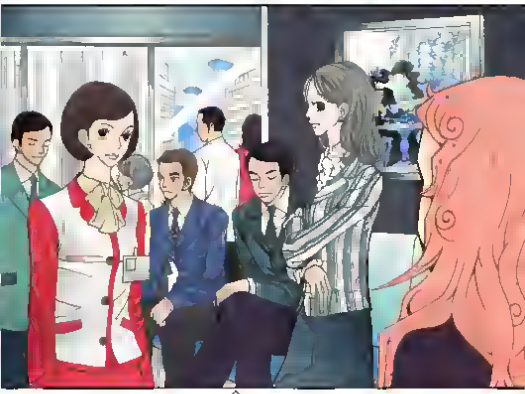
T/N: Gyupsal is also a nickname referring to how fat she is. Literally it would kinda be like calling her bacon!



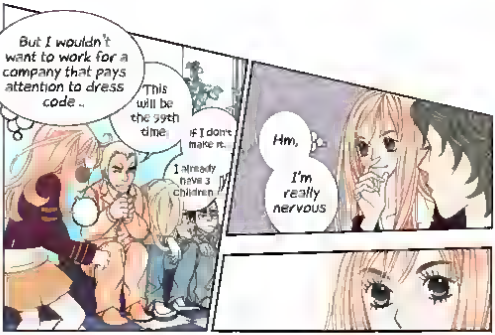
There's not enough alcohol... !
Cheer up.. it's not like they announced anything yet...
I am nearly broke! Stop being a drama queen

wait- did you go to an interview as a rocker again?!
For the interview -
I wore my nicest clothes

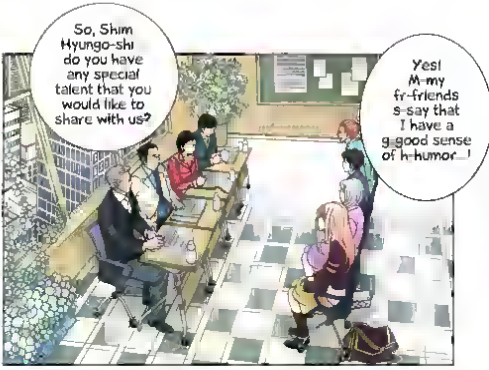
Ugh...



They all .. look professional!
Should I take off the chain? I'm so stupid I should have wore what mom bought me

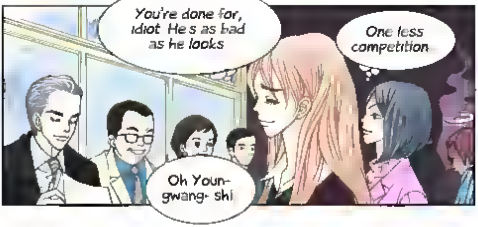


But I wouldn't want to work for a company that pays attention to dress code ..
This will be the 59th time.
If I don't make it..
I already have 3 children
Hm,
I'm really nervous



So, Shim Hyungo-shi do you have any special talent that you would like to share with us?
Yes! M-my fr-friends s-say that I have a g-good sense of h-humor...!

Please share a joke, then
Huh, what? Ah... I
SFX hahaha
It's fine, please sit.
He does seem funny though



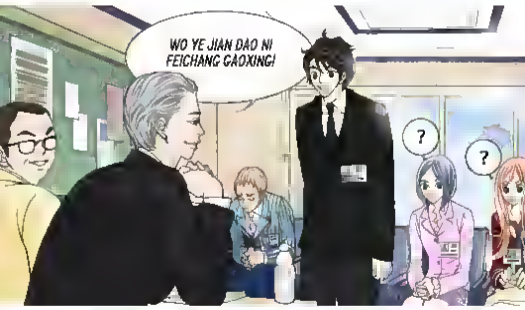
You're done for, idiot. He's as bad as he looks
One less competition
Oh Youn-gwang- shi

Yes, I am Oh Youngwang

So, we have your profile here for everyone to see but would you mind introducing yourself to us again?
I am the youngest of three brothers The oldest is Oh Deahan, the second is Oh Minguk, and I am Oh Youngwang
I am very grateful to my parents for they have blessed me with such a name

TN: All three brothers' names combined literally means "Glory to Our Nation".

Oh~ isn't that cool? "Glory to our nation"...



WO YE JIAN DAO NI FEICHANG GAOXING!
?
?

WO YE JIAN DAO NI FEICHANG GAOXING!
Hm?
Japa-nese?

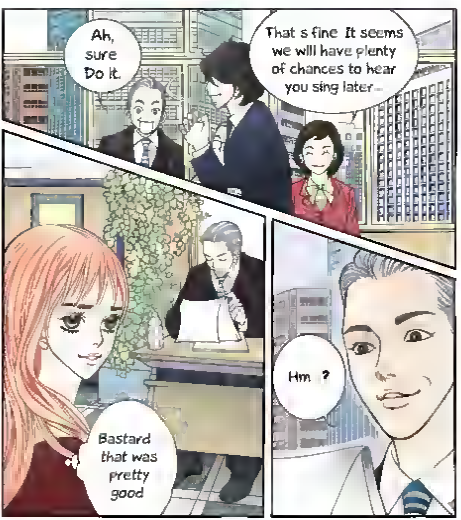
Your major was in Chinese language and yet you can't understand this simple sentence?
!!!

Ah...!
Haha!

WAE I EH JU EN DA OH NI PAE YI CHANG OH SHING!
[It's a pleasure to meet you, too.]

I think you need to study Chinese a bit more, Manager Sung
Oh Youn-gwang's, Chinese was perfect
But yours Manager Sung
Was with a very bad pronunci-ation
It's not the sentence, but the pronun-ciation...

Haha .. what you said sounded Japanese
Ahem
Should I sing in Chinese for you?



Ah, sure Do it.
That s fine It seems we will have plenty of chances to hear you sing later
Hm ?
Bastard that was pretty good

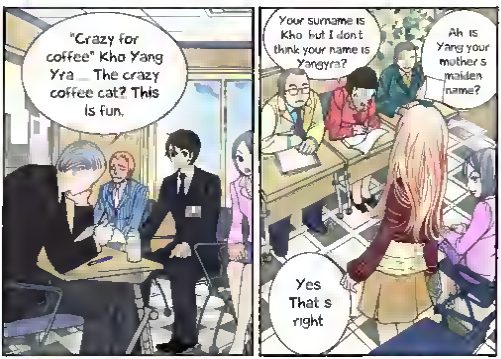
NAME KHO YANG YRA
ADDRESS SEOUL, HANGANG GU, #2
BIRTHDATE 1986 4 7

PERSONAL INFORMATION			
FAMILY	4 YOUNGER BROTHER	RESIDENCE	APARTMENT
RELIGION	NONE	EXPERIENCE	X
HOBBY	ENJOYING MUSIC	SPECIALTIES	DINING OUT

WHY DO YOU WANT TO WORK IN OUR COMPANY?

I am crazy for coffee!

TN: Kho Yang Y literally means "cat".



"Crazy for coffee" Kho Yang Yra ... The crazy coffee cat? This is fun.
Your surname is Kho, but I don't think your name is Yangyra?
Ah, is Yang your mother's maiden name?
Yes That's right

TN: For those that may be confused with her name, her last name is Kho, her mom's maiden name is Yang, and her first name Yra.

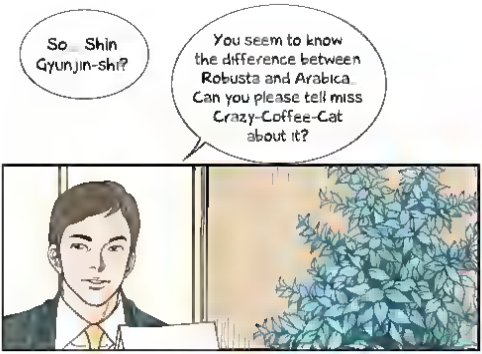
SFX: Ba-thump x2

If you're so crazy for coffee, then you must know how to make an instant coffee from a Robusta bean.
And how about measuring and deciding the moisture necessary for brewing?
Do you like coffee straight? Do you have a favorite Arabica bean you prefer?

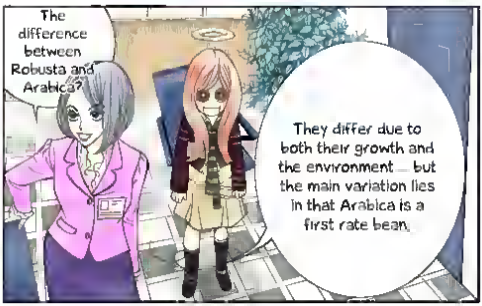
What... is this...?

.....
우물 쭈물
?????
Arabia.. Arabian... you see, that... Well, Whisku... tastes good... straight... Ah, well...

Well, you see... when I wrote "crazy"... I...
I meant... well... uh... how should I say this...
I thought I wouldn't make it pass the initiate exam and I wrote whatever on my resume! Such bullshit about being crazy for coffee... I wrote that for fun >_<
Heh! Arabia...



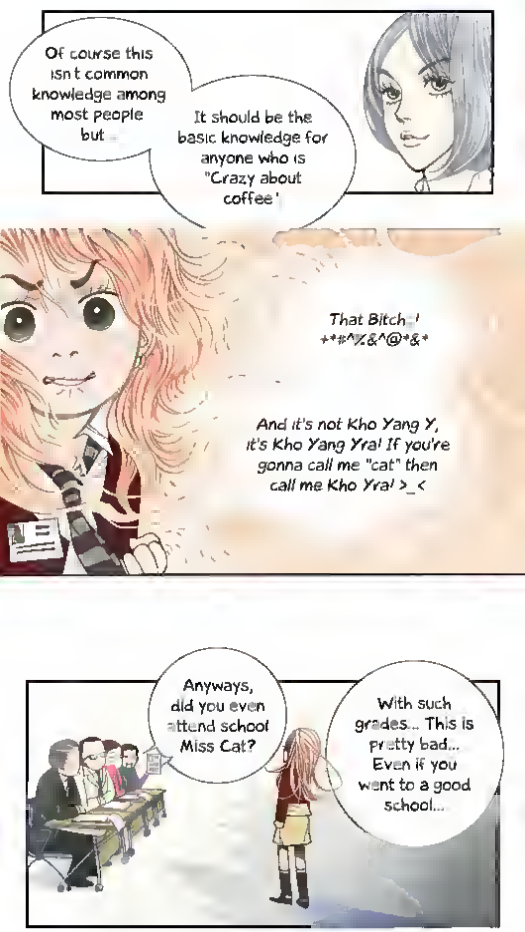
So... Shin Gyunjin-shi?
You seem to know the difference between Robusta and Arabica. Can you please tell miss Crazy-Coffee-Cat about it?



The difference between Robusta and Arabica?
They differ due to both their growth and the environment... but the main variation lies in that Arabica is a first rate bean.

Robusta
Arabica

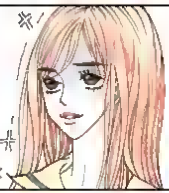
Robusta has a basic flavor,
and it's a cheap bean used most commonly in instant coffees
These factors make it most popular for the instant coffee companies



Of course this isn't common knowledge among most people but...
It should be the basic knowledge for anyone who is "Crazy about coffee"
That Bitch!
+*#^%&^@*&*
And it's not Kho Yang Y, it's Kho Yang Yra! If you're gonna call me "cat" then call me Kho Yra! >_<
Anyways, did you even attend school Miss Cat?
With such grades... This is pretty bad... Even if you went to a good school...

That is because I focused on music clubs...

And also because I wrote whatever on my resume! Do you think I'd write all these nonsense if I thought I would pass the exam?!



Well, they're higher than mine were

Is that so?

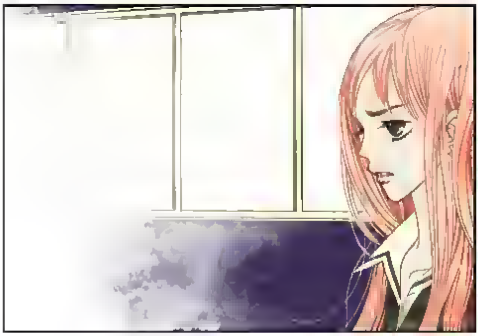
Ahahaha...!

Fufufu

Well, then Please sit Go Yila-shi Next, Shin Gyunjin-shi

Yes.

.....



Please, wait a moment!

I'm Crazy for Coffee part2

wait!!

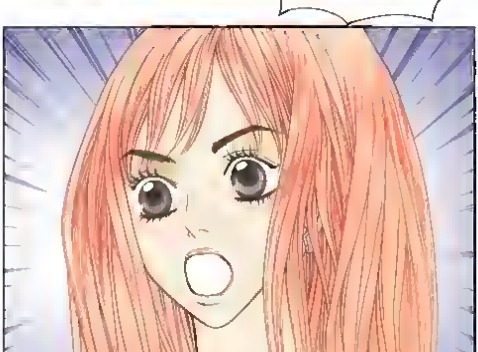
I'm all right if I don't get the job here .
And I apologize for not being that serious ..
But I didn't lie about anything

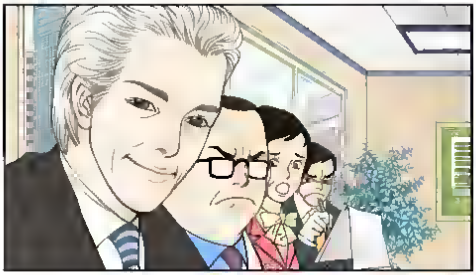
?
I'm a vending machine coffee maniac! I love drinking the coffee I get at diners also. I don't know if there are formalities or elegance that comes with drinking coffee
I honestly don't know. Is there something wrong to be crazy for coffee that comes from vending machines?

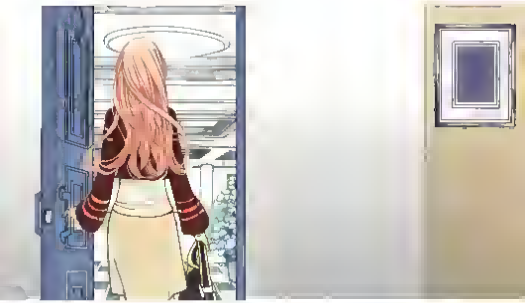
I love getting the diner's coffee with loads of cream in it. Am I not allowed to say I'm crazy for coffee because I want to be crazy for coffee?
Do you say "You're dead!" to a dead man?

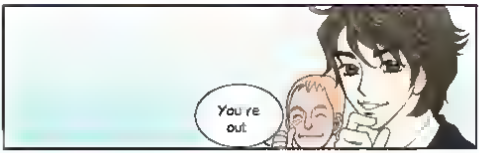
Doesn't it mean "I'm going to kill you now?" because that's what I mean too!

I'm going to be crazy for coffee from now on!









You're out.

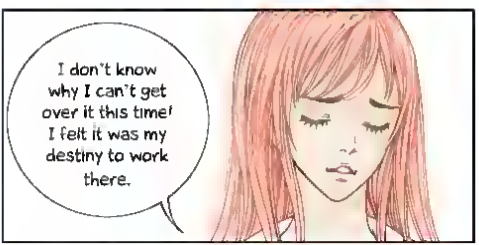
It's so freaking obvious that I was rejected I should just go die.
What's with the dramatics? This isn't the first time you've been rejected. Why are you obsessing about it more than usual?
Gyupsal* will never understand Nyang s* ambition because she thinks girls should just get married to a nice guy

GYUPSAL IS EUNKYUNG NICKNAME
NYANG IS YRA'S NICKNAME



Alright! Today Kyusuk will buy for the little ole' heartbroken me! Let's go have some fun and forget about everything else!
Your grammar is weird Yra!
Don't call me Gyupsal! I hate it!
Karaoke, here I come!
You're paying, Gyupsal!
I told you not to call me that! I'm leaving!
Hmph! Then after that we'll go eat lobsters and Yra will buy!

I was just soothing its frustration!

Your right! I suck at music, but I stuck to it for four years like an idiot!
Is it that funny to you, Genius-nim?
I don't want to hear that from a bum who stays home all day! Try playing more seriously!

What's up? I thought you'd be happier.

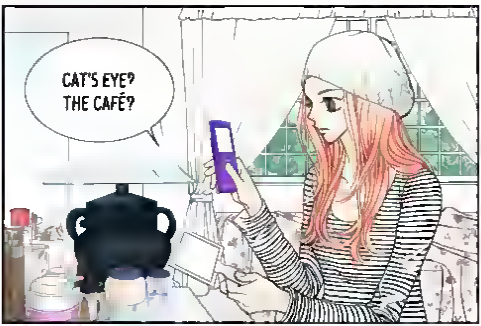
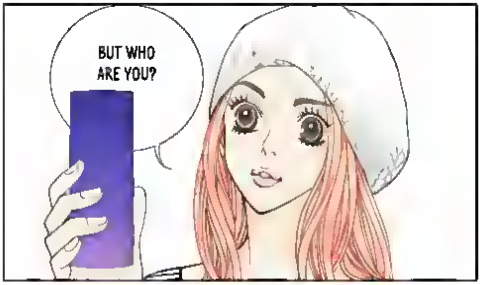
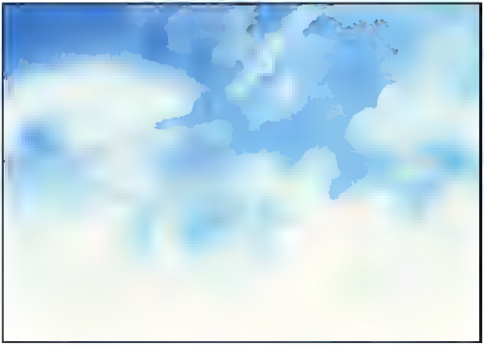
WHAT'S UP WITH THESE CORNY EMOTICONS

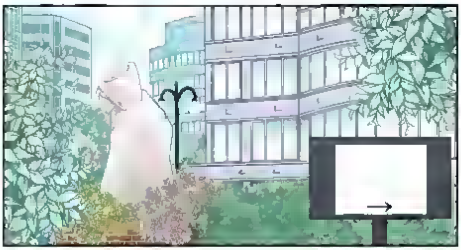


CAT'S EYE? THE CAFÉ?

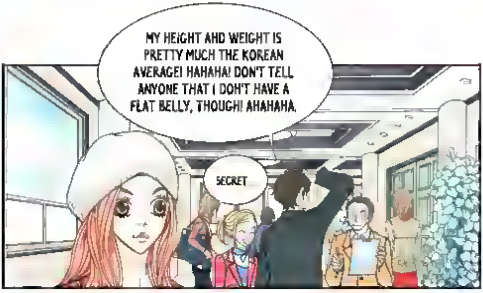


BUT WHO
ARE YOU?

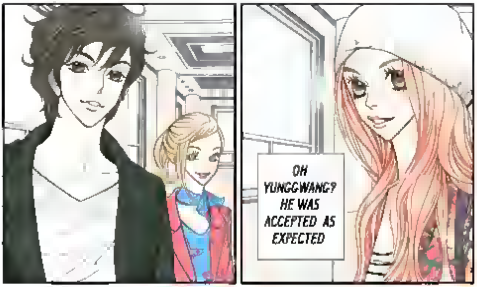


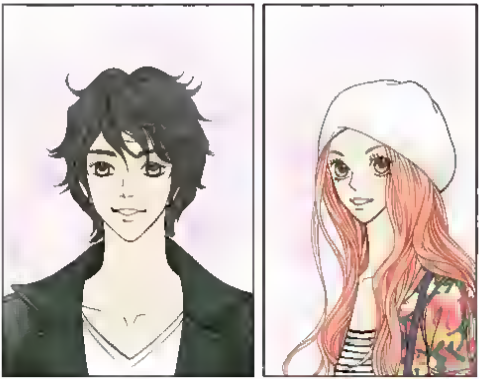


DO I REALLY HAVE TO DO THIS?



MY HEIGHT AND WEIGHT IS PRETTY MUCH THE KOREAN AVERAGE! HAHAHA! DON'T TELL ANYONE THAT I DON'T HAVE A FLAT BELLY, THOUGH! AHAHAHA.
SECRET

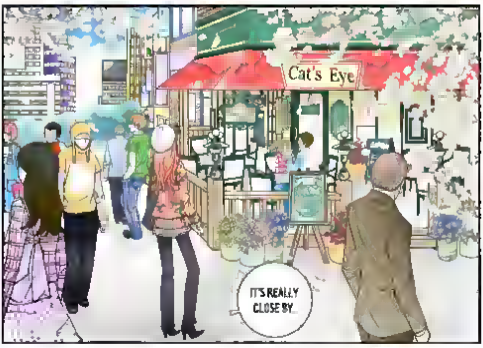


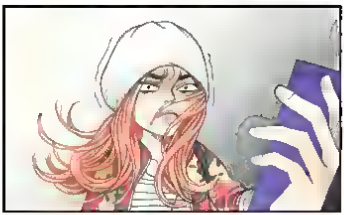


I wonder what his girlfriend is like?
He doesn't seem like a dull person..
He probably has a girlfriend, right?

He remembers me... Well... I guess it's natural after all the ruckus I've made ..

I am finally here... Led here just by one anonymous text message...

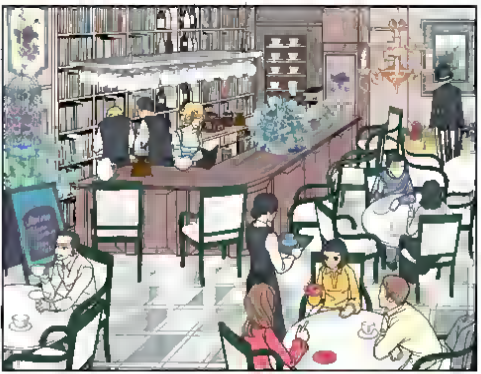


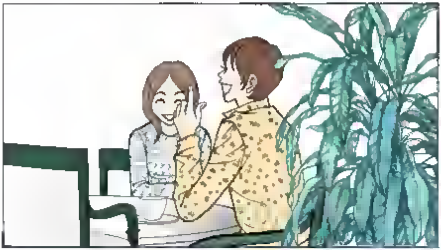


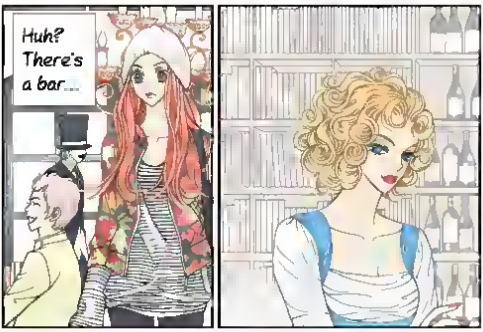
Just who the hell are you ?!

If feels like I'm in Alice in Wonderland.

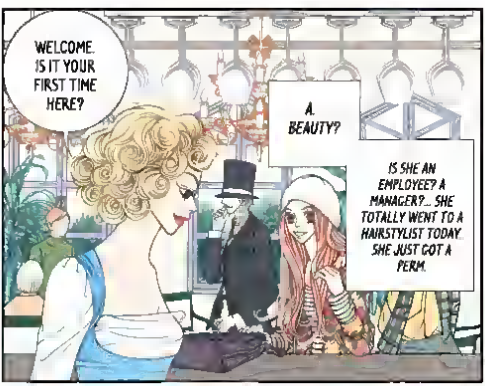
A rabbit might jump out of nowhere.



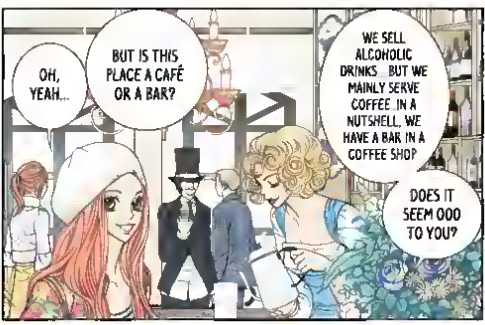




Huh? There's a bar...

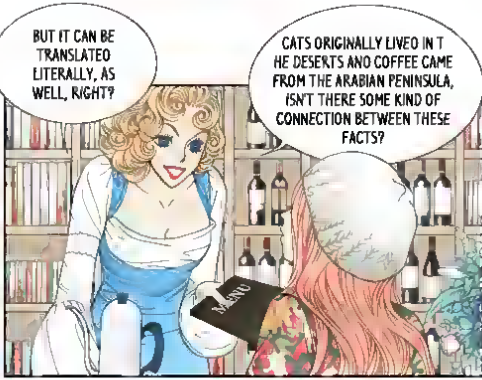


WELCOME. IS IT YOUR FIRST TIME HERE?
A BEAUTY?
IS SHE AN EMPLOYEE? A MANAGER?... SHE TOTALLY WENT TO A HAIRSTYLIST TODAY. SHE JUST GOT A PERM.

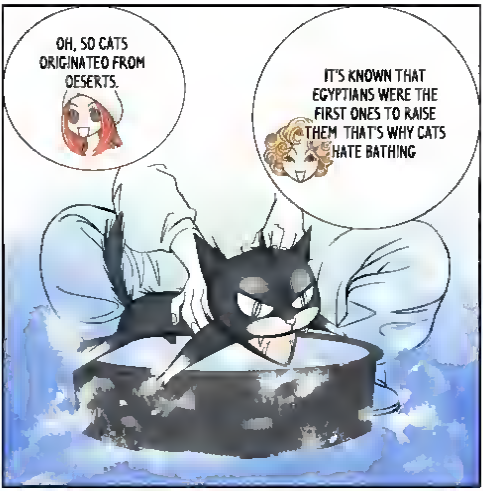


OH, YEAH...
BUT IS THIS PLACE A CAFÉ OR A BAR?
WE SELL ALCOHOLIC DRINKS... BUT WE MAINLY SERVE COFFEE. IN A NUTSHELL, WE HAVE A BAR IN A COFFEE SHOP.
DOES IT SEEM OOO TO YOU?

WELL, THE SHOP NAME IS UNIQUE ITSELF
CONSIDERING CAT'S EYE IS THE NAME OF A JEWEL



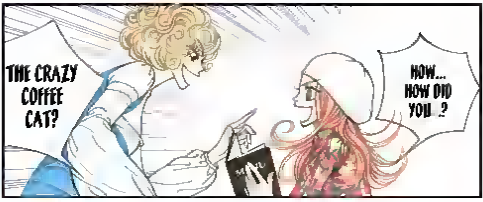
BUT IT CAN BE TRANSLATED LITERALLY, AS WELL, RIGHT?
CATS ORIGINALLY LIVED IN THE DESERTS AND COFFEE CAME FROM THE ARABIAN PENINSULA, ISN'T THERE SOME KIND OF CONNECTION BETWEEN THESE FACTS?
MENU



OH, SO CATS ORIGINATED FROM DESERTS.
IT'S KNOWN THAT EGYPTIANS WERE THE FIRST ONES TO RAISE THEM. THAT'S WHY CATS HATE BATHING

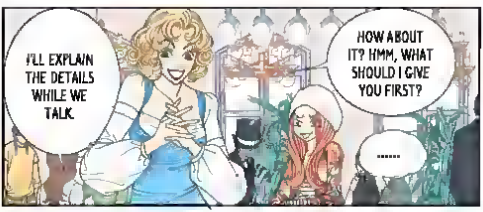
WELL, I LIKE TO TAKE A BATH..

ARE YOU PERHAPS...?



THE CRAZY COFFEE CAT?
HOW... HOW DID YOU ..?

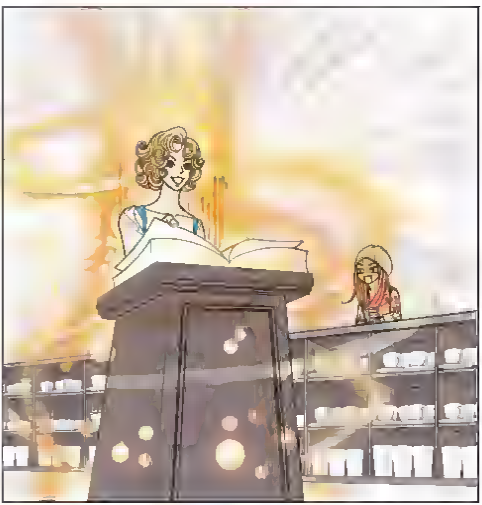
NO WONDER WHY YOUR ENTRANCE WAS A LITTLE PECULIAR~ HUN YOU ARE ALREADY A CELEBRITY IN THIS PLACE~!
WHAT...WHAT DO YOU MEAN BY THAT?
KHAHAHA~! CRAZY COFFEE CAT~!



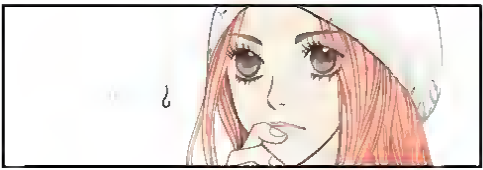
I'LL EXPLAIN THE DETAILS WHILE WE TALK.
HOW ABOUT IT? HMM, WHAT SHOULD I GIVE YOU FIRST?
.....

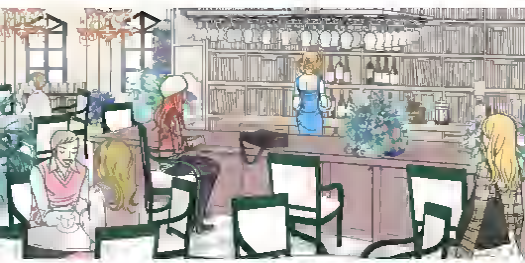
SHOULD I START OFF EASY WITH A CAPPUCCINO? OR SHOW OFF MY LATTE SKILLS? OR PERHAPS A LAYERED COFFEE?

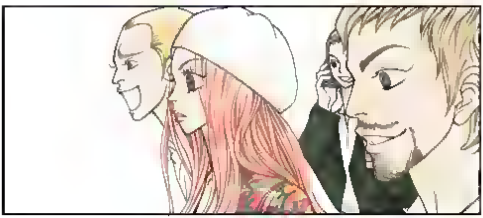
HMM... WHAT DID I ROAST YESTERDAY... OH! I'VE DECIDED

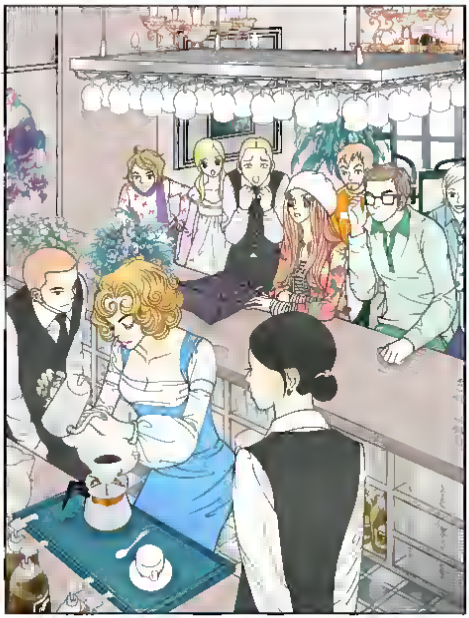


WHAT'S UP WITH THIS WOMAN? SHE'S REALLY ODD...







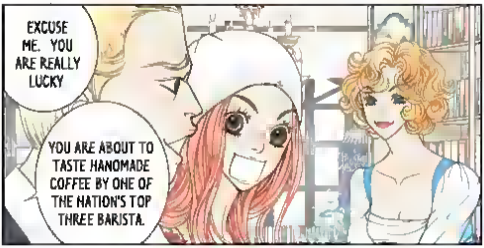


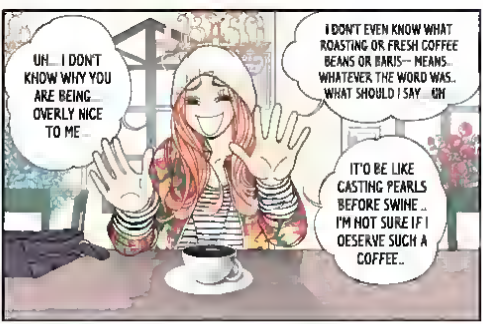
Is this so amazing?
There are people watching.

WE DO BOTH ROASTING AND GRINDING BY HAND HERE

I AM ESPECIALLY MAKING A HAND DRIP COFFEE FOR YOU

HERE HAVE A TASTE I WILL ONLY MAKE YOU PAY THE PRICE FOR REGULAR BLENDED COFFEE



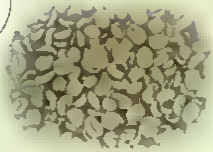


UH... I DON'T KNOW WHY YOU ARE BEING... OVERLY NICE TO ME...
I DON'T EVEN KNOW WHAT ROASTING OR FRESH COFFEE BEANS OR BARIS-- MEANS.. WHATEVER THE WORD WAS.. WHAT SHOULD I SAY... OH
IT'D BE LIKE CASTING PEARLS BEFORE SWINE .. I'M NOT SURE IF I DESERVE SUCH A COFFEE..

Geez Kho Yang Yra! This stuttering is not like you... Is it because of all the technical coffee words...?!

SHE REALLY IS AN AMATEUR? HOW DID SHE GET PICKED UP BY THE HEAD MANAGER?
A GOOD COFFEE?
YOU NEED A COFFEE TREE GROWN IN A FAVORABLE ENVIRONMENT WITH GREAT CARE AND HANDLING,

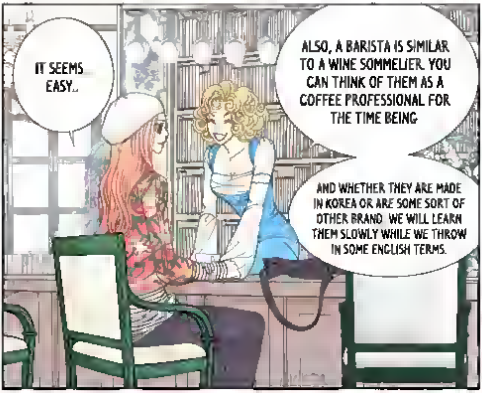
THEN GET THE BEST BEANS FROM THE TREE,



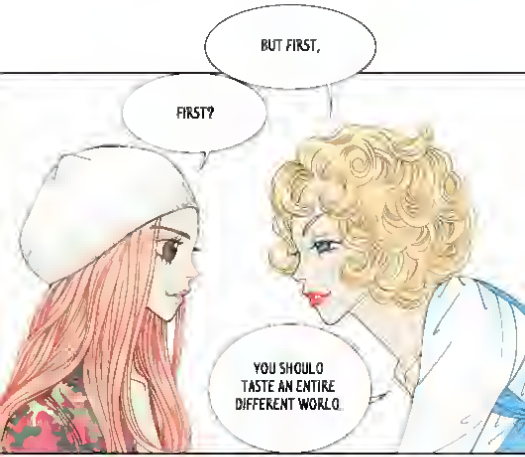
ROAST THEM WELL,

GRIND THEM THOROUGHLY,

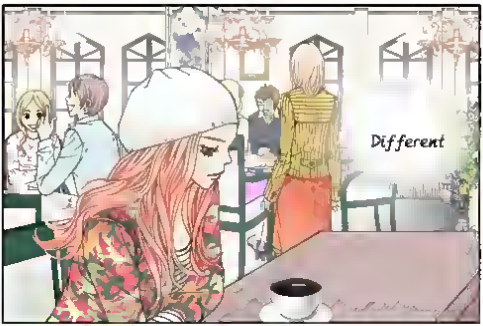
THEN BREW THEM WITH SKILL



IT SEEMS EASY..
ALSO, A BARISTA IS SIMILAR TO A WINE SOMMELIER. YOU CAN THINK OF THEM AS A COFFEE PROFESSIONAL FOR THE TIME BEING.
AND WHETHER THEY ARE MADE IN KOREA OR ARE SOME SORT OF OTHER BRAND. WE WILL LEARN THEM SLOWLY WHILE WE THROW IN SOME ENGLISH TERMS.



BUT FIRST,
FIRST?
YOU SHOULD TASTE AN ENTIRE DIFFERENT WORLD.



World...?

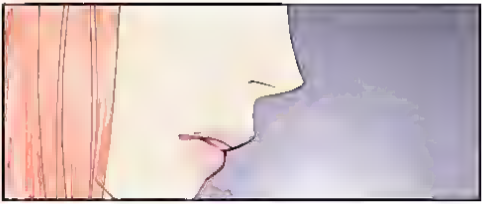
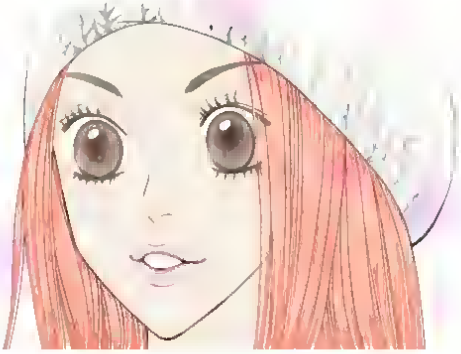
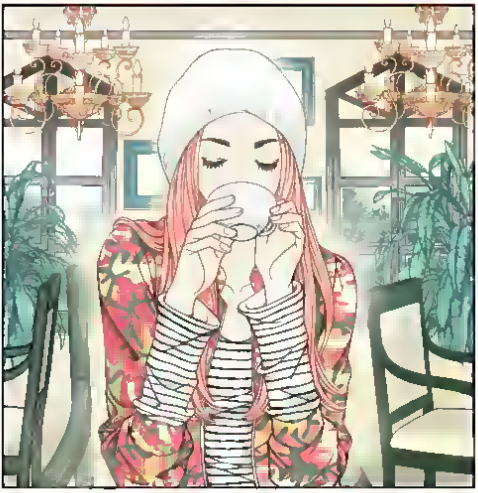
Chapter 4: First Encounter

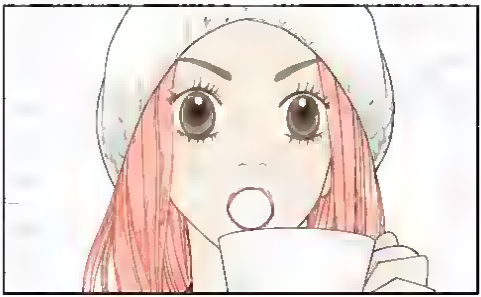
Don`t hurry to drink it. Feel the scent through your nose first.

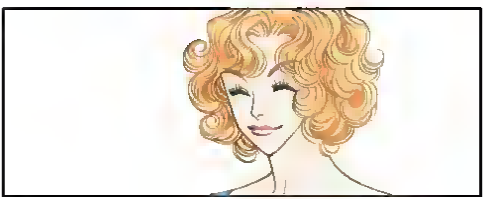


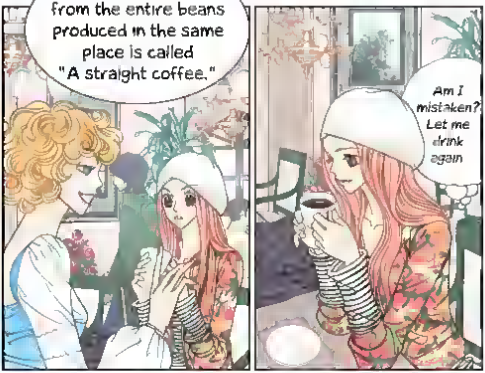
This scent... is like...!



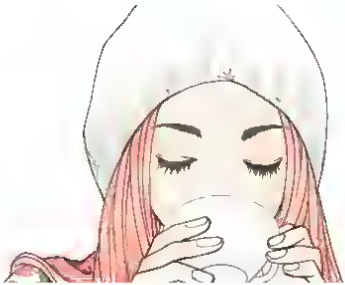


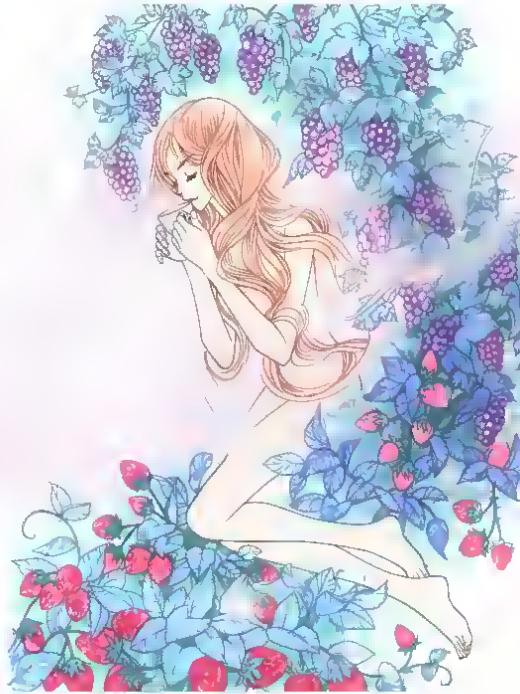






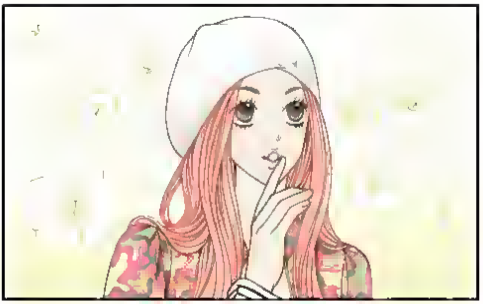
A coffee brewed from the entire beans produced in the same place is called "A straight coffee."
Am I mistaken? Let me drink again

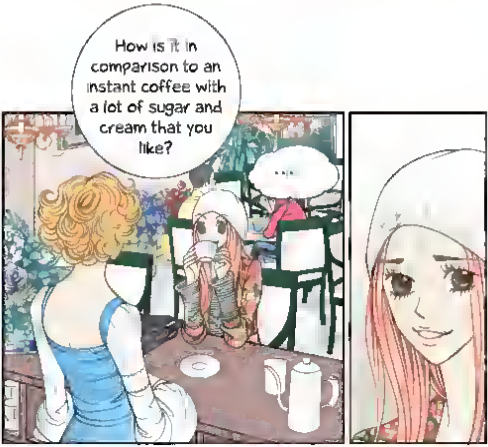




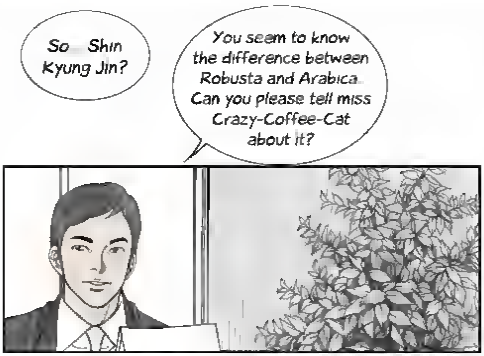
Did you... add wine to the coffee?
You felt wine?
Hm.. Her sense of taste is rather good...
It feels a little bit spicy, yet somewhat sour...
Tart yet a little bitter, it has a touch of chocolate...

It's seems sweet..
But I don't think she added sugar though





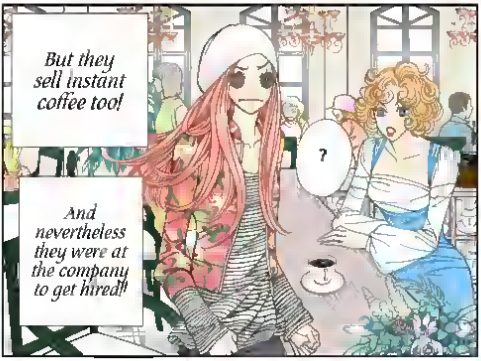
If you're so crazy about this coffee, you must like the straight one, don't you?



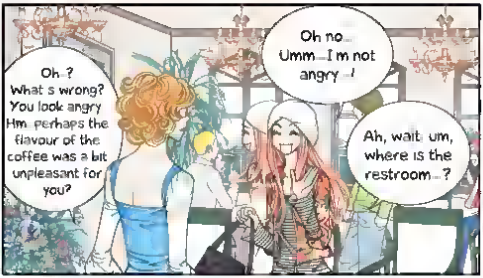
So... Shin Kyung Jin?
You seem to know the difference between Robusta and Arabica. Can you please tell miss Crazy-Coffee-Cat about it?

Heh!
She said
Arabia...

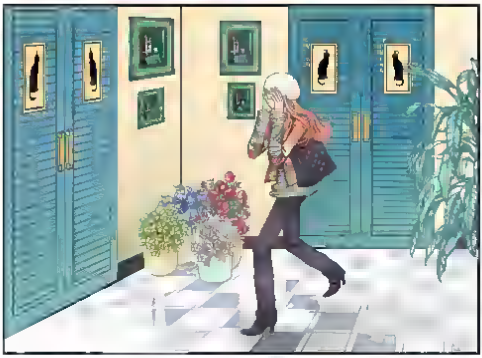
The coffee I know is so different from what those coffee maniacs enjoy..
It was so different. No wonder they..
Ah ah... I'm so embarrassed..



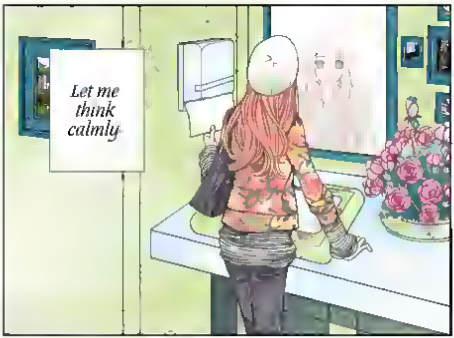
But they sell instant coffee too!
And nevertheless they were at the company to get hired!!
?

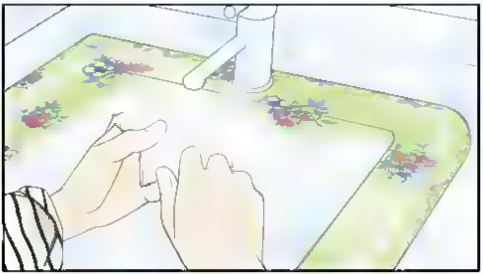


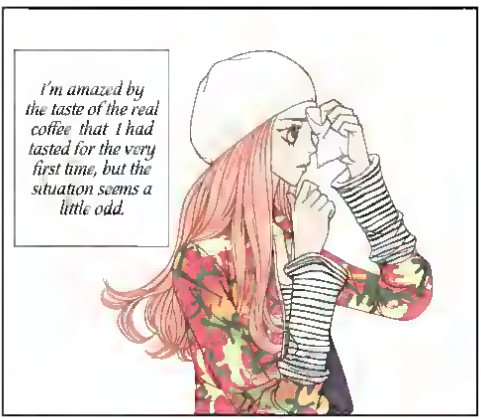
Oh..? What's wrong? You look angry Hm.. perhaps the flavour of the coffee was a bit unpleasant for you?
Oh no.. Umm..I'm not angry..!
Ah, wait.. um, where is the restroom..?



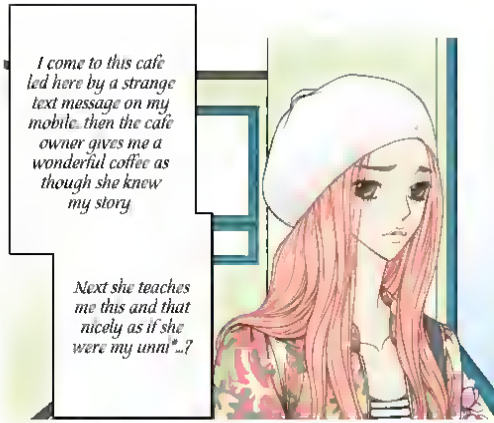
I didn't drink wine, but why am I blushing?
Why don't I feel entirely myself?







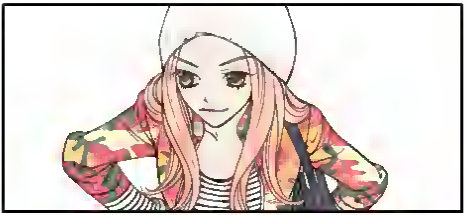
I'm amazed by the taste of the real coffee that I had tasted for the very first time, but the situation seems a little odd.



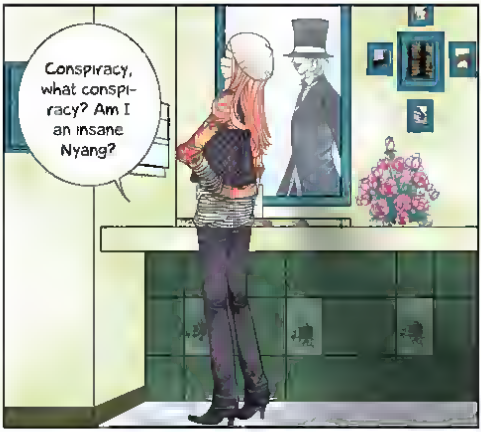
I come to this cafe led here by a strange text message on my mobile. then the cafe owner gives me a wonderful coffee as though she knew my story
Next she teaches me this and that nicely as if she were my unni*...?

*Unni= older Sister

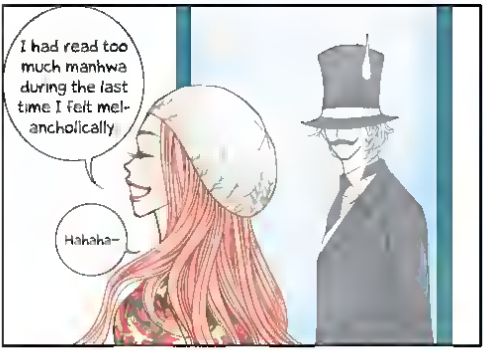
There must be a conspiracy.



sigh.

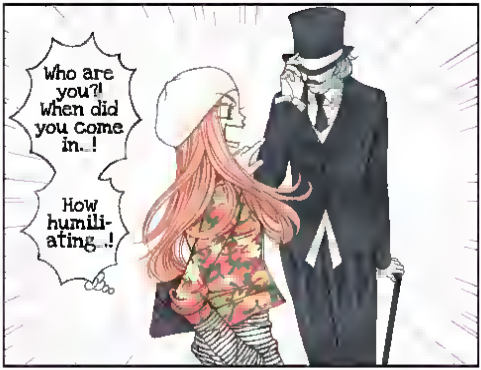


Conspiracy, what conspiracy? Am I an insane Nyang?

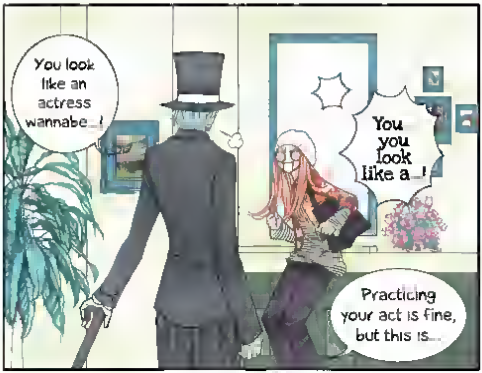


I had read too much manhwa during the last time I felt melancholically
Hahaha~

There's a culprit in here!! Hahaha!
In the name of my grand-father...!



Who are you?! When did you come in..!
How humiliating..!



You look like an actress wannabe..!
You you look like a..!
Practicing your act is fine, but this is...

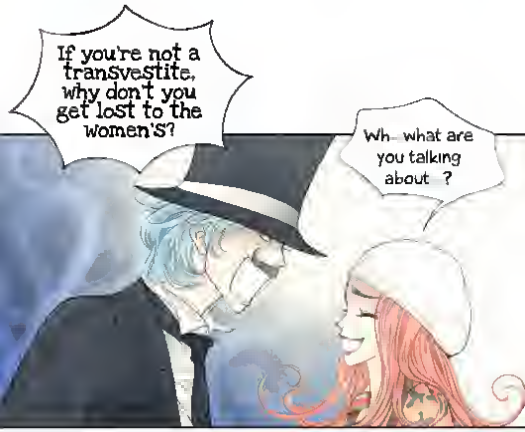
What unisex rest-room...!

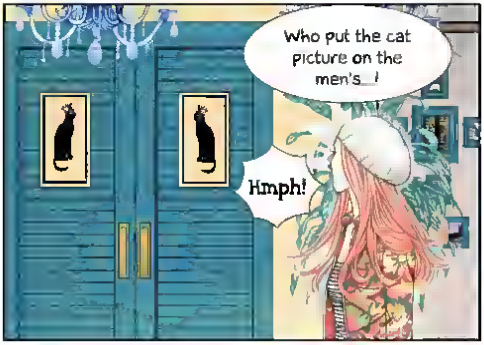


If you're not a transvestite, why don't you get lost to the women's?
Wh- what are you talking about ?

You do look like a man by the way you kick
...

It was surely the women's picture at the door!

See!! It's a cat.



Who put the cat picture on the men's...!

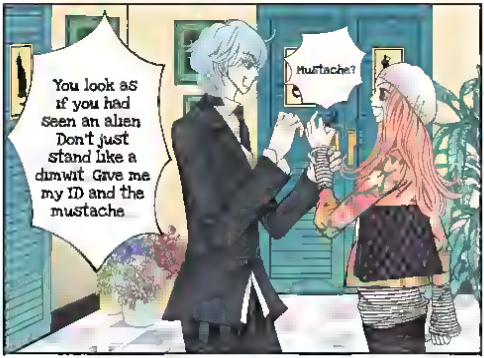
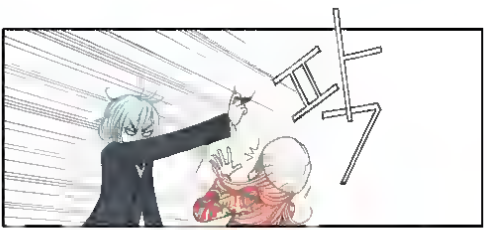
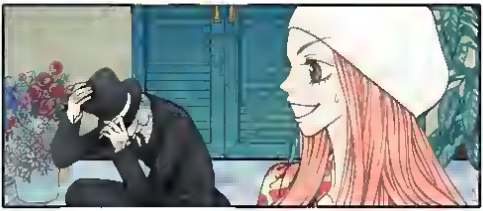
Well... this is my first time seeing a cute one though.



You look as if you had seen an alien. Don't just stand like a dimwit. Give me my ID and the mustache.
Mustache?

Oops...
No hat,
No mustache...

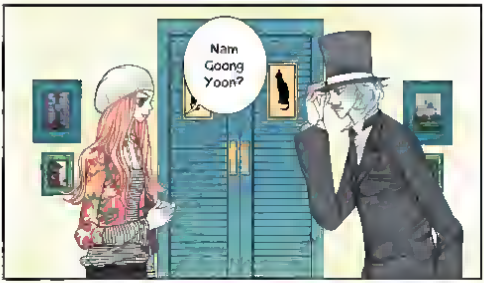




Yes, stay calm. This could be my lucky day but what do I do now?

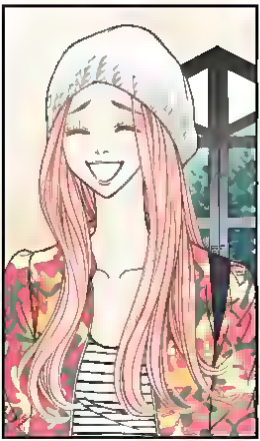
Look at that. He's blushing as I expected

I'm holding the cards now... I can't let this go because I am being nervous...

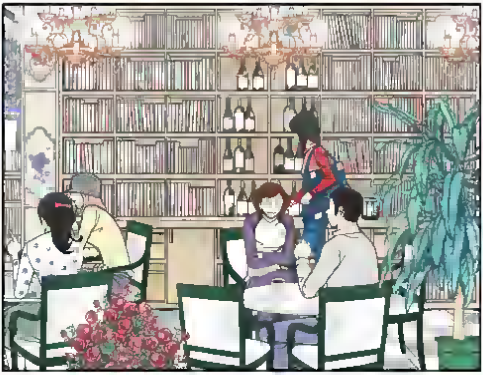


*It means pervert

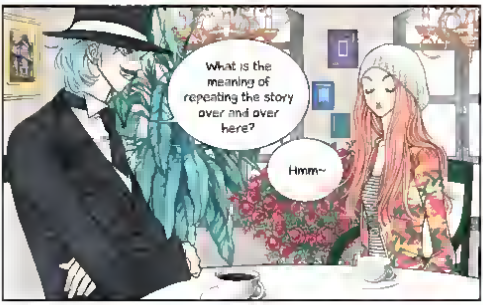
Pooh



Cat's Eye

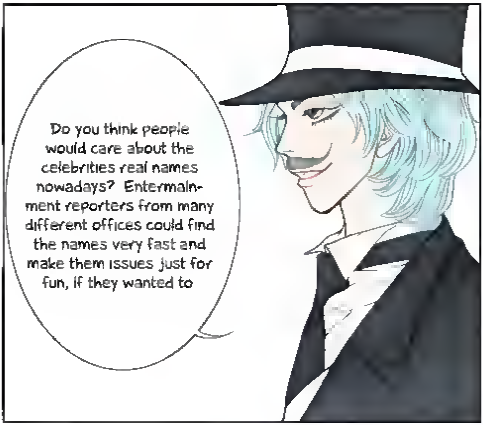


Why do you use a fake name? Well I think Whang Byung Tae is great too but~
He might really be a pervert cause he goes to places in disguise~



What is the meaning of repeating the story over and over here?
Hmm~

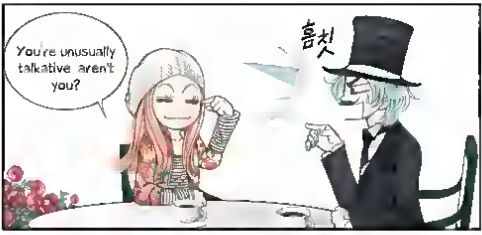
If you're thinking of blackmailing me you chose the wrong person



Do you think people would care about the celebrities real names nowadays? Entermainment reporters from many different offices could find the names very fast and make them issues just for fun, if they wanted to

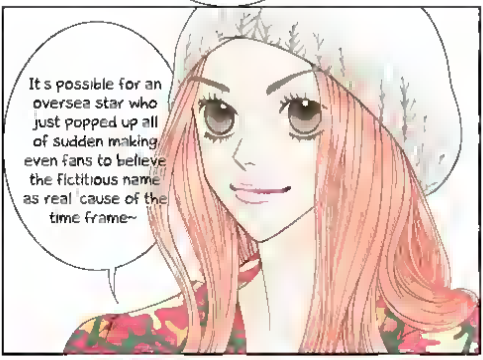
Now that I said that, haven't you seen teens using the internet?
What kind of world do you think this is, do you think this is a secret? They already know this, and no one would believe it
There are so many groundless rumors that you would be attacked by my immature fans

You look old enough to realise there's nothing you will gain from this—

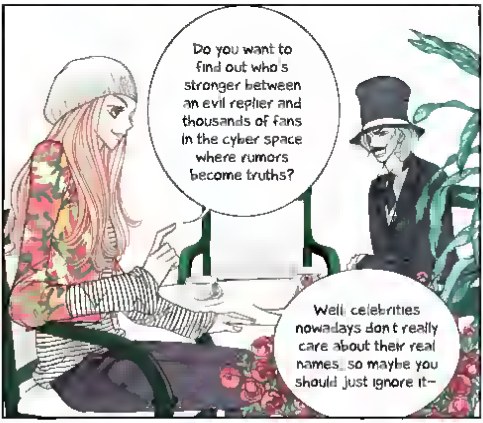


You're unusually talkative aren't you?
흠칫

I don't know how you did it, but you're so popular among reporters. Wouldn't it be easy for the agency to switch them to your side?

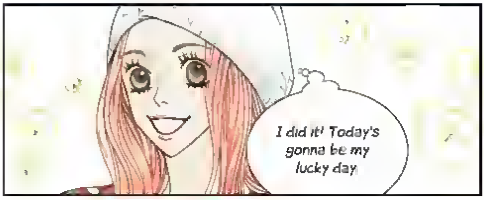


It's possible for an oversea star who just popped up all of sudden making even fans to believe the fictitious name as real cause of the time frame~

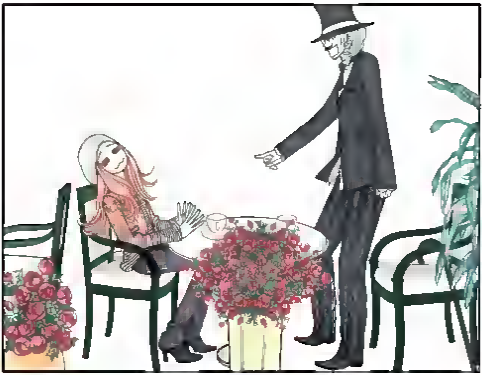


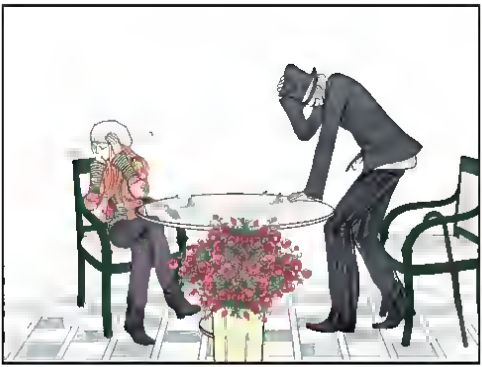
Do you want to find out who's stronger between an evil replier and thousands of fans in the cyber space where rumors become truths?
Well, celebrities nowadays don't really care about their real names, so maybe you should just ignore it—
And you shouldn't talk down to me.. we just met!

What do you want...



I did it! Today's gonna be my lucky day





Well,
Thank you~!!

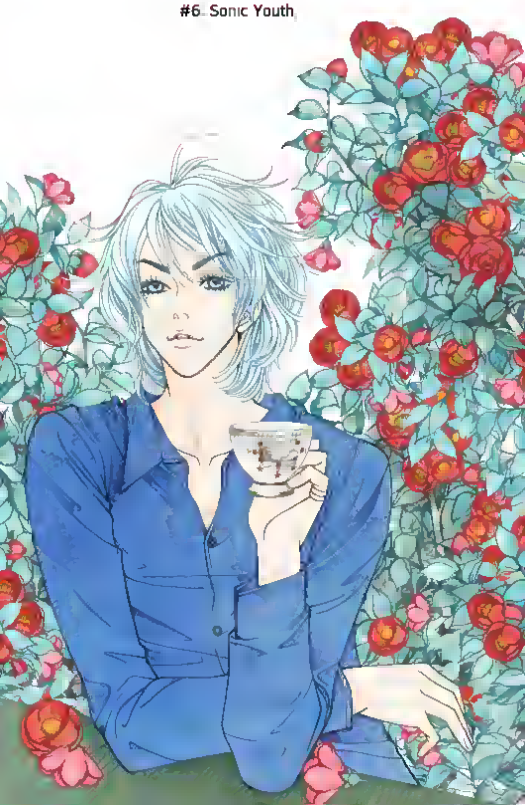
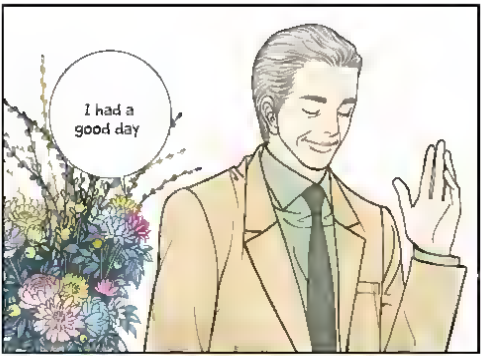
#6. Sonic Youth



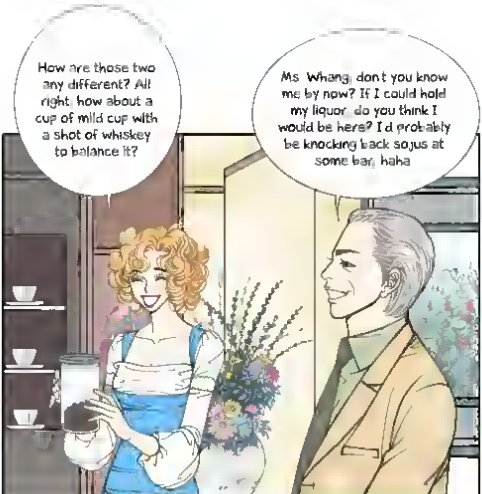
Cat's Eye

You look like you're in a good mood today

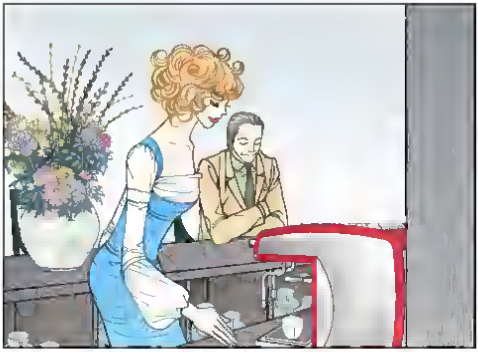


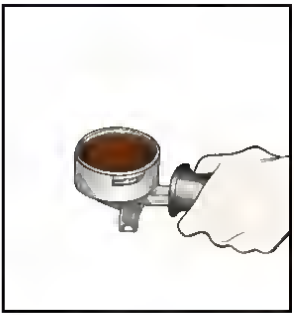
I had a good day

Since you're feeling well would you like to try a genuine 100% Blue Mountain? It just arrived.
Just a cup of espresso will be fine I need to sleep tonight



How are those two any different? All right, how about a cup of mild cup with a shot of whiskey to balance it?
Ms. Whang, don't you know me by now? If I could hold my liquor, do you think I would be here? I'd probably be knocking back sojus at some bar, haha

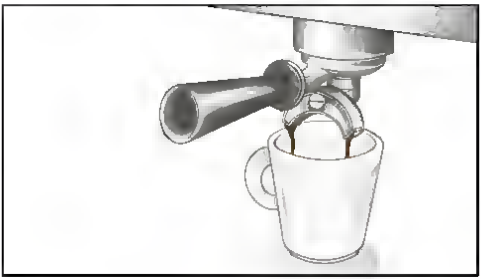




Most people think that there's a lot of caffeine in espresso and that is...

Wrong!

High-end coffee beans (Arabica) have a third of the caffeine found in instant coffee (Robusta). Espresso contains even less caffeine, much of which is extracted in the preparation, during the dark roasting of the coffee beans at high pressure.



So what puts you in such fine spirits today? Share the news
MENU
I've recruited some foot soldiers and put together a core team. It's not finalized yet, but I think we can slowly start planning for a revolution

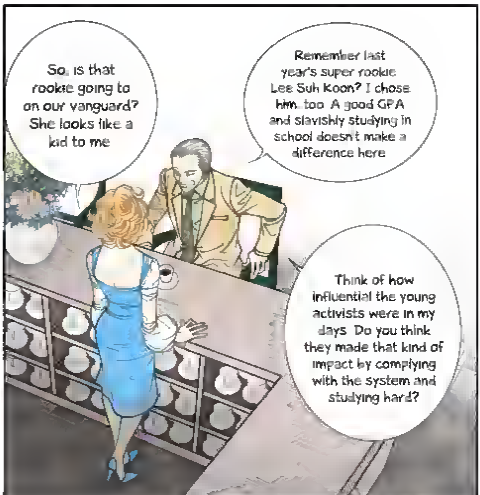
It's true that a company is either leading or dying. As a veteran crew member on this ship, I won't let it sink on my watch.

It's clear there's no future for a company that does not lead the world into change – much less one that can't even keep up with this constantly changing world.

That sounds about as easy as trying to catch a cloud. But regardless of vision, don't you need manpower if you want to accomplish anything? What do you think, Manager Sung?

Please...call me Director Sung – even if I was only appointed recently and of course, entirely thanks to the many people who have supported me. At last, I'm ready to initiate the project we have been preparing for so long

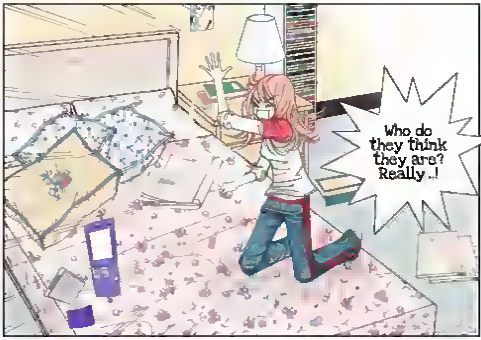
Congratulations



So, is that rookie going to on our vanguard? She looks like a kid to me
Remember last year's super rookie Lee Suh Koon? I chose hhm, too. A good GPA and slavishly studying in school doesn't make a difference here
Think of how influential the young activists were in my days. Do you think they made that kind of impact by complying with the system and studying hard?

I've been choosing these types of people for 2~3 years now. New projects always have obstacles, and if we want to overcome them to advance, we need their abilities.
They pour out an almost audible, sonic energy in the fresh vision they bring!

For that reason alone..
..he'll bet on that kid?



Who do they think they are? Really..!

Ji Won,
did you hear
the news?

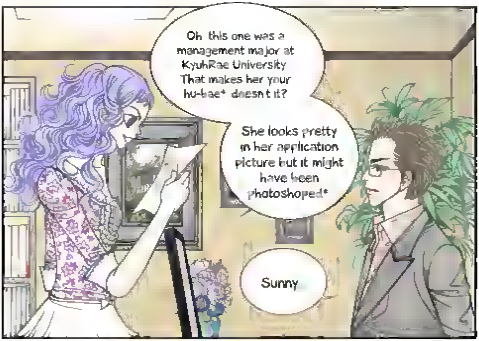
Sung Moo Baek got promoted to director Isn't this ridiculous? What the hell was Daddy thinking !!

How long have you been in here? I didn't hear you come in..
You didn't even hear me come in? What were you so focused on?
You make me look like a cat burglar ~

Why are you complaining about the chairman? It's the owner's prerogative to appoint directors

Then what would the CEO have to say about this? Did your dad approve of it too? Don't you know we're talking about the man who tried to take over the company!
He has to be using some kind of foul play

I'll be made manager. Will you call me out on nepotism when that happens? You know I'm getting promoted for my work.
He's fully qualified. Besides, if a company only has people with the exact same ideas, that's not good either.



Oh, this one was a management major at Kyuh-Rae University. That makes her your hu-bae* doesn't it?
She looks pretty in her application picture but it might have been photoshoped*

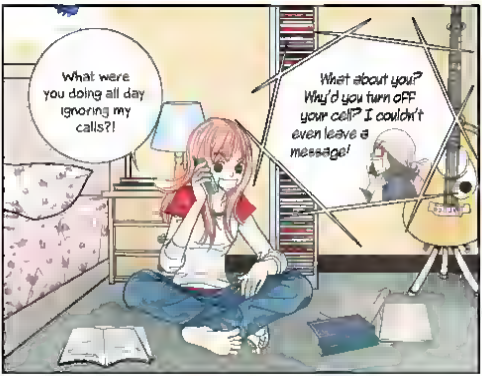
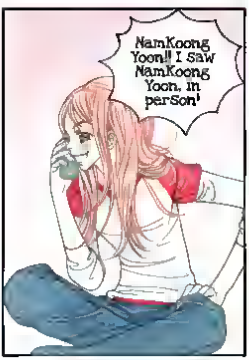
Nam Kyu Sun? A call from Kyu Sun?
Why's she calling my home phone instead of my cell?



What were you doing all day ignoring my calls?!
What about you? Why'd you turn OFF your cell? I couldn't even leave a message!

I did? Ah! I dropped it and then it got turned off by itself. I think. Wait, did the battery get loose? Oh well~!
I don't get local calls in my mobile plan, so keep it short. You can call me back if you want and call Eun Kang after me. God knows why she keeps nagging ME even though YOU'RE the one not answering your phone. Anyway, what's up? Tell me quick.
Ah, Eun Kang! No I mean Kyu Sun! I saw! I saw!
What've you saying? Saw what? A mountain ginseng? Fortuneteller? Future husband?



NamKoong Yoon!! I saw NamKoong Yoon, in perSon!

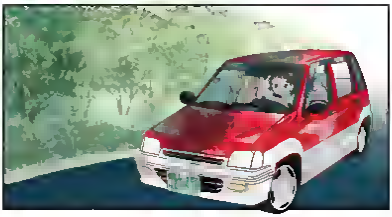
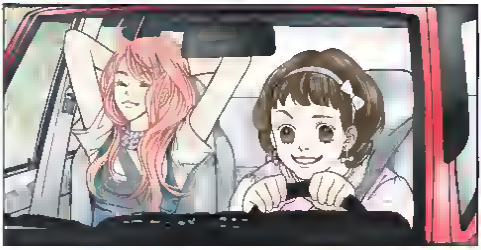
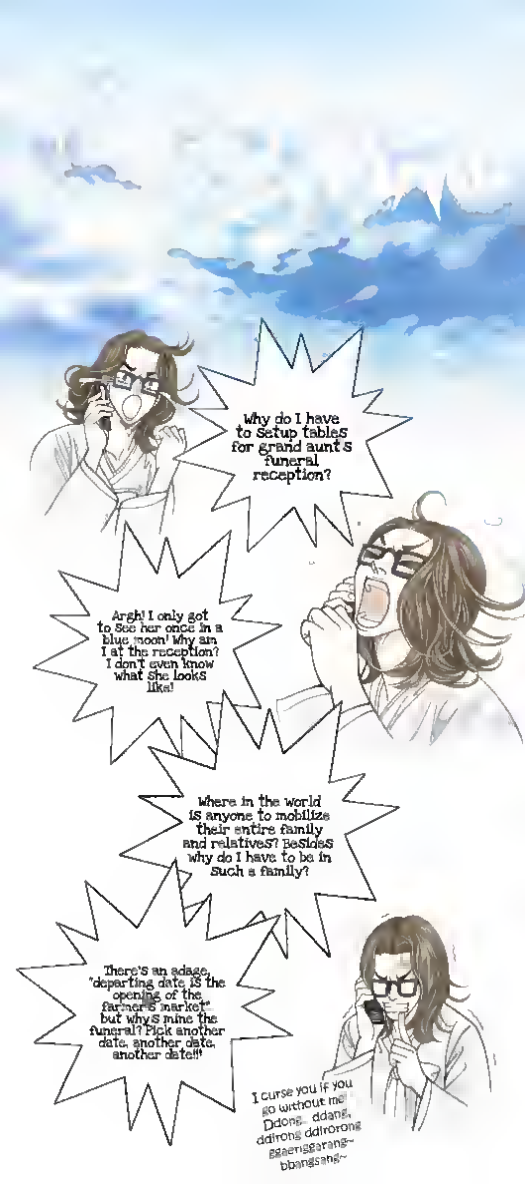
#7: Coincidence or Fabrication

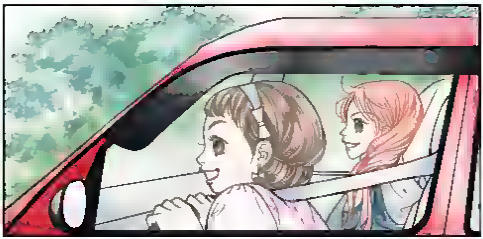


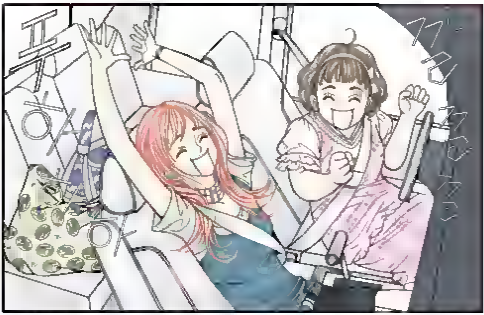
SFX. Vroom



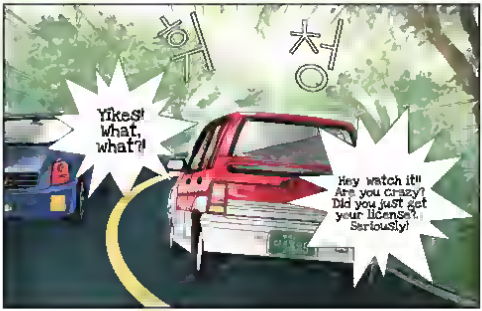


Why do I have to setup tables for grand aunt's funeral reception?
Argh! I only got to see her once in a blue moon! Why am I at the reception? I don't even know what she looks like!
Where in the world is anyone to mobilize their entire family and relatives? Besides why do I have to be in such a family?
There's an adage, "departing date is the opening of the farmer's market" but why's mine the funeral? Pick another date, another date, another date!!!
I curse you if you go without me! Ddong... ddang, ddirong ddirorong ggaenggarang~ bbangsang~



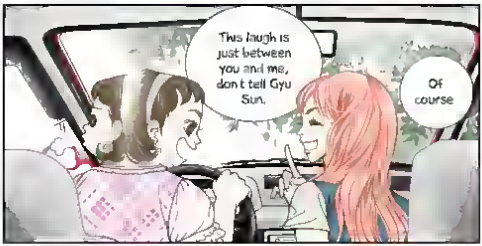


SFX: Ha ha ha
SFX: Hee hee hee

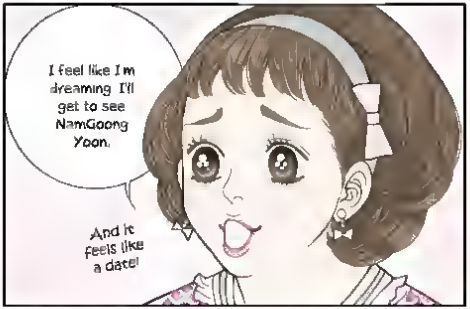


Yikes! What, what?!
Hey watch it!! Are you crazy? Did you just get your license?. Seriously!

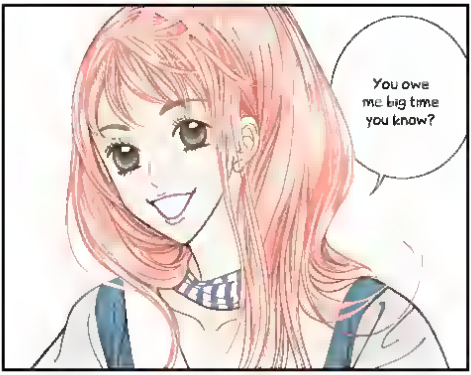
SFX: Shaking



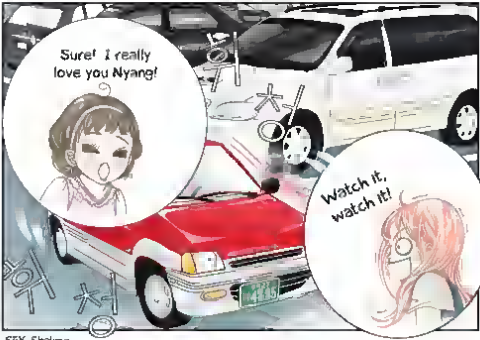
This laugh is just between you and me, don't tell Gyu Sun.
Of course



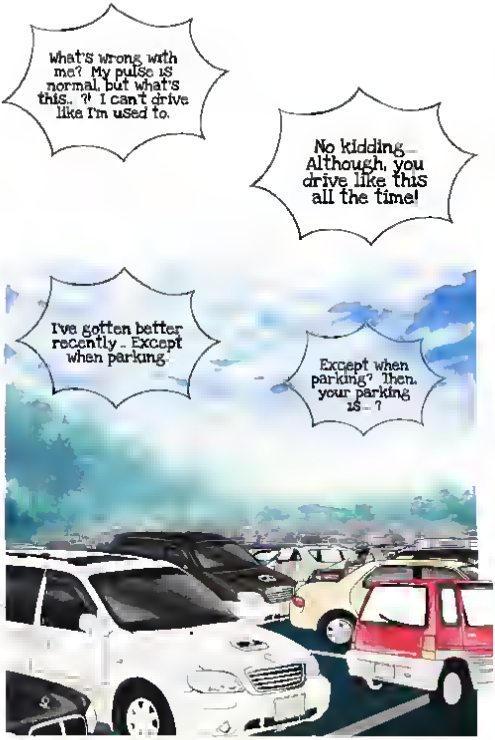
I feel like I'm dreaming. I'll get to see NamGoong Yoon.
And it feels like a date!



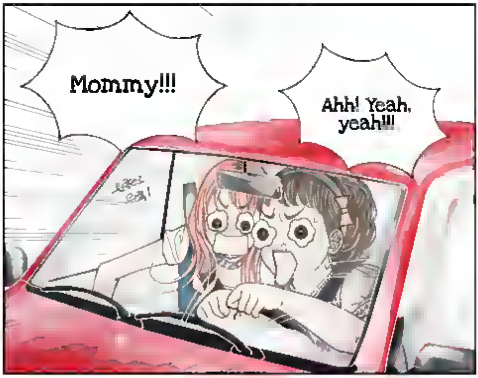
You owe me big time you know?

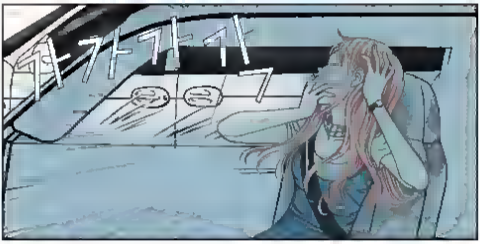


SFX. Shaking

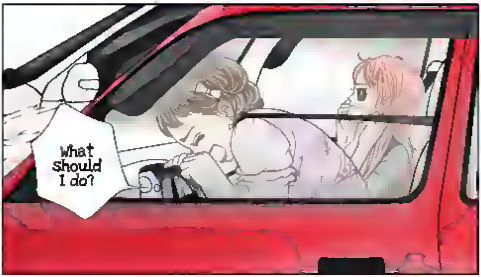


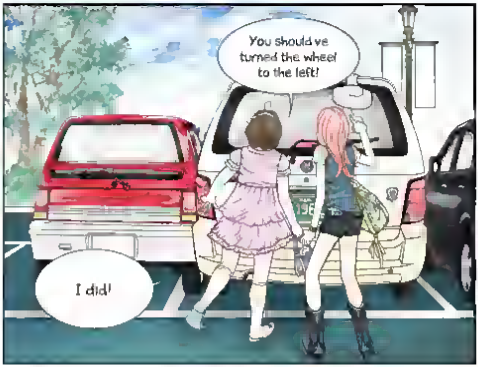
What's wrong with me? My pulse is normal, but what's this.. ?! I can't drive like I'm used to.
No kidding. Although, you drive like this all the time!
I've gotten better recently. Except when parking.
Except when parking? Then, your parking is...?



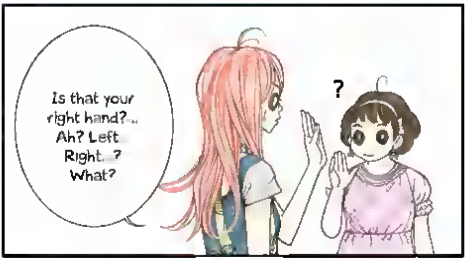


Sfx: Kshhhhhh

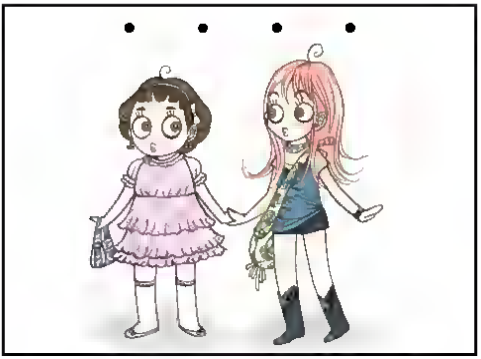


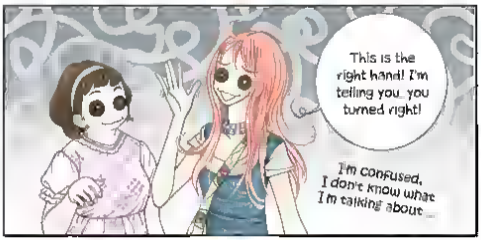


You should've turned the wheel to the left!
I did!



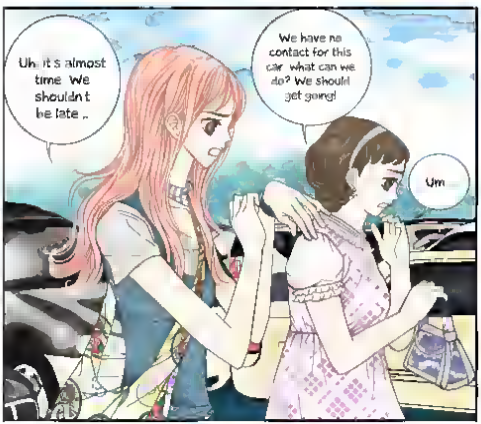
Is that your right hand?.. Ah? Left.. Right..? What?
?





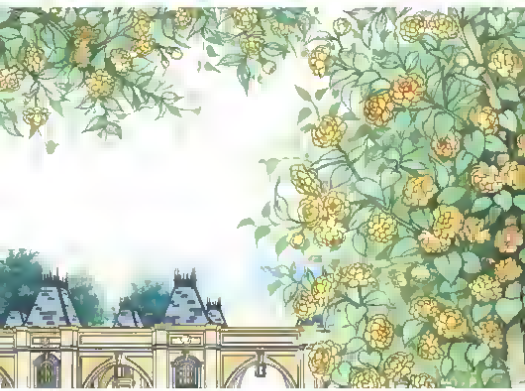
This is the right hand! I'm telling you, you turned right!
I'm confused, I don't know what I'm talking about...

SFX. Trembling



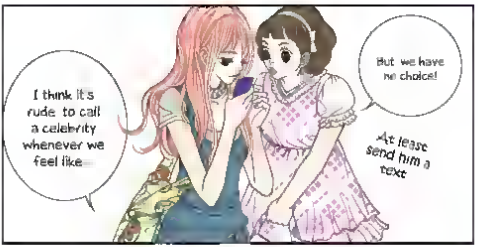
You still want to go when the car's like this?
You bet!!! Even if I had crutches I'd go!!
208
You don't even have a pen with you
Are you showing off you didn't study at school?
You don't have a pen either! Besides the lipstick's mine.

Good! The owner will call us
Did you have to draw the last part?

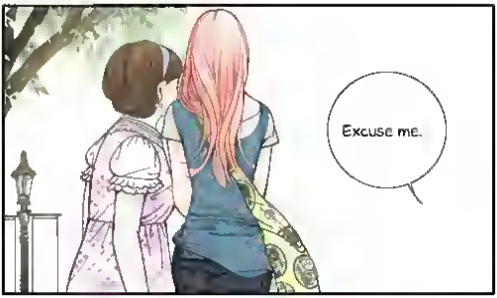


We're late let's go!
Wait for me!

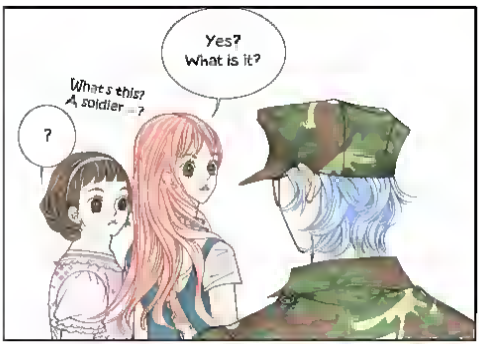
That's odd? We're supposed to meet at the first ticket window on the left at the front gate behind us
Did he leave because we're 5 minutes late?
Don't you know his phone number? Call him.



I think it's rude to call a celebrity whenever we feel like...
But we have no choice!
At least send him a text

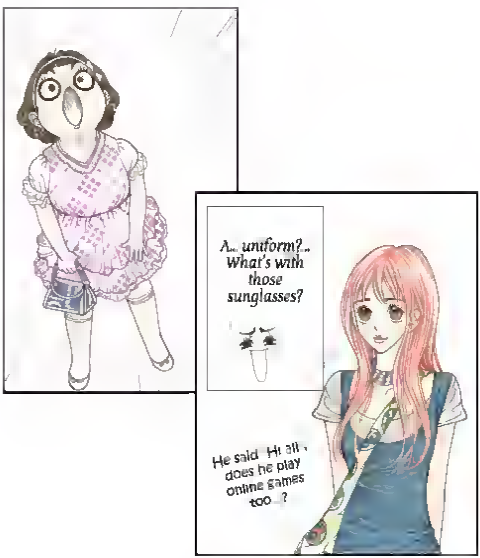


Excuse me.



Yes?
What is it?
What's this?
A soldier —?
?

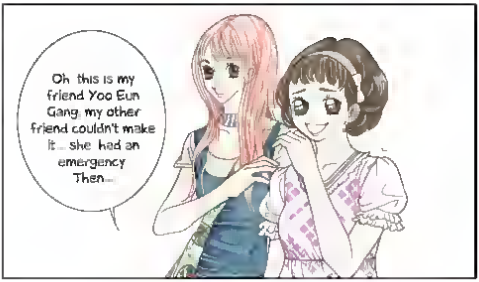
Hi all



A... uniform?.. What's with those sunglasses?
He said Hi all, does he play online games too...?

Um... Anything wrong with my attire? I tried not to be too conspicuous-

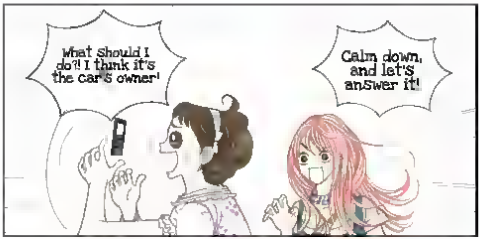
Is this the reality of Korean troops?



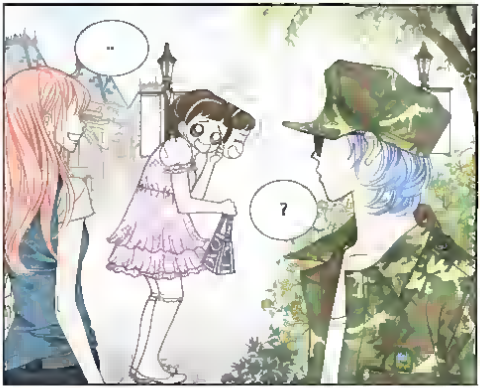
Oh this is my friend Yoo Eun Gang, my other friend couldn't make it... she had an emergency. Then...

He... llo!
Cell phone ringing~

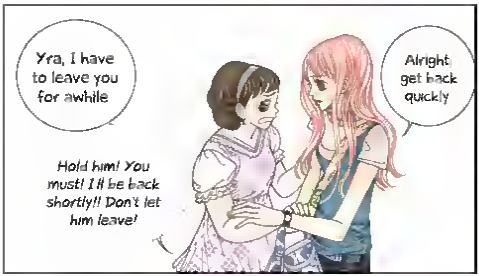
SFX: Bww



What should I do?! I think it's the car's owner!
Calm down, and let's answer it!

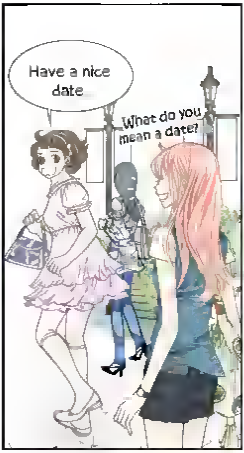


..
?



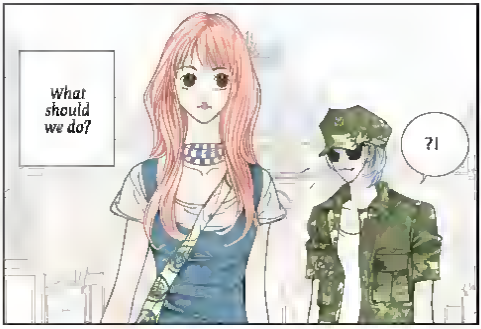
Yra, I have to leave you for awhile
Alright get back quickly
Hold him! You must! I'll be back shortly!! Don't let him leave!

I'll be back.

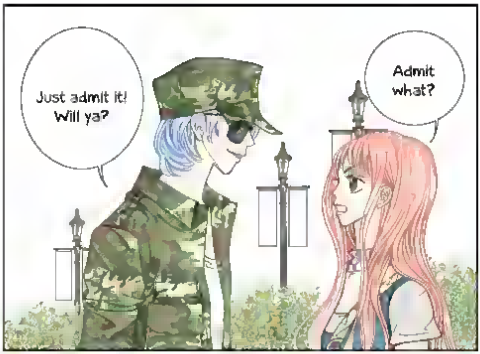


Have a nice date.
What do you mean a date?

Ex_ cuse me.
...

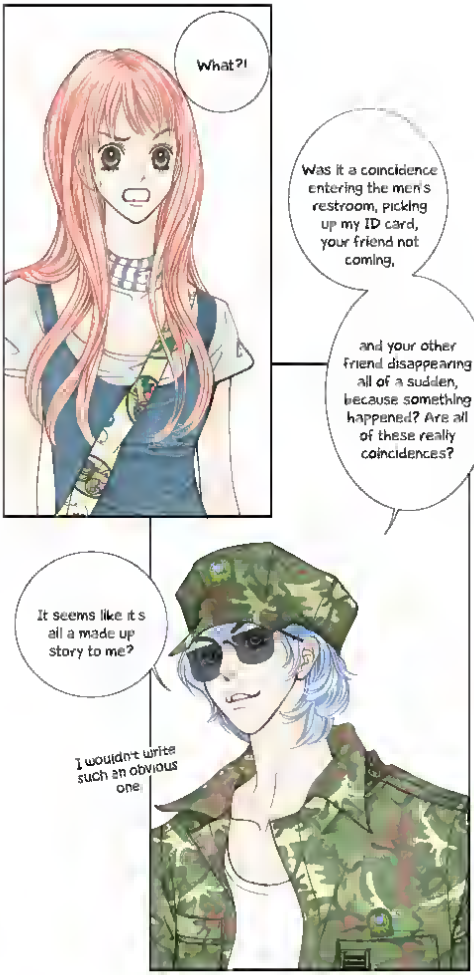


What should we do?
?!

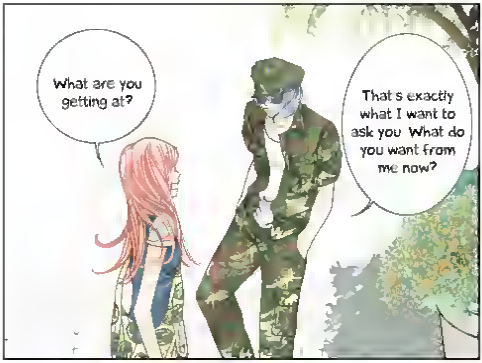


Just admit it! Will ya?
Admit what?

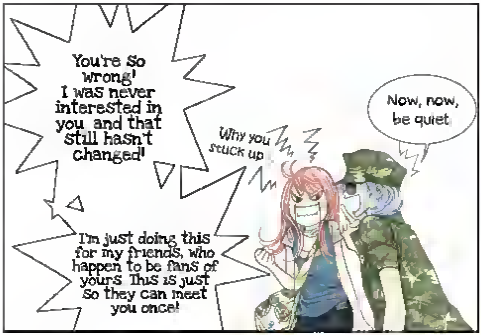
This isn't some cheap romance novel. How could such coincidences happen every time?



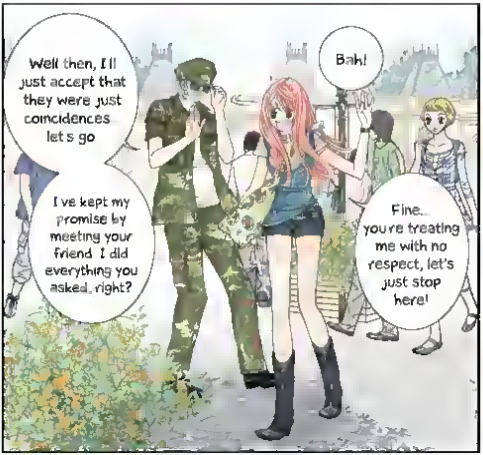
What?!
Was it a coincidence entering the men's restroom, picking up my ID card, your friend not coming,
and your other friend disappearing all of a sudden, because something happened? Are all of these really coincidences?
It seems like it's all a made up story to me?
I wouldn't write such an obvious one.



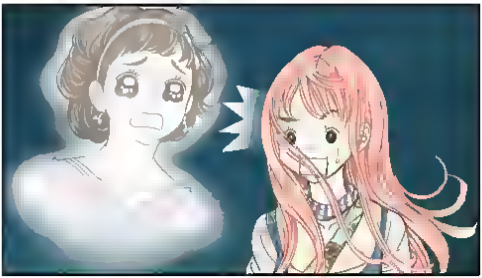
What are you getting at?
That's exactly what I want to ask you. What do you want from me now?

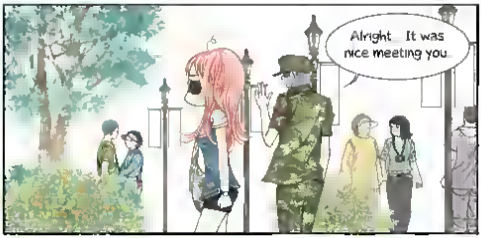


You're so wrong! I was never interested in you, and that still hasn't changed!
I'm just doing this for my friends, who happen to be fans of yours. This is just so they can meet you once!
Why you stuck up
Now, now, be quiet

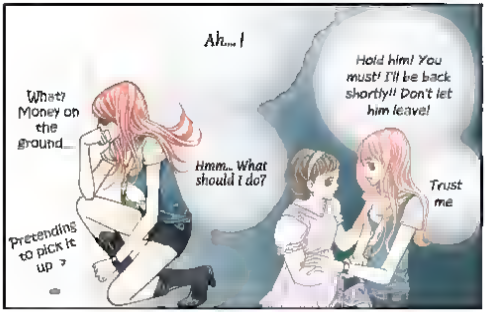


Well then, I'll just accept that they were just coincidences let's go
Bah!
I've kept my promise by meeting your friend I did everything you asked, right?
Fine... you're treating me with no respect, let's just stop here!



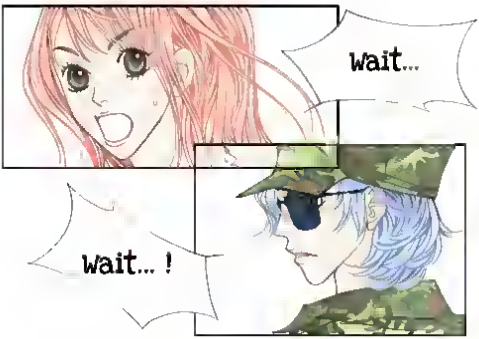


Alright... It was nice meeting you.



Ah...!
What? Money on the ground...
Pretending to pick it up >
Hmm... What should I do?
Hold him! You must! I'll be back shortly!! Don't let him leave!
Trust me

Shoot. Though I feel relieved,
all the stuff I've prepared are gonna burst like a bubble...



wait...
wait... !

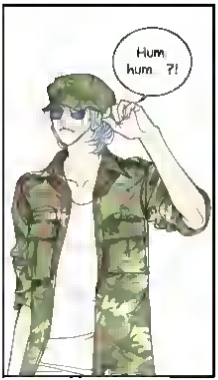
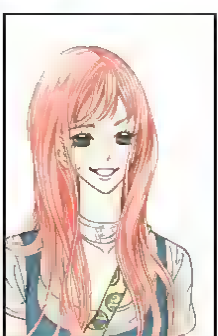
Did you just say "wait" ?
Wh. what... ?

Um um...

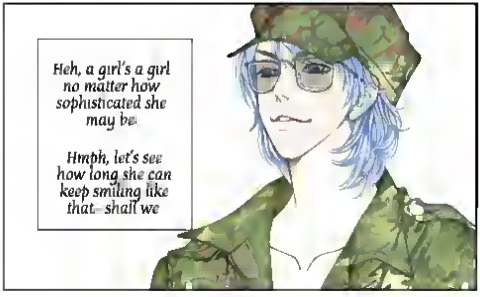


Hum hum...?!

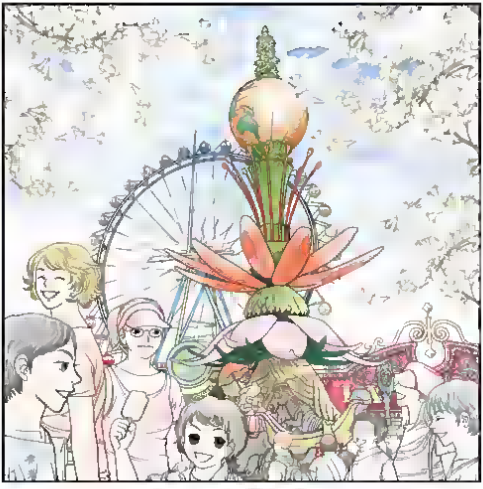
My friend's really coming back so if you leave it's kinda...!
Well leaving here without doing anything would be a waste So how about we take some rides in the amusement park?

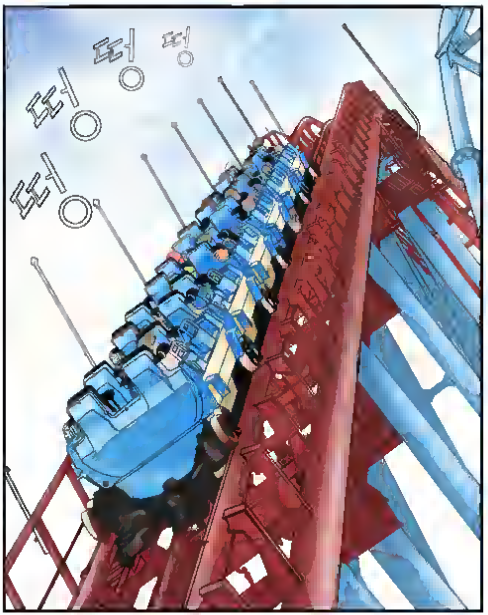


Hmm... Should I play for a bit, while waiting for Eun Gang?

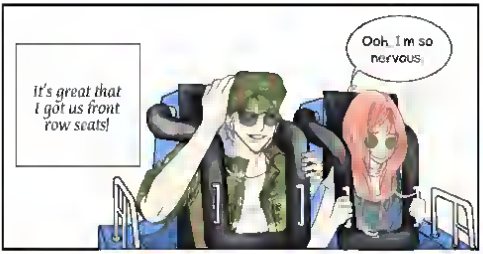


Heh, a girl's a girl no matter how sophisticated she may be.
Hmph, let's see how long she can keep smiling like that... shall we

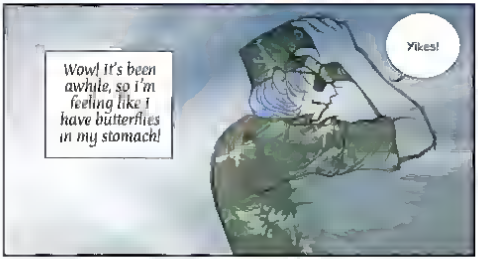




SFX: Clunk clunk clunk clunk

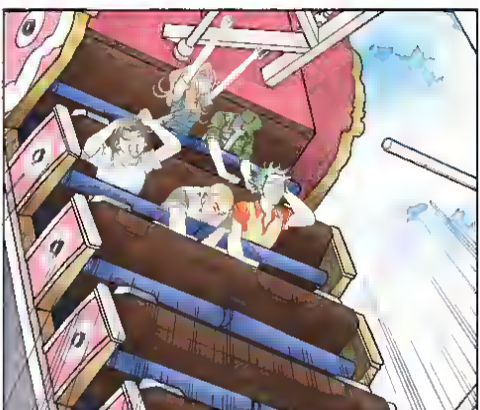


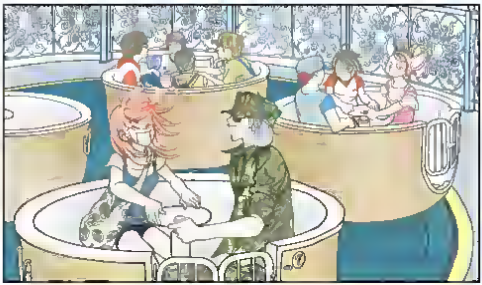
It's great that I got us front row seats!
Ooh, I'm so nervous

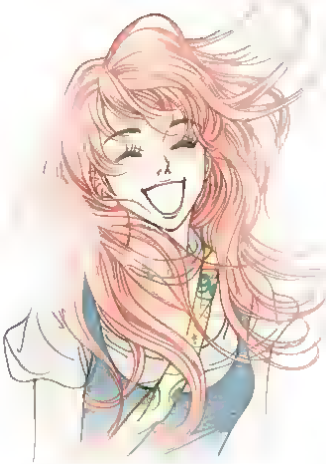


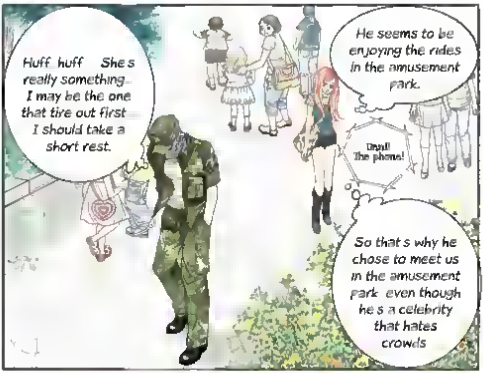
Wow! It's been awhile, so i'm feeling like I have butterflies in my stomach!
Yikes!

Yeah!!!
Go, go!!!
...

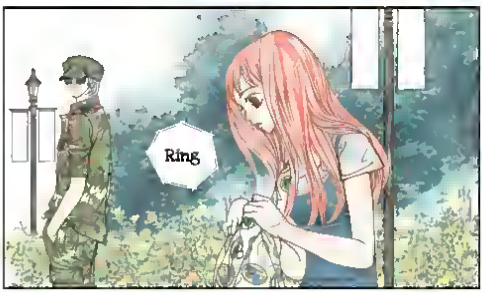




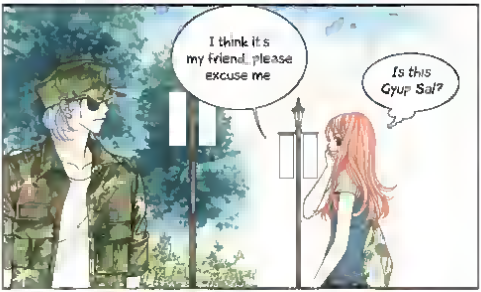




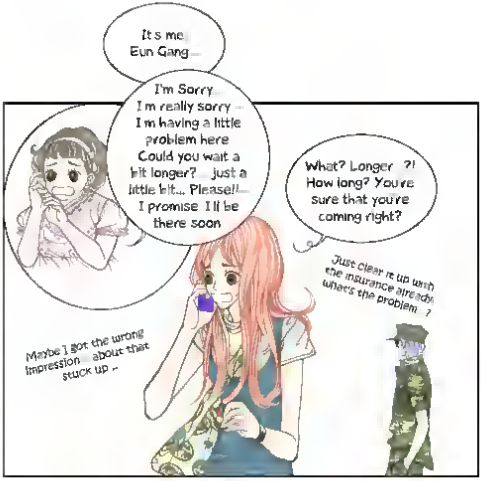
Huff huff She's really something... I may be the one that tire out first... I should take a short rest.
He seems to be enjoying the rides in the amusement park.
Drrrrll! The phone!
So that's why he chose to meet us in the amusement park even though he's a celebrity that hates crowds



Ring

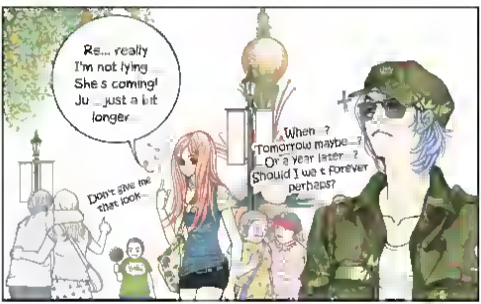


I think it's my friend, please excuse me
Is this Gyu Sa?

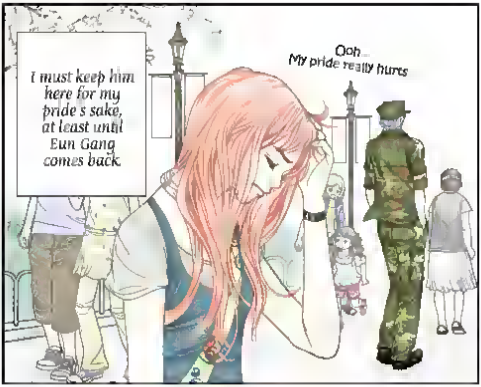


It's me, Eun Gang...
I'm Sorry... I'm really sorry -- I'm having a little problem here Could you wait a bit longer?... just a little bit... Please!!... I promise I'll be there soon
What? Longer ?! How long? You're sure that you're coming right?
Just clear it up with the insurance already, what's the problem ?
Maybe I got the wrong impression... about that stuck up --

Aren't a few people on a cloudy weekday enough? Haha...



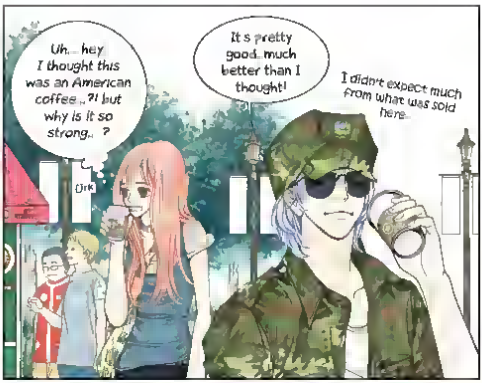
Re... really
I'm not lying
She's coming!
Ju...just a bit
longer...
Don't give me
that look...
When...?
Tomorrow maybe...?
Or a year later...?
Should I wait forever
perhaps?



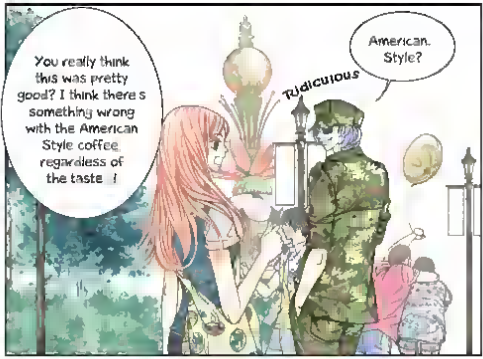
I must keep him here for my pride's sake, at least until Eun Gang comes back.
Ooh... My pride really hurts

OTHER BEVERAGE

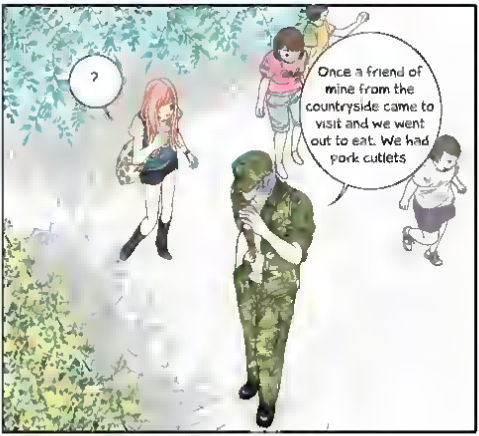
Cafe Americano please
And you Miss?
...I'll have the same
I haven't tried anything but lattes before...



Uh... hey I thought this was an American coffee.,, ?! but why is it so strong.. ?
Ork
It's pretty good. much better than I thought!
I didn't expect much from what was sold here.



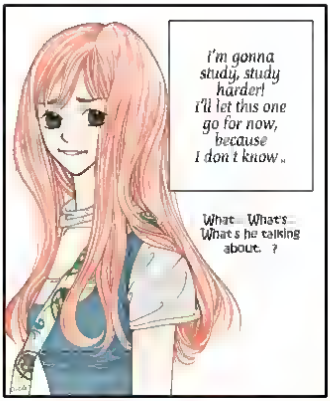
You really think this was pretty good? I think there's something wrong with the American Style coffee regardless of the taste !
Ridiculous
American. Style?



?
Once a friend of mine from the countryside came to visit and we went out to eat. We had pork cutlets

A waiter came over and asked him "Would you like bread or rice, sir?"
.. and he answered, "Umm didn't I order pork cutlets?"
Who wouldn't understand that classic humor ?
Isn't it a type of humor that Girl Dong may get slapped in the face from Choon Hang for, for being too out-of-date?

What s the difference between that classic and "Didn't I order an American Style?" after you said
"I'll have the same" when I ordered the Cafe Americano?

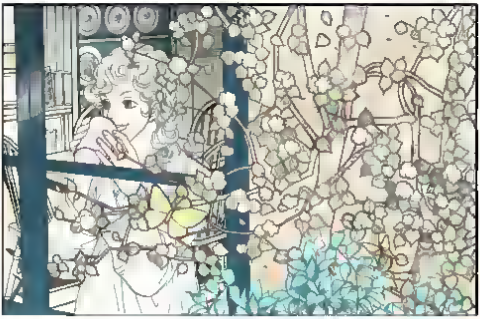


The "American style" coffee is a black coffee that is mildly brewed as you know

This style of coffee reflects the Puritan life style of the early Americans

They considered coffee, which was entirely imported, to be way too expensive, because they were not a coffee producing country

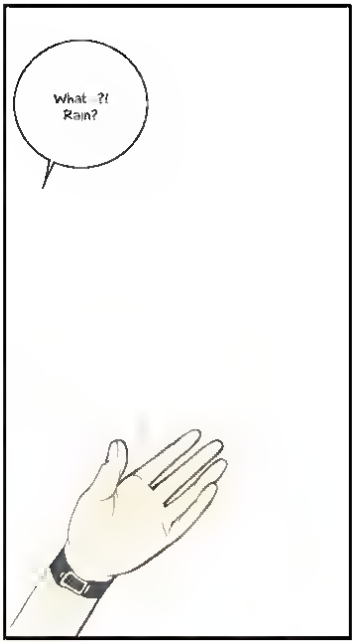
You can think of it as a brew, and brew again style. This is quite a peculiar method that is never quite the delicious way to drink it. We merely followed the American way and thought it was good!



No wonder...

However, the Cafe Americano is a diluted espresso style, although the taste and scent are pretty decent.

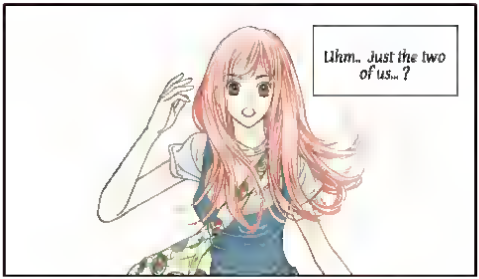
The essential taste and scent remain unchanged, even though the thickness has been diluted by water, which is contrasting difference to the coffee that is initially lightly brewed.



Could start pouring any minute now!

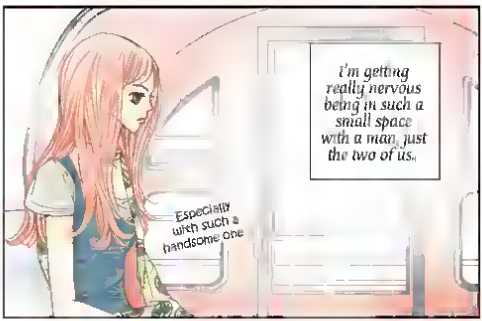
Hurry let's go over there out of rain. Luckily there's almost no one in line.
SFX: Pouring

This is my first time riding it..
GREAT
LAWNBO

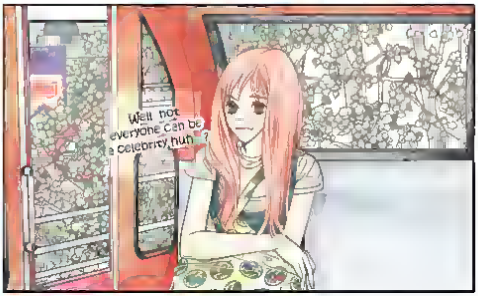


Uhm.. Just the two of us..?

SFX: Pairing



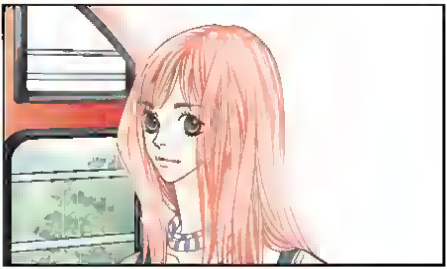
I'm getting really nervous being in such a small space with a man, just the two of us.
Especially with such a handsome one

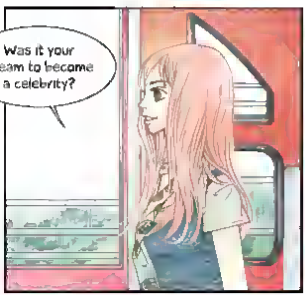


Well not everyone can be a celebrity hun~?

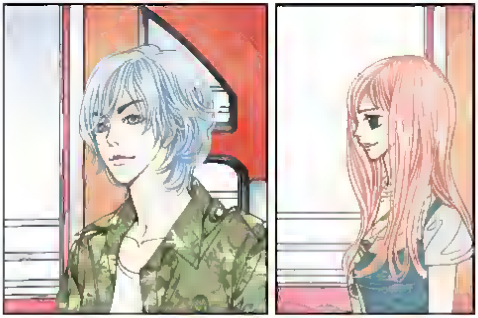
sss
SFX.Thump

Ooh.. what's this weird feeling..? I hope he says something qui..

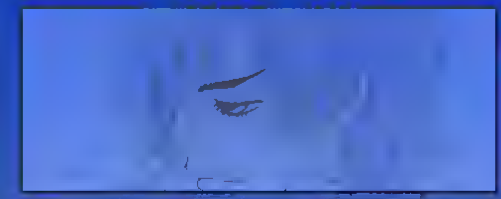




Was it your dream to become a celebrity?



Dream...? my dream was
What's this? Is it a déjà vu..?



To soar in the air.

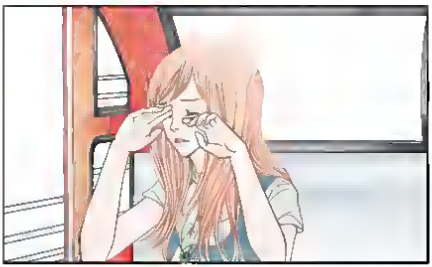
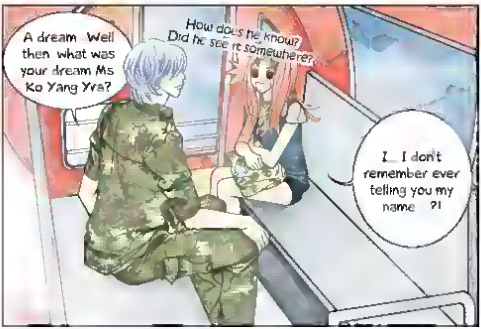
Chapter 9
About the Dream

What.. what was that?
I just saw an image flash by..?
Could it be my imagination..?
Wake up! I can't let the mood take over.

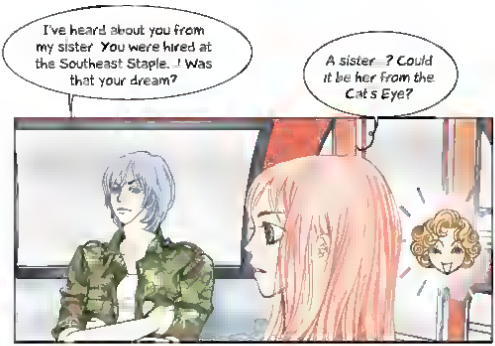


Was there any painful memory about the dream ?

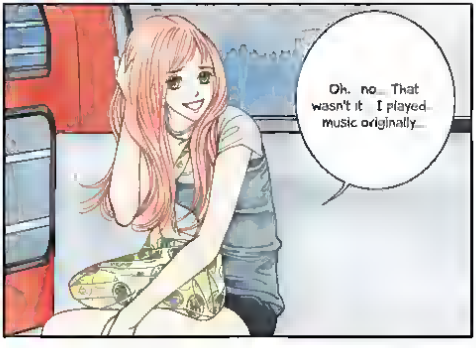
I can sense his sadness.



A dream... Well then, what was your dream Ms Ko Yang Yra?
How does he know? Did he see it somewhere?
I... I don't remember ever telling you my name...?!



I've heard about you from my sister. You were hired at the Southeast Staple... ! Was that your dream?
A sister...? Could it be her from the Cat's Eye?

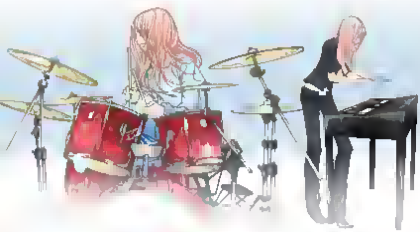


Oh. no... That wasn't it. I played music originally...

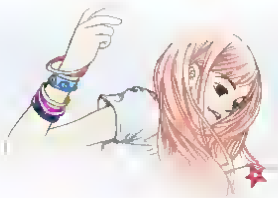
aloud..

When I was in middle school, I really wanted to be in a band. I was told that if I went to college I could do anything... so I studied really hard.

I was really into music, it's a real mystery to me how I graduated too. The guitar, bass, drums and keyboard... there's wasn't an instrument I didn't try to play. I was really into it, even though I knew I had no talent.

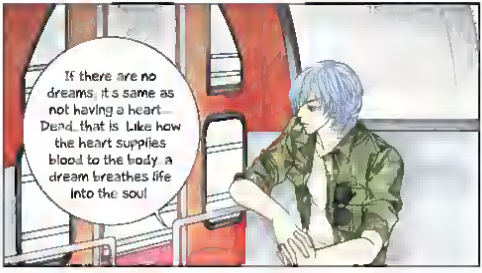


Just like how I have received inspiration from others, I wanted to give people inspiration through my music...

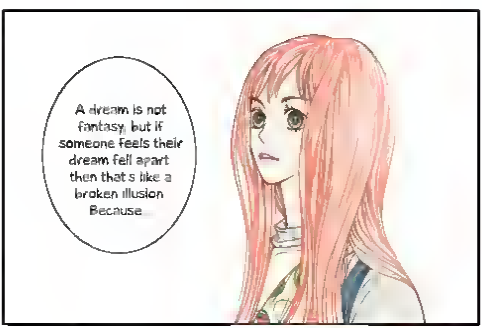


Now, I'm just an ordinary worker. My dream is dead.

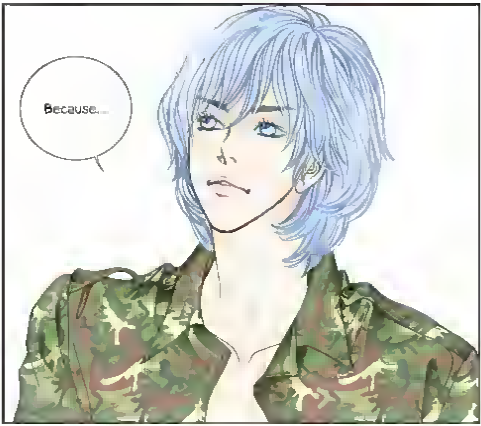
A dream never dies
nor does it fade away
It's always there, following
you waiting silently until
you find it again.



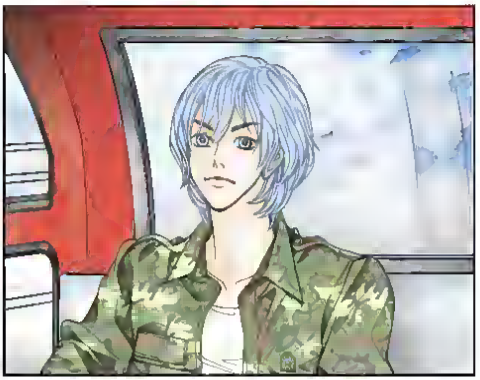
If a dream falls apart,
people may breakdown
Although, the breaking
down is just a delusion.

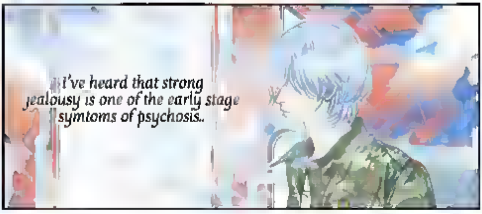


A dream is not fantasy, but if someone feels their dream fell apart then that's like a broken illusion. Because...

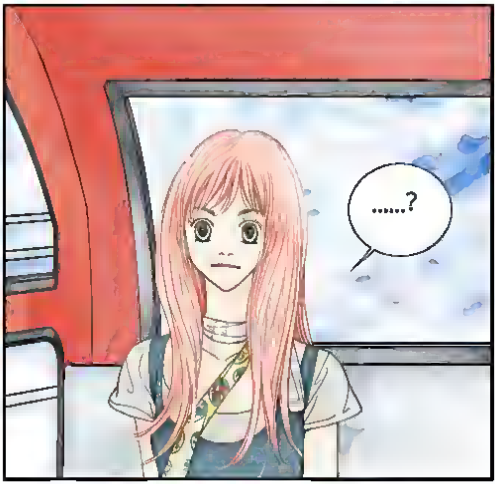


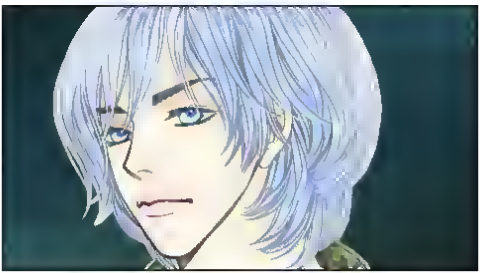
Because...

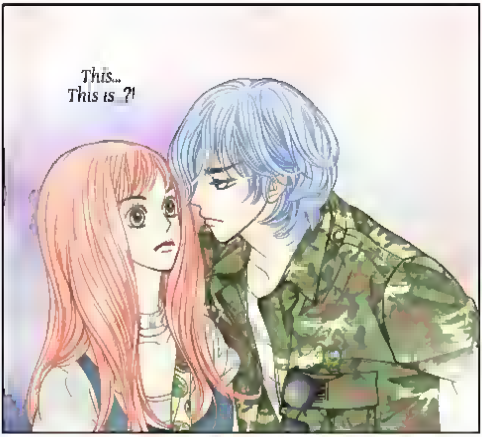




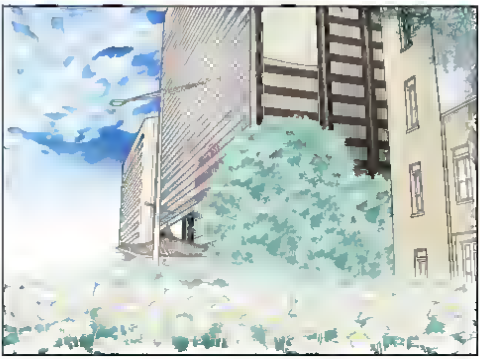
I've heard that strong jealousy is one of the early stage symtoms of psychosis.







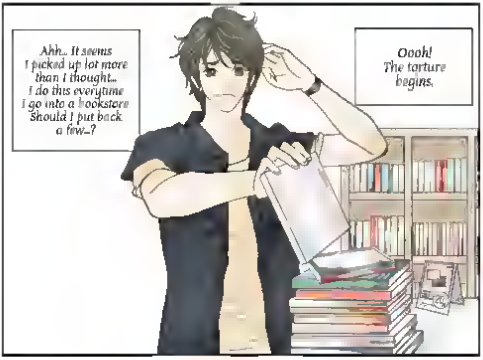
This...
This is...?!



Crazy Coffee Cat
The first year of publication was 2004? It's a bit out dated Hmm.. It's written easy and well for beginners like me

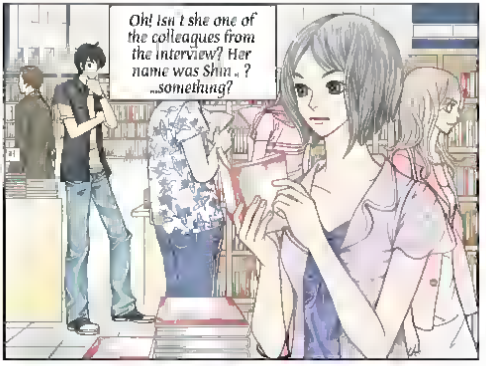
Good! I'll buy this one too!

Perfect Coffee



Ahh... It seems I picked up lot more than I thought... I do this everytime I go into a bookstore Should I put back a few..?
Oooh! The torture begins.

Huh?

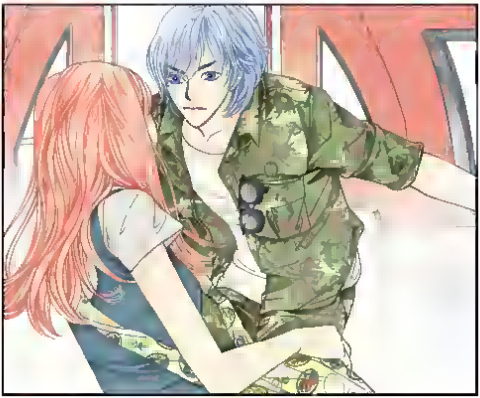


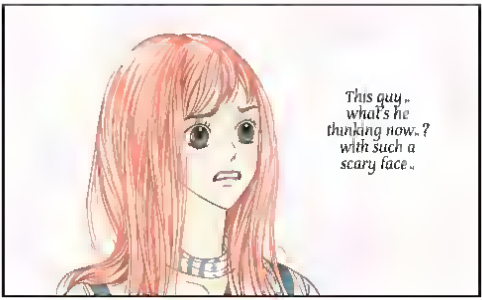
Oh! Isn't she one of the colleagues from the interview? Her name was Shin.. ? ..something?

Everyone is studying so hard before the new employee training. I'd better press on if I don't want to be left behind

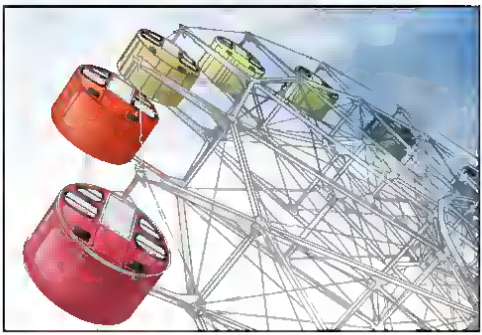
I wonder what our fervent colleague Crazy Coffee Cat's doing right now?

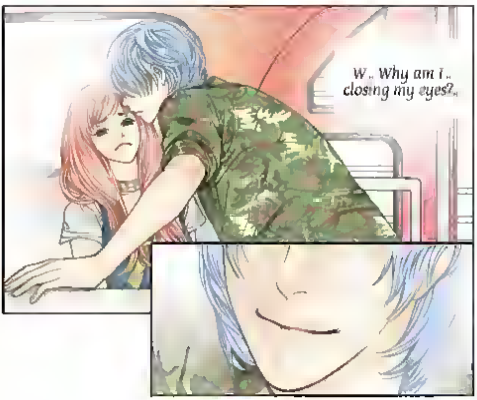
GREAT



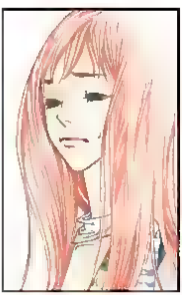


There's no one here to hear my cry
and I can't escape..!
Is he really going to..?





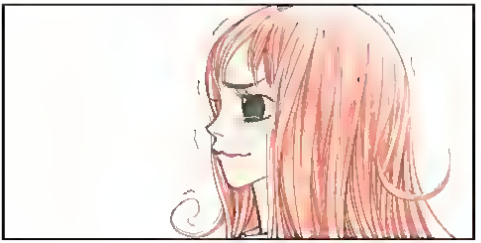
W.. Why am I.. closing my eyes?..

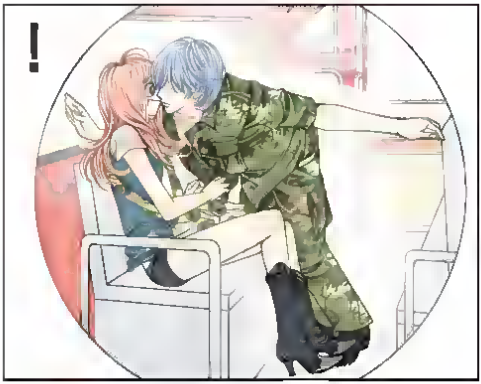


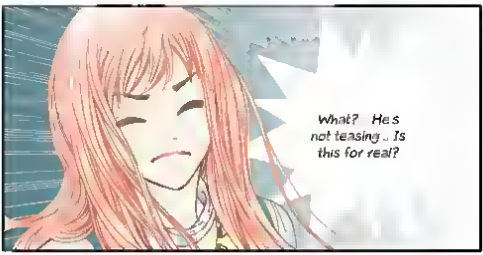
Oh.. no..!

If I turn my head or close my eyes, it'll look like I want to be kissed!
FLASH

Hmph! It looks like he's trying to look down on me! Do you really think I'm that easy?







What? He's not teasing.. Is this for real?

Uh.. what is this? Shoot! Am I going to get ? How could this happen? Is it because of Eun Gang..? No wait.. I called Eun Gang..

How will it feel?...
Oh... But this is just too much!
And, it's my first kiss too!..

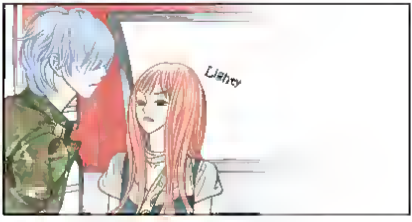
Ho ho, what first kiss?...
Are you going to lie yourself?..
No, no but...
It's my first time for this kind of...

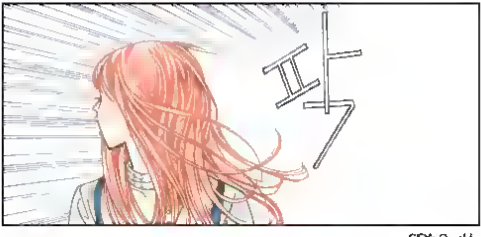
At least, it's from a cute one...
So...

Whoops, what am I
thinking... ?

Huh? What's this?

...a star?



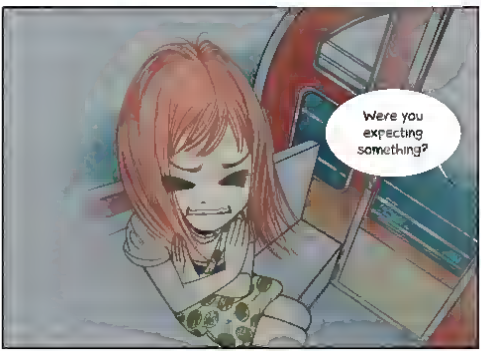


SFX. Quickly

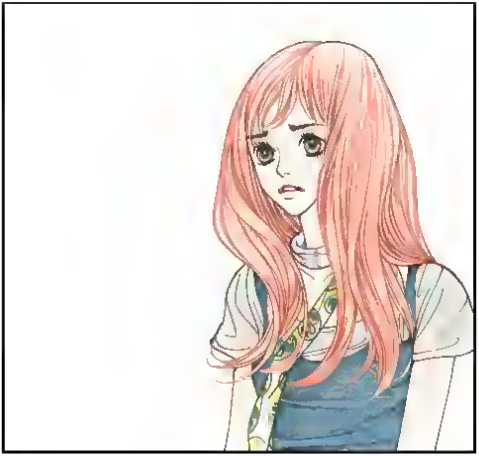
Hey... It seems like the time elapsed quite a bit! Is he hesitating too...?

Perhaps. this is getting serious!
It seemed strange when he set up the mood.

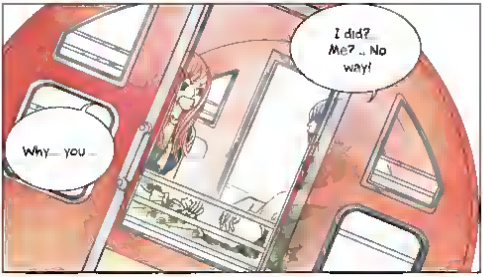
Oh... no...
I don't have any feelings for you



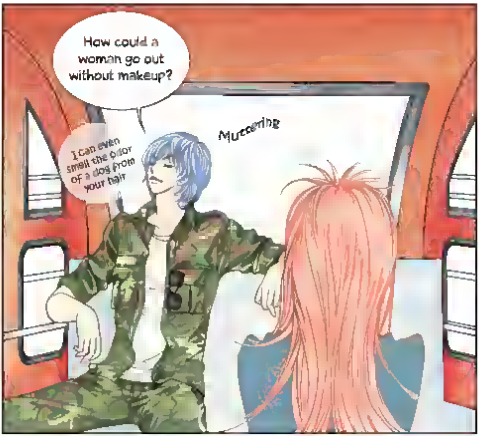
.....!
Weren't you hoping? Because I don't think you were sleeping! Am I mistaken?



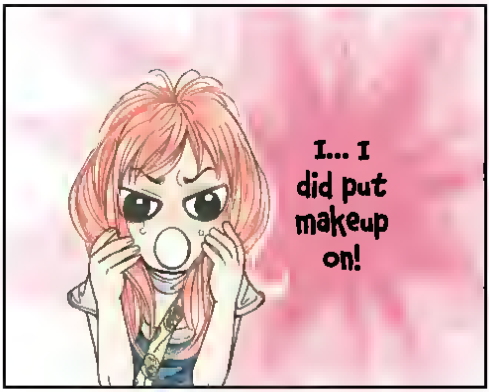
Why.. you..
You came near me
just a while ago..
How..? Suddenly I
wasn't hoping, but you..

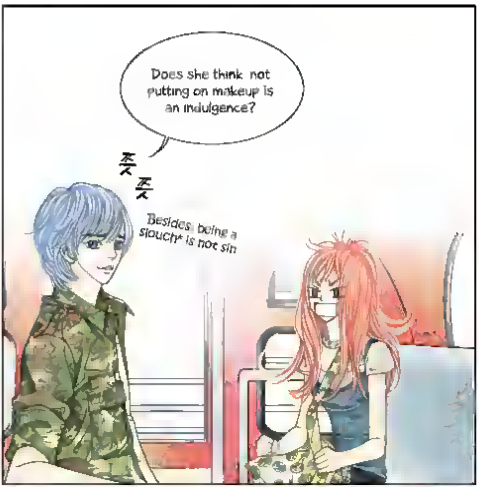


I did? Me? .. No way!
Why... you ..



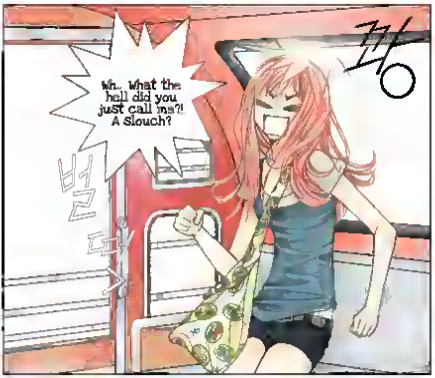
How could a woman go out without makeup?
I can even smell the odor of a dog from your hair
Muttering



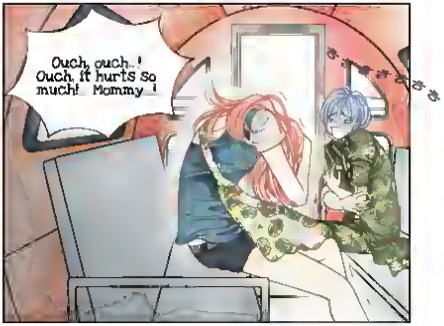


SFX: Tch, Tch

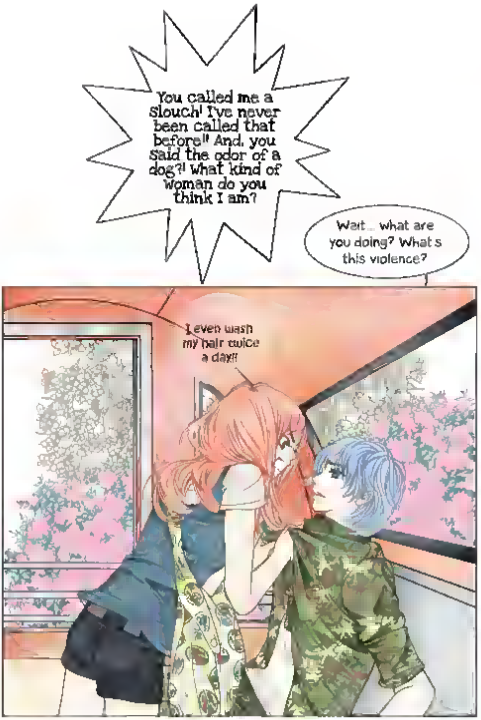
*TL note: a slouch means a loser who doesn't take care of themself



Wh... What the hell did you just call me?! A slouch?
SFX. Spring up
SFX. Slam



Ouch, ouch...! Ouch, it hurts so much! Mommy...!
SFX. Ha ha ha ha ha ha ha ha



You called me a slouch! I've never been called that before!! And, you said the odor of a dog?! What kind of woman do you think I am?
Wait.. what are you doing? What's this violence?
I even wash my hair twice a day!!

Ooh ~!
So, you wanna do it by force?

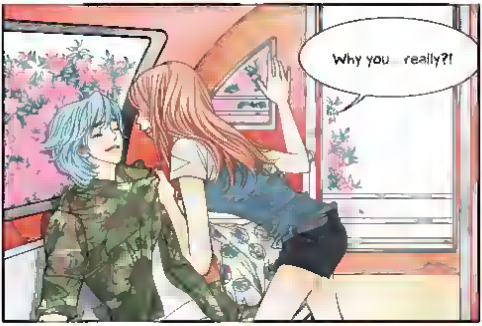
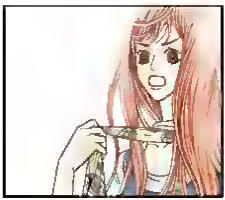
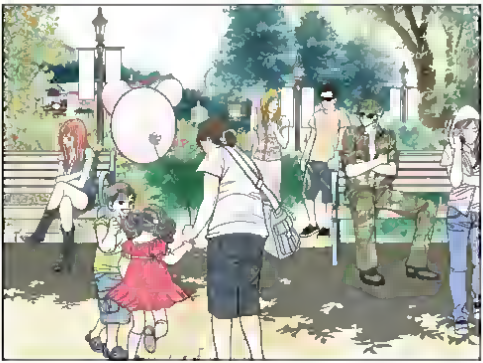
Chapter 10

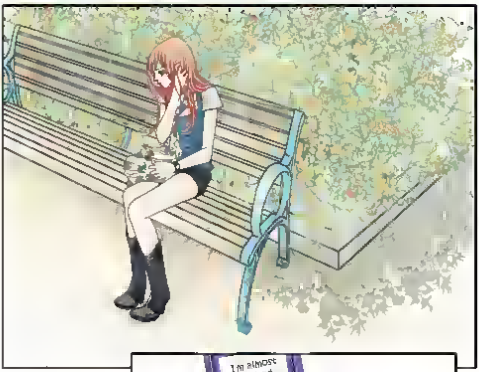
10. Some like it simple.



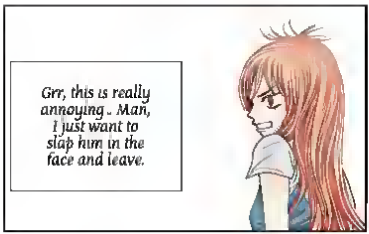
SFX. Opening



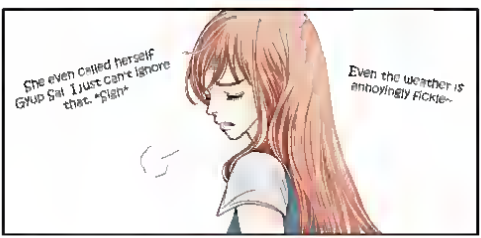




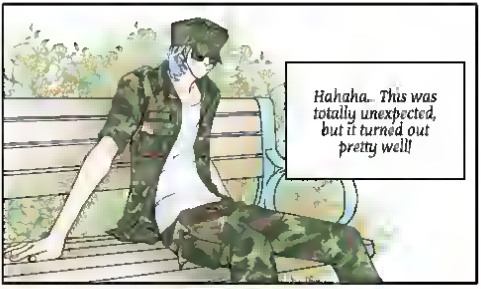
I'm almost finished really. Keep him a little longer. I owe you one Gaun Sa!



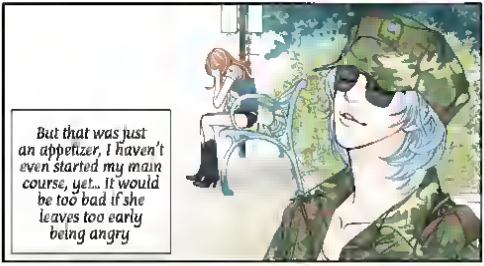
Grr, this is really annoying.. Man, I just want to slap him in the face and leave.



She even called herself Gyup Sal. I just can't ignore that. *Sigh*
Even the weather is annoyingly fickle~



Hahaha. This was totally unexpected, but it turned out pretty well!

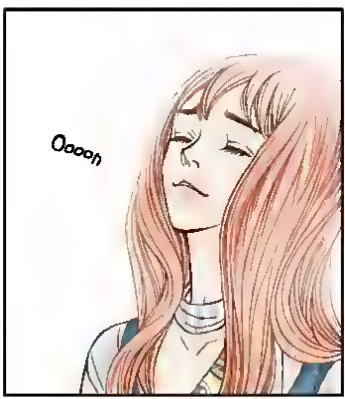


But that was just an appetizer, I haven't even started my main course, yet... It would be too bad if she leaves too early being angry

I apologize if my joke was rude.

Um... I didn't mean it. If I offended you I'm...

Sorry..

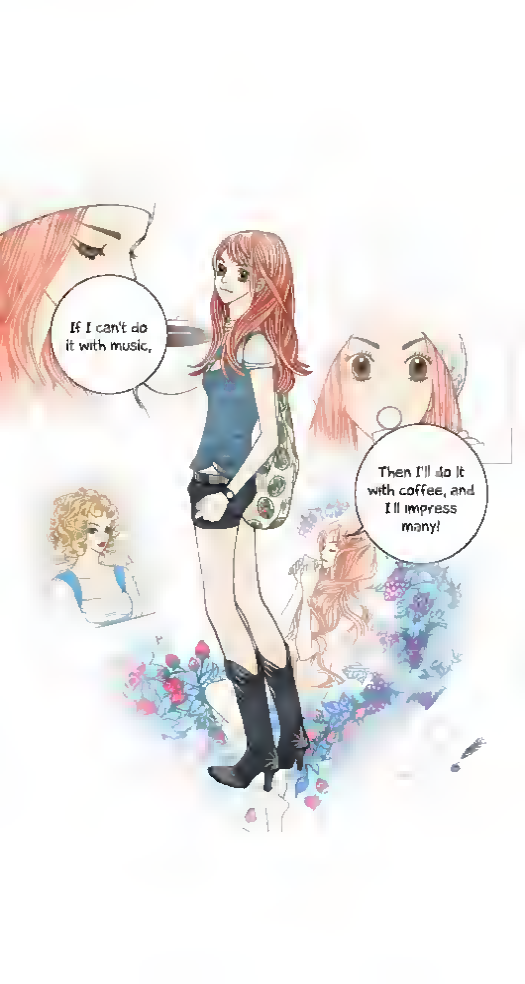


Ooooh

It's okay I don't get offended that easily. If that was your pay back from Cat's Eye Cafe,
That's right
Well, this is nothing compared to what I've done to you.
You weren't so bad yourself.

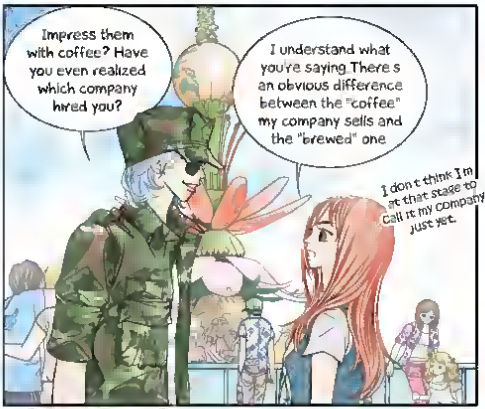
I want to thank you,
for reminding me of my forgotten dream

If a dream follows you, and whispers in your ear to find it,
you should just take the dream from where you are and start fulfilling it



If I can't do it with music,
Then I'll do it with coffee, and I'll impress many!

.....!

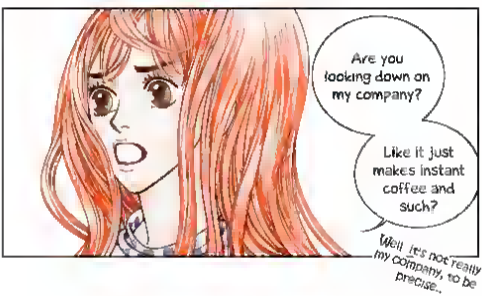


Impress them with coffee? Have you even realized which company hired you?
I understand what you're saying.There s an obvious difference between the "coffee" my company sells and the "brewed" one
I don t think I m at that stage to call it my company just yet.

Of course! I know how tasty "brewed" coffee is, and understand how complicated that field is by experience
I already drank one of your sister's wonderful Columbia Supremo "brewed" coffee..
Hohohoho!

That's our standard!
Do you call a cup-ramen a "ramen"? Or a ramen a packaged-ramen? There is an obvious difference between ramens and cup-ramens!

How could you call "instant" coffee just, "coffee"? Or even call "coffee", "brewed" coffee?
...!



Are you looking down on my company?
Like it just makes instant coffee and such?
Well, it's not really my company, to be precise..

I'm not denying how Korean coffee culture began with instant coffee, and its role in introducing Korea to coffee
Nor am I denying how Korean instant coffee is being highly praised world wide
From that point of view, your company has done a great job, but...
It's still too early to say your company...
Who is he? He's quite knowledgeable! Does he know all of this from his sister?...
Can't let him find out I don't know this...

But?
Do you think the companies that make a profit from selling instant coffee would like to see people drink the original or the top of the line coffee
and realize the "true" taste between the two? What will they benefit from the new coffee culture if people came to realize the difference in the coffee?
They probably want to stop it. Will they ever say to the people, "This is the true flavor of coffee."? Wouldn't that be like shooting yourself in the foot?

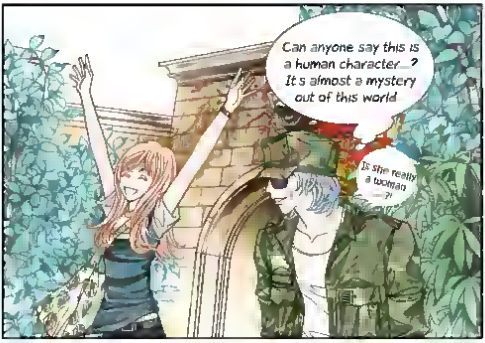
The same can be said about dreams, too. If a chicken wants to be an eagle, it would be as if a parrotbill tries to walk like a stork, it's legs will break.

If it was that easy and practical, why would it be called a dream? It's a plan or goal don't you think so?

You'll see. I'll make it happen. I'll show people the cup of coffee everyone likes, and appreciates. One where they can feel one's heart and sincerity.
I'll show them, I can do this where ever it might be!

Are you .. really that simple minded?
Yes. I m simple That s my character What s wrong with being simple?

I'm motivated and I'm strong I can do anything, and
I've made up my mind



Can anyone say this is a human character...? It's almost a mystery out of this world
Is she really a human...?
Yes! Big bro! Beep beep bee beep

Isn't someone calling you?
An alarm in the evening?
Oh... it's only m-my alarm. don't worry
It's ready now. Okay...!

Heeheehee she won't suspect why for I led her here while chatting Just naturally

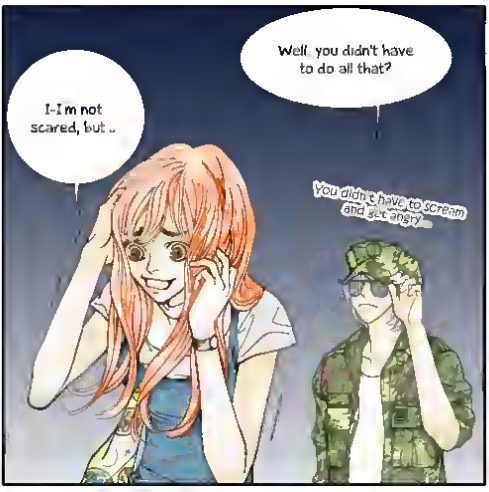
HOUSE OF HORRORS
HAUNTED HOUSE

Um .. Wouldn't it be disappointing if you didn't go into the haunted house at the amusement park? Oh we just happened to be here let's go in!
The weather is gloomy and it's just perfect
A.. haunted house?

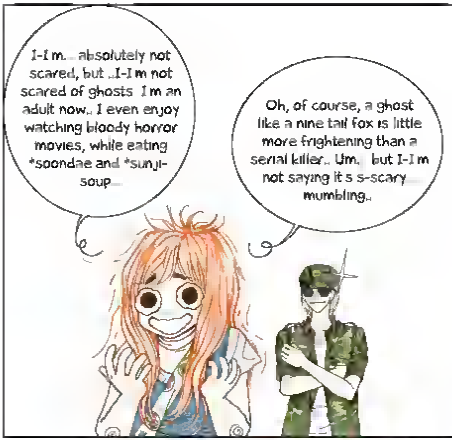
SFX Whoosh

NO!!!!!
!

SFX Tap



Well, you didn't have to do all that?
I-I'm not scared, but ..
You didn't have to scream and get angry!

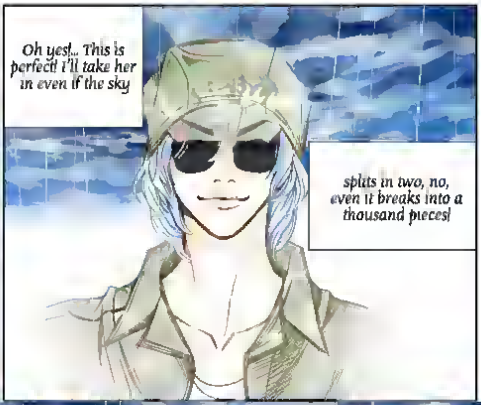


I-I m... absolutely not scared, but ..I-I m not scared of ghosts I m an adult now.. I even enjoy watching bloody horror movies, while eating *soondae and *sunji-soup...
Oh, of course, a ghost like a nine tail fox is little more frightening than a serial killer.. Um.. but I-I m not saying it s s-scary... mumbling..

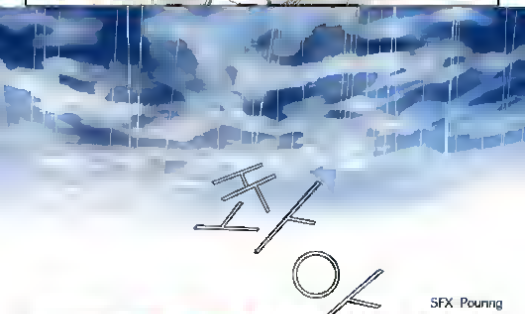
SFX: Gibbersh

힘 들 수 들

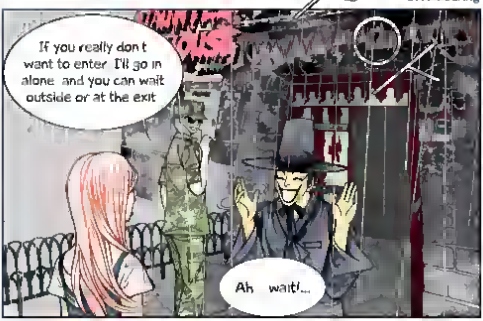
* sunji-soup is made of cows blood looks like jello
* soondae is made of pig s intestines stuffed with ingredients



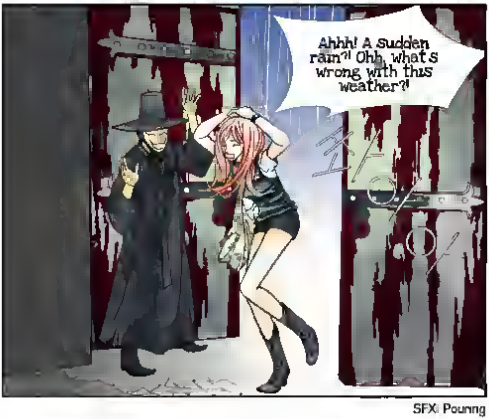
Oh yes!... This is perfect! I'll take her in even if the sky
splits in two, no, even it breaks into a thousand pieces!



SFX: Pouring



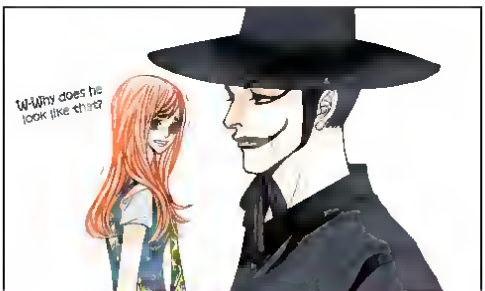
If you really don t want to enter I'll go in alone and you can wait outside or at the exit
Ah wait!...

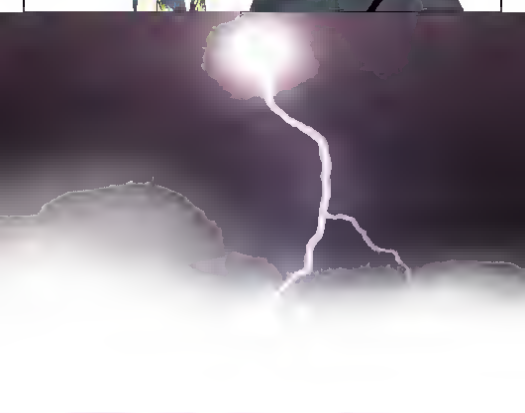


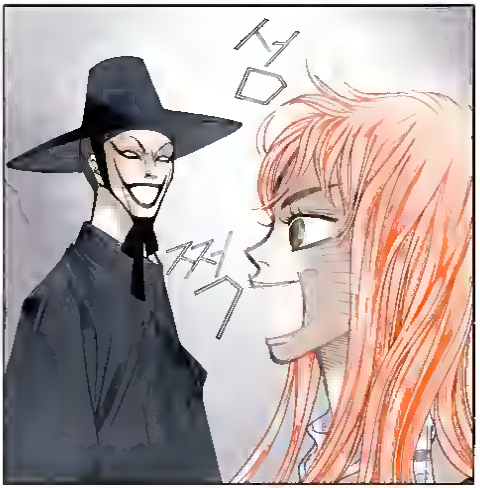
SFX: Pouring

Come on, you're not a kid any more are you scared?
wait! You can't leave me here alone !

Oh... I-it's kind of scary. There's no one passing by, to make matters worse, it's gloomy and raining too...







SFX. Flashing

SFX. Thundering

wai... wai
wai... wait!

What did
I do...?

That bastard,
I knew it

Big bro This is Yeol Hello? Big bro, it's me Hee Yeol Can't you hear me? Yes?

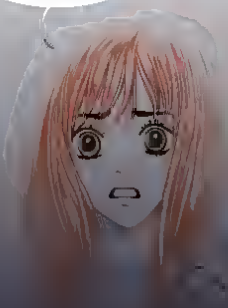
Bong Gil and Seong Bum? Those bastards do they want to die ?
I'll have to show them who's scarier Byung Tae or me

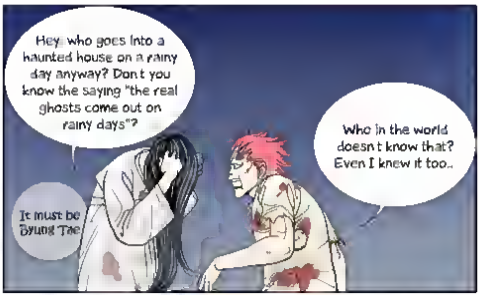
That bastard Byung Tae he really makes me frustrated

Hey, Where... where are you? I'm in...!

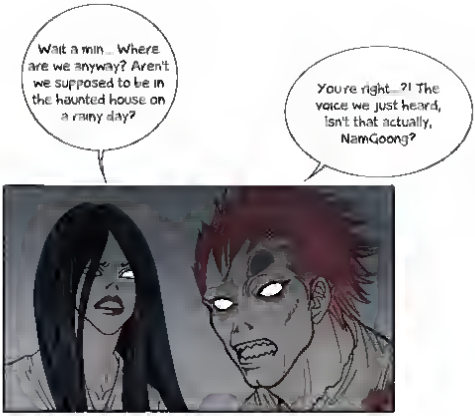


SFX: Tap

Did you hear that? I think Byung Tae's here! let's get ready
The signal was sent a minute ago! they couldn't be here already?!



Hey! who goes into a haunted house on a rainy day anyway? Don't you know the saying "the real ghosts come out on rainy days"?
It must be Byung Tae
Who in the world doesn't know that? Even I knew it too..



Wait a min... Where are we anyway? Aren't we supposed to be in the haunted house on a rainy day?
You're right...?! The voice we just heard, isn't that actually, NamGoong?

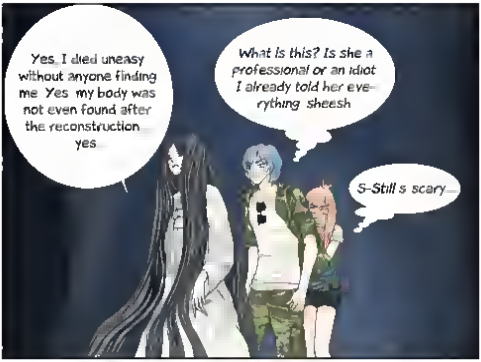
Didn't you hear that marines catch ghosts? Don't you dare
II人

SFX. Pop

I've told her everything so just beat it. That'll make you look better.
.....

Anyway, great job. I don't know about the ghost costume, but I'm impressed. You turned out to be a pretty ghost... someone low-class like yourself.
.....!

SFX. Hoo hoo hoo hoo SFX. Ahhhhhhhh SFX. Gah gah gah gah SFX. Ahhhhhhhh



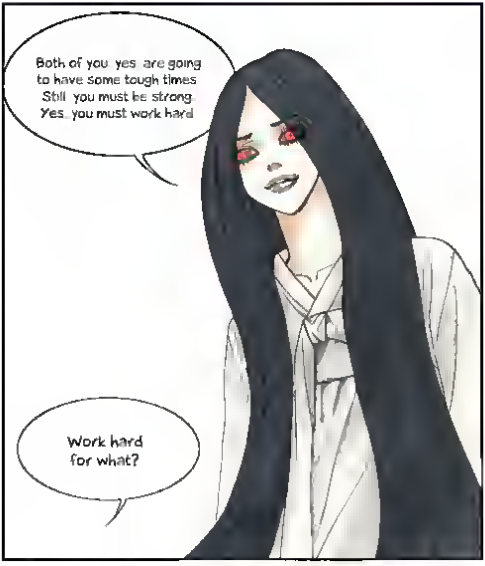
Yes. I died uneasy without anyone finding me. Yes. my body was not even found after the reconstruction... yes...
What is this? Is she a professional or an idiot I already told her everything. sheesh
S-Still s scary...

Yes. I miss the warmth. Yes. thanks to you. Yes? Yes.
Stop that, will ya!
Nobody s talking to her. yet she s talking to herself... She looks really insane.
Maybe a real ghost.

The exit! We're saved!

I can't go any further.
I won't go. Listen to me.

?
It's very important



Both of you, yes, are going to have some tough times. Still, you must be strong. Yes, you must work hard.
Work hard for what?

Everything is going to be very difficult... very
?

Thanks but I'm still a ghost
I should bid you farewell with style.

HAVE A NICE DREAM.
Hell night~.

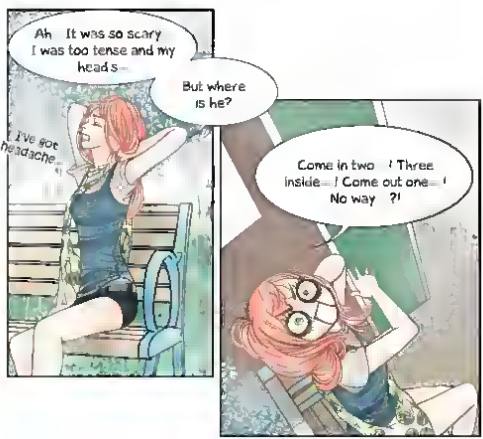
HUH?!

Sfx. AHHHHHHHH
Hey! Yra!!

Hey! Take it easy will ya! Even if you spent a lot of time on it!

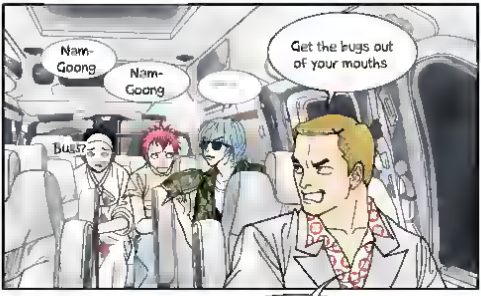
Uh?
Where did he go?

Hah, hah~!
Where am I? How long did I run?

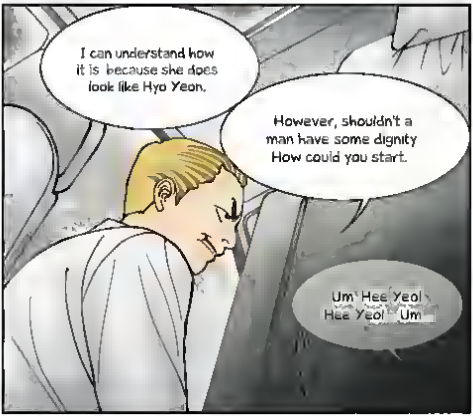


Ah~ It was so scary I was too tense and my head is~
But where is he?
I've got headache~
Come in two~! Three inside~! Come out one~! No way ?!

Byung Tae, how could you do this to the boss? Learn to keep appointments okay? You don't have any time for this?
I had some things to take care of



I'm very pissed off right now. get your acts together! You shouldn't be fooling around



I can understand how it is because she does look like Hyo Yeon.
However, shouldn't a man have some dignity How could you start.
Um Hee Yeol Hee Yeol Um

What?

Do you want to survive the rest of today?

I... I've got my foot in my mouth! Let's find out who's right or wrong at the head-quarters, yeah? First we meet with the boss... o-okay?
I made a mistake S-Sorry

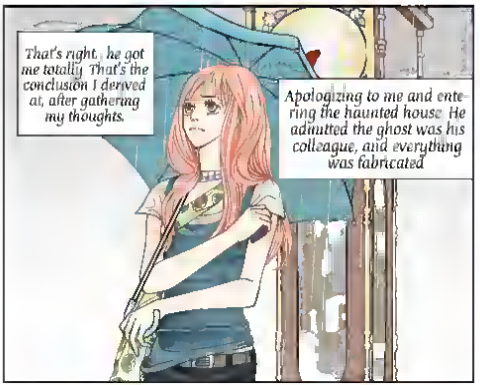
.....

You did a good job... You did well preparing this one for me
Man, we didn't even see you! Hee Yeol pulled us outside the moment we got in!
What job?

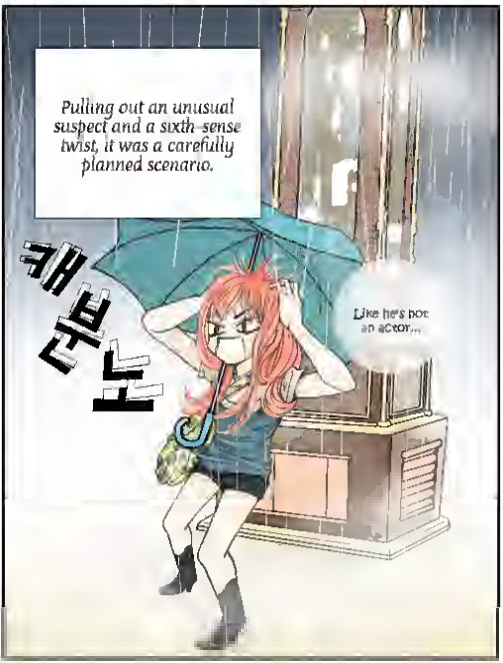
What.. ?

Then... then, that was...?

What is the genre for this manhwa...?
I don't know dude...

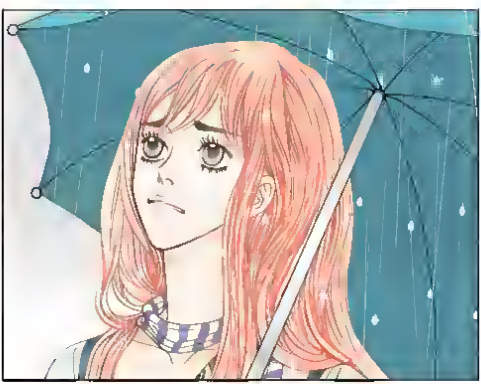


That's right, he got me totally. That's the conclusion I derived at, after gathering my thoughts.
Apologizing to me and entering the haunted house. He admitted the ghost was his colleague, and everything was fabricated



Pulling out an unusual suspect and a sixth-sense twist, it was a carefully planned scenario.
캐릭터
Like he's not an actor...

SFX. Enraged

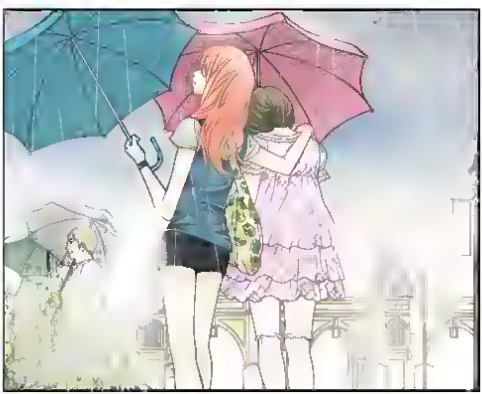


Fine. I don't want revenge.
But, I'll make him apologize for laughing at my dream.
The world is small. There is Cat's Eye and I won't make a call even if I know its number.
I'll show them. Me in the future, standing boldly living my dream. The Crazy Coffee Cat!

Yra!
Eun Gang!

Where's NamGoong Yoon?! NamGoong Yoon?! Did he leave? Gone?
Hey! Do you realize what time it is?!
Oh my, how could she be my friend?

SFX. Grumbling



Somehow... I feel like something is missing...

Right. Just another bad encounter

I just want to have a deep, good night sleep tonight.

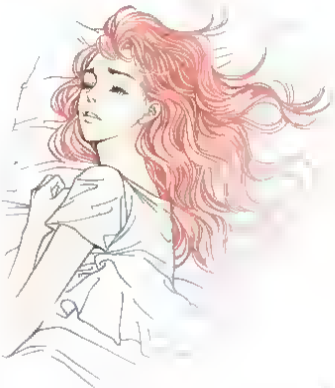
 # 12 *Minority Report*

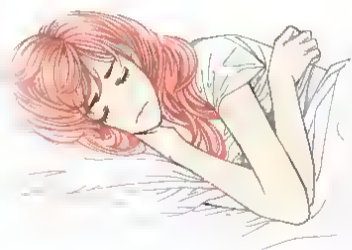
I was sick for two days.

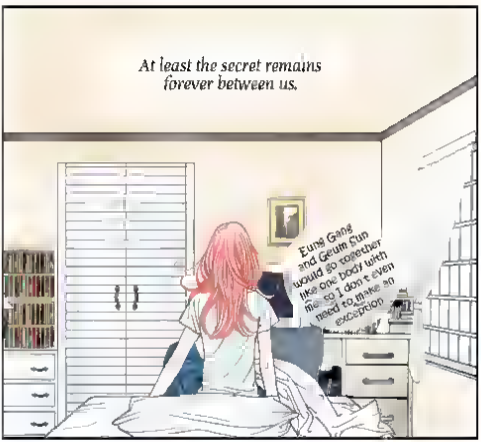
I don't know if it was the rain, or the tension, or meeting with him that day that was like a fever itself



I heard that kids who get better after high fever grow a lot all of sudden. Did I grow some, too?

He kept his promise,
and I kept mine. This is a
zero-sum game with a special
meaning. There is no relationship
between us. This is no different
from when we started.

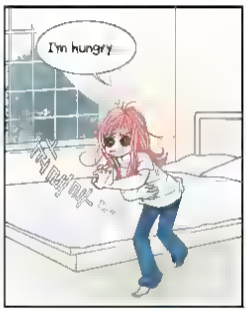




At least the secret remains forever between us.
Eung Gang and Geum Sun would go together like one body when they're me, so I don't even need to make an exception

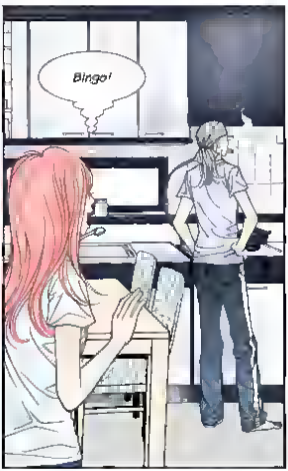
Woo gya gya gya! It feels like all my bones are shattering~
Krrauns

Ugh!

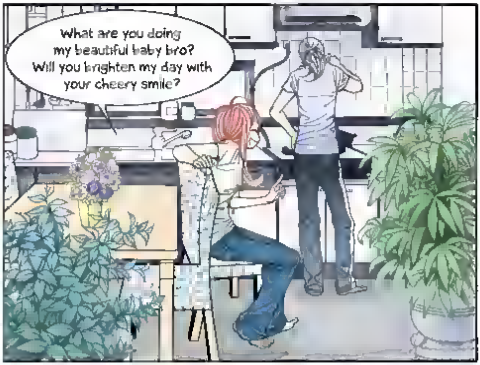


Sfx. Grumbling

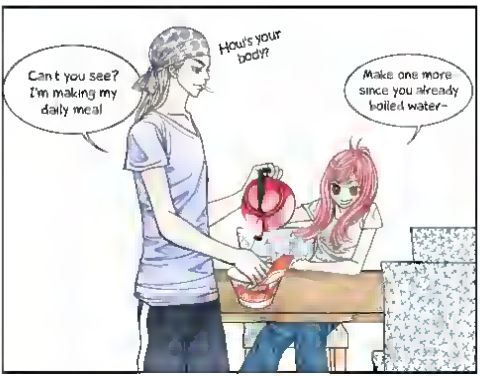
Where's Mom?
Your Daughter was dying!



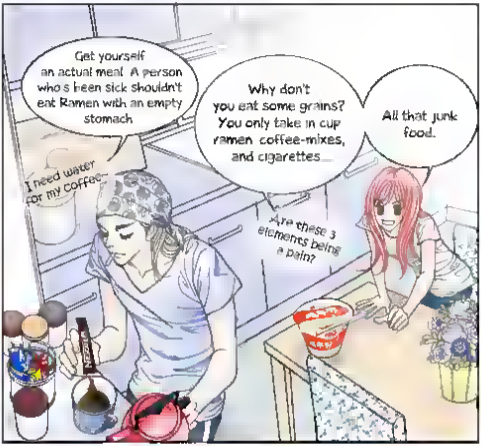
Bingo!



What are you doing my beautiful baby bro? Will you brighten my day with your cheery smile?



How's your body?
Can't you see? I'm making my daily meal
Make one more since you already boiled water~



Get yourself an actual meal. A person who's been sick shouldn't eat Ramen with an empty stomach.
I need water for my coffee...
Why don't you eat some grains? You only take in cup ramen, coffee-mixes, and cigarettes...
Are these 3 elements being a pain?
All that junk food.

They're good for mental health

Hey. Where are you going? It's been a while since we last saw each other. Let's talk.

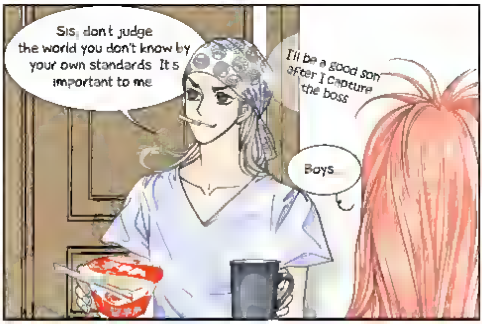
Sfx: Dash

I'm busy now. There's going to be a raid soon.
BAM
What? That online game again? Pull yourself together! You have to make sure you know the difference between what's real and what's virtual!



Sis, don't judge the world you don't know by your own standards It's important to me
I'll be a good son after I capture the boss
Boys...

Fine
I won't keep you for a long time.

You do know I have company training in three days?
Could you answer few questions for your Sis who just got hired at a coffee company? Just think of it as a survey
What is it?

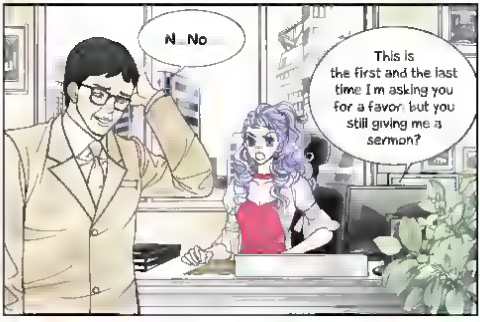
What does coffee mean to you? I'm not expecting big words like caffeine or health so tell me anything that comes on your mind.

Potion (a term used on online games)= liquid medicine=

Why do I ever expect things from you?
Go ahead. Get yourself a level-up

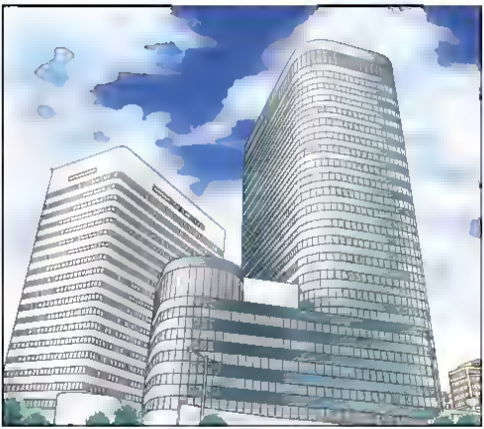
Thank you for your effort.

I did it because you asked me a favor, but I'm not working here to do things like this. So next time,
I told you this is the last time I'm asking you a favor



N...No
This is the first and the last time I'm asking you for a favor, but you still giving me a sermon?

Idiot Then you shouldn't have taken the money
So .sorry



I knew it..
He has had too many courses together with her over the course of three semesters ever since he returned to school

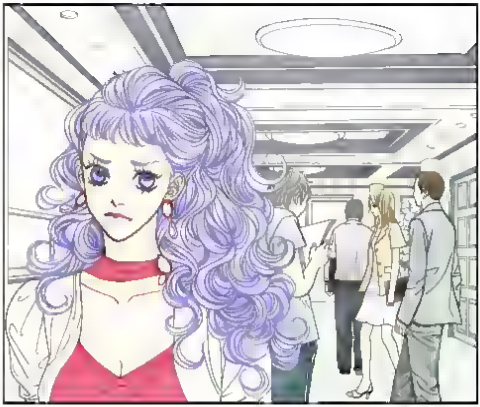
I don't think Wie Ji Won would expose himself by telling somebody which family belonged to while in school..

Could it be that he..?
No way.. But he doesn't
like air headed girls?

That s-very you- (Song by Kang San Uh)

There must be
something. It's impossible to
graduate from this school
with those grades.

How could
our company accept her?
Wie Ji Won must have
backed her up



I'm anxious to find out.

You're the new trainees management team correct?
Put my name on the trainers list

What?
What the hell is she talking about..

Oh you don't know who I am? I'm Sunny Kim
SUNNY KIM
Of course, we know who you are~ But we're saying How about your strategic planning duties
This isn't simple as slicing sushi

I know how you feel but you'll feel much better after you add my name on the list..okay?

What's going on this year? Did somebody start a war?
I don't know. It started with Manager Sung Moo Baek, and now it's Sunny Kim...

So, shall I see that person's face?
Manager Sung Moo Baek! no he's a director now
No, not yet girl He hasn't gotten OFF Ciel approval yet, right?
But isn't he already acting like a director?
That's it

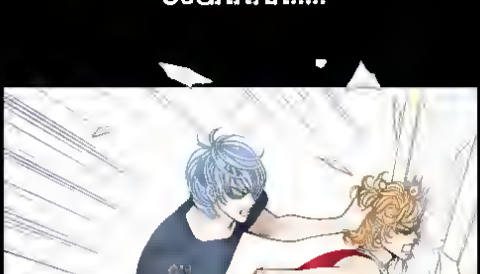
Was becoming a celebrity your dream?

No
My dream is to fly up in the sky
Then
be part of the air force? A pilot?
Ha ha ha.
You think so?
I'm living the dream now~
What~!
That's silly!!!

I don't know what you're talking about

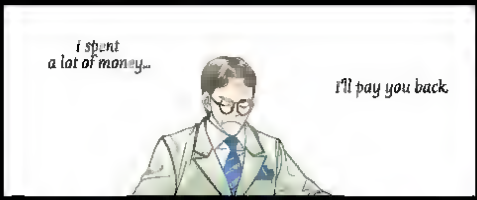
Don't act so naive, idiot. You already know about this field, don't you?

OUCHHHH!!!!!



Kill that bastard!!!

Get him!!!



I can understand it a bit.
She did look like Hyo Yeon-

Yes.
She does look like her a little...
She has no manners as well...

Oh, man—
What the hell are those little bastards doing...!

What's going on in their heads really!
Shoot~ Those idiots really know how to ruin things!
Hee Yeol.
What?

I wanna take a break.

What?

We just finished the soap opera~ I wanna take a break

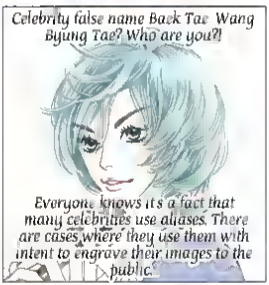
What?
You are the most idiotic person of all idiots!
!
ARGH!!!

I don't wanna be called an idiot by an idiot
Hey you crazy...!!!

Boss! Let's do something about Byung Tae right now!! He doesn't know the limit of the sky!
Just cause that bastard's got some some popularity !

Right. Let's do something about Byung Tae
Oh, boy What a bolt out of the blue~

What is it?



Celebrity false name Baek Tae Wang Byung Tae? Who are you?!
Everyone knows it's a fact that many celebrities use aliases. There are cases where they use them with intent to engrave their images to the public.

Where s the article from? Who s the reporter?!
It s from Movie Culture The reporter is a freelance writer Someone informed them and they judged it was incredible so they decided to publish it

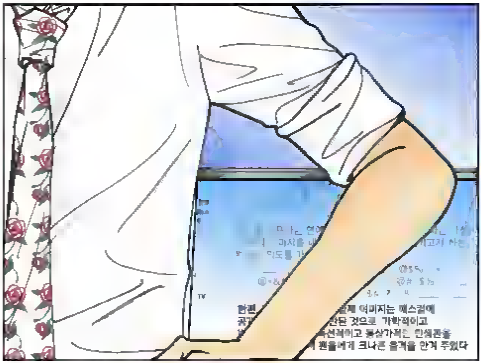
How can Movie Culture do this to us?
It's probably because they have a grudge against us for giving an exclusive story to Celebrity Heaven. It's useless complaining.
We're at disadvantage if we complain. People are going to wonder why we are overreacting over such a false claim.

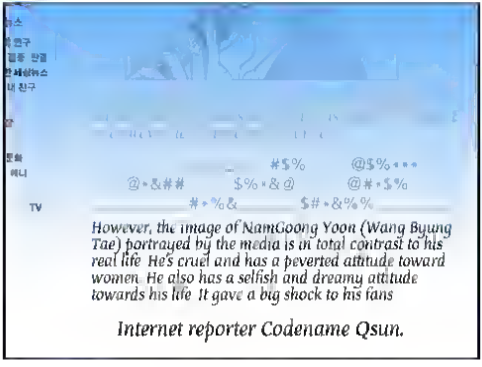
Tell Yoon to take a break, and you should take one too It's not from a major publication, so time will take care of it.

Well .. Then. ?

We already pulled out the phone plugs We are not responding to any interviews or emails

Don't tell Byung Tae He'll find out by himself
Yes ..





However, the image of NamGoong Yoon (Wang Byung Tae) portrayed by the media is in total contrast to his real life. He's cruel and has a peverted attitude toward women. He also has a selfish and dreamy attitude towards his life. It gave a big shock to his fans

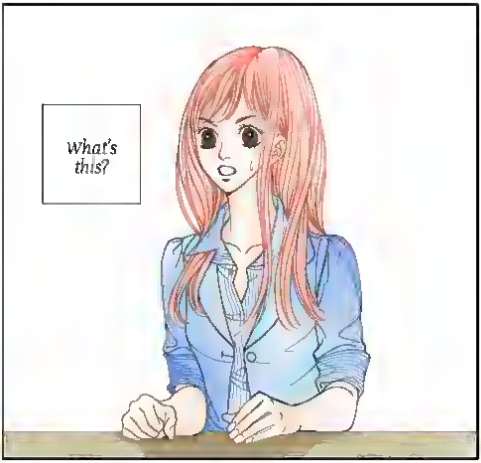
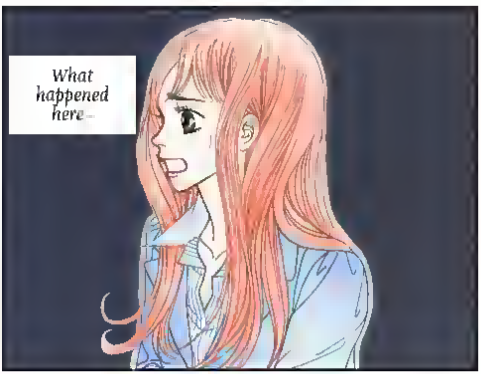
To this New World



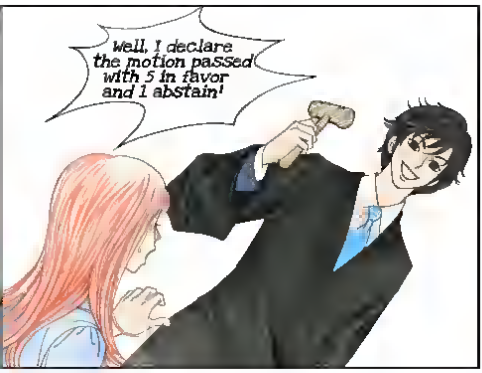
What's this?

Does anyone object to Ko Yang Yra as president?!

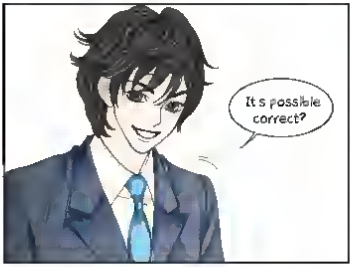
I object using the superficial majority vote system but I'm in favor for Yang Yra as president.
If I object, would it seem treacherous?
I'm in favor.
There's no objection~



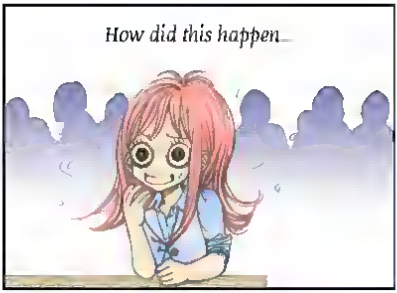
What happened here~



Well, I declare the motion passed with 5 in favor and 1 abstain!

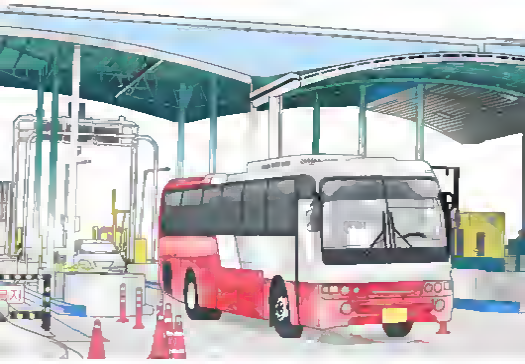


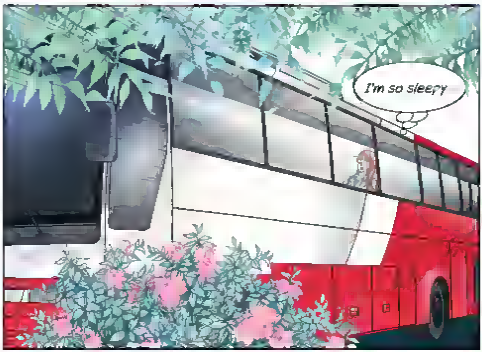
It's possible correct?

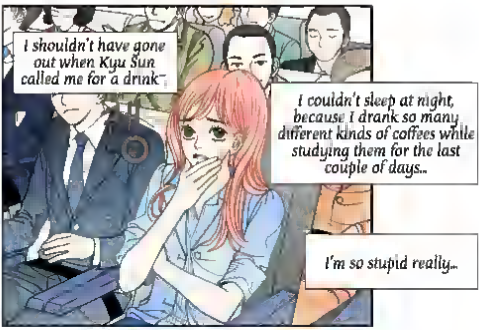


How did this happen...

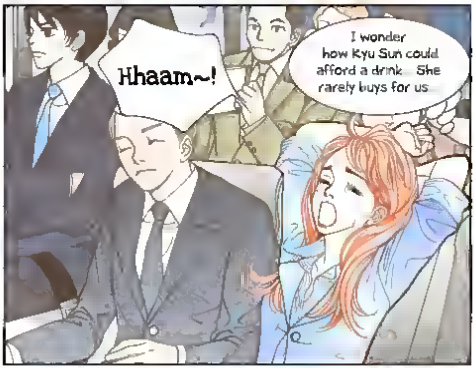
Three hours ago.



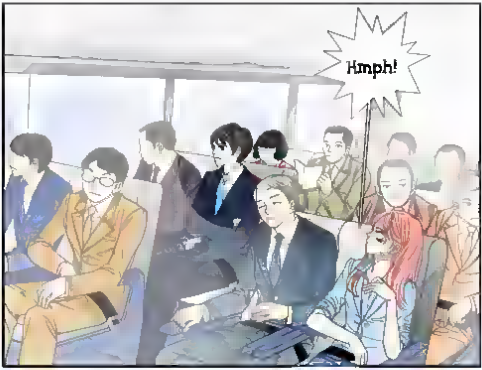




I shouldn't have gone out when Kyu Sun called me for a drink.
I couldn't sleep at night, because I drank so many different kinds of coffees while studying them for the last couple of days...
I'm so stupid really...



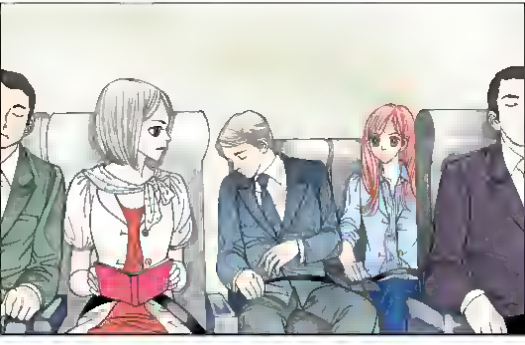
Hhaam~!
I wonder how Kyu Sun could afford a drink... She rarely buys for us.

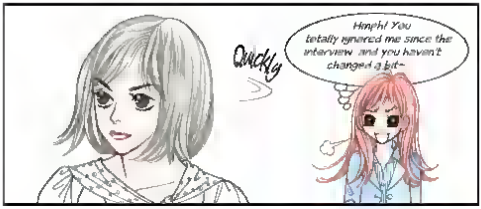


Hmph!

Oops oops I m so embarrassed~ Fortunately he didn t see me, hyeeoo

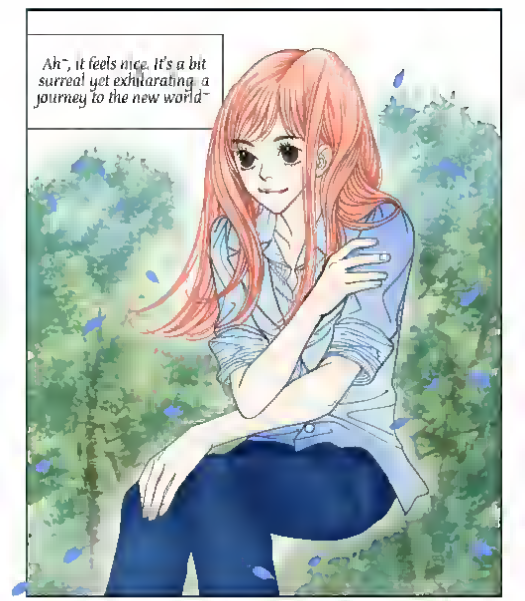
Oh~ Glorious Korea Young Kwang! I wonder what he is thanking so intensely right now...





Although they appear calm, I can sense their nervousness. They must be. After all, this is the first time they're out of the well.

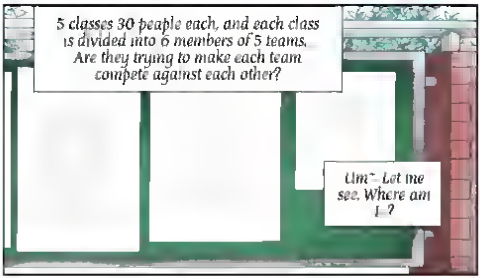
It feels like opening a door into the new world~.



The schedule is for 16 days and 15 nights. Take a deep breathe here, wow~ I am so excited~

환
Welcome, Southeast Staple's
new trainees 'Fresh Co-workers!'
영

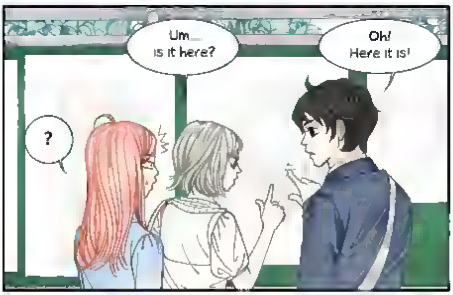
Wow they hired 149 people? That's quite a lot. The company is much bigger than I thought.
I can't believe the notice is hand-written, how could it be so primitive. This isn't like a college entrance exam.
Why did they hire so few women? There are bunches of men...



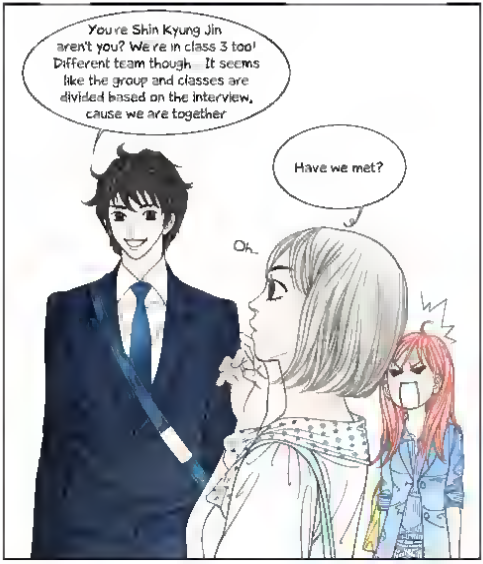
5 classes 30 people each, and each class is divided into 6 members of 5 teams. Are they trying to make each team compete against each other?
Um~ Let me see. Where am I..?

.....?
Class 3 team B.

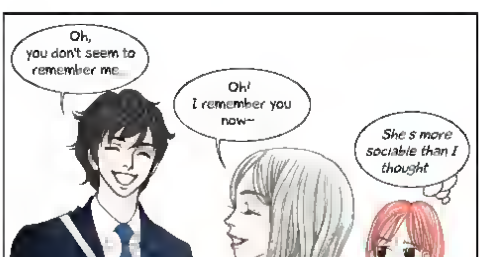
We're in same class and the team. Kong Yang Yra? Do you remember me? At the interview?
Ah... yes I remember you. Oh... you're Young Kwang?
I can't believe I'm doing this. Is it a woman's instinct to act innocent.



Um... Is it here?
Oh! Here it is!
?



You're Shin Kyung Jin aren't you? We're in class 3 too! Different team though... It seems like the group and classes are divided based on the interview, cause we are together
Have we met?
Oh..



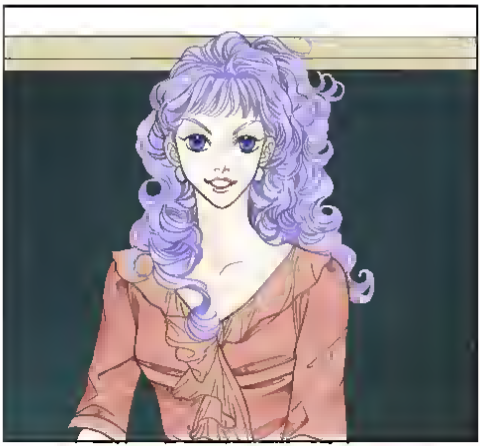
It feels like
orientation day for freshmen.
Well, I'm a freshman here
anyhow.

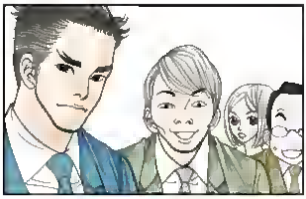
I'm Song Soo Kwan
deputy section chief for class 3 and I'll be working with you for the next 16 days. Call me *'sunbae' when you adress me.
Except for the mass training at the auditorium lectures or evaluations, all the training will be conducted at class level so I would ask for cooperation with my training
I'm Sunny Kim
If you're feeling charmed, try calling me Sunny.
But there will be consequences so choose carefully

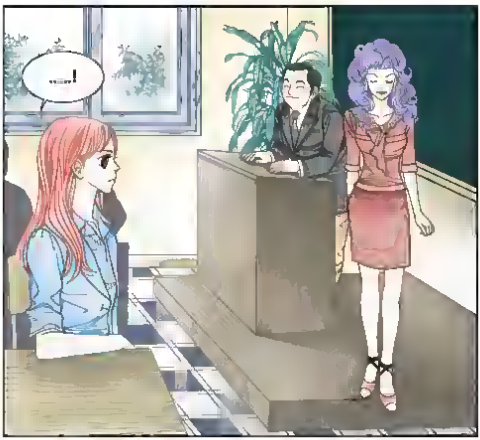
*sunbae means senior

Personally,
I don't like someone who cuts corners, and I tend to favor employees who are active and diligent

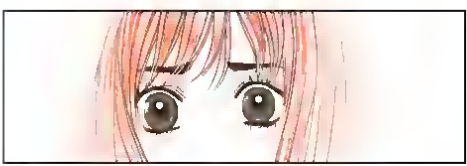
Now that you belong to the organization, I expect you to put the organization above all





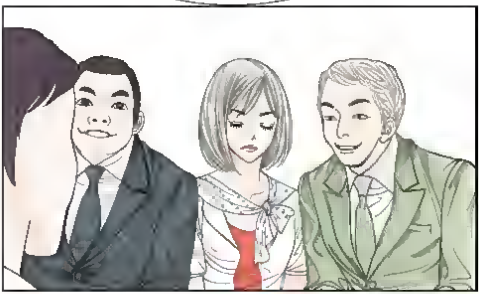


Am I wrong or was she staring at me just now?



To make it dynamic, the role of the six members will be different however, you will need to choose the positions among yourselves
First, there is the 'president' who will be the leader and will represent the team

Each team will also have a clerk who take minutes and write the daily journals and the servant will be someone with no qualms about physical labor



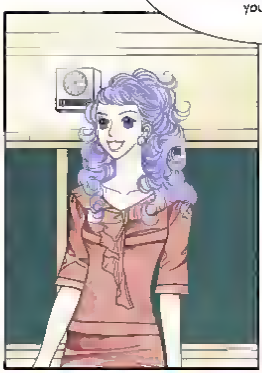
Next there Is the messenger who will be seeing our faces and delivering any messages to us

Finally the 'spare'
This person need not to do anything but you may bestow a special role for him It doesn't really matter

Of course
except for the 'spare' you are given enough autonomy to costumize each of their roles

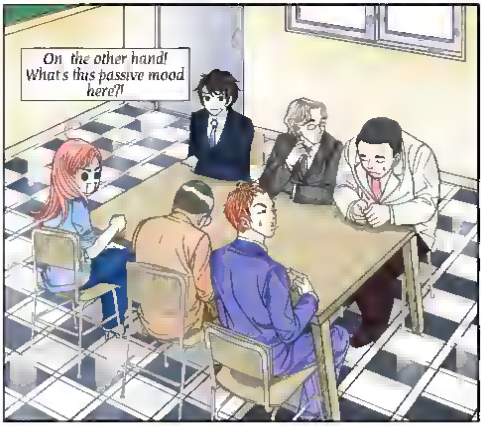
I'll give you
30 minutes so please introduce among yourselves quickly and select the positions Also choose your creative team names

Afterwards
each team's messenger please find Song Soo Kwan clerks and servants come see me After 10 minutes the president will introduce your team

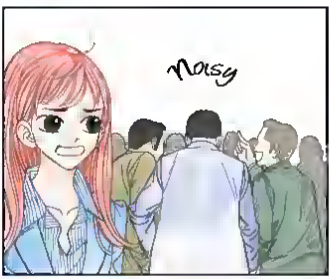


Wow!
What an enthusiasm, it's even giving me chills.

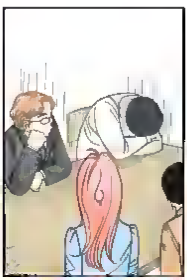
I feel enormous energy...



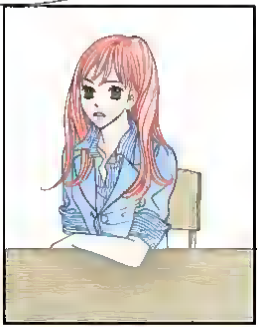
The other teams are so active~!



Oh~! What's wrong with these men~!



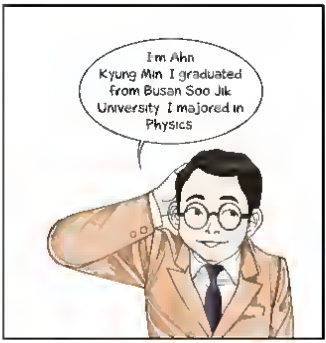
My Name is Oh Young Kwang from Yeal Sea University majored in Chinese Literature



I'm Ko Yang Ira from Kyeo Ryo University majored in Business Administration and graduated last in my class!
Hahahahaha!
* Ko Yang Yi?
Last place? Heh!

* It means cat

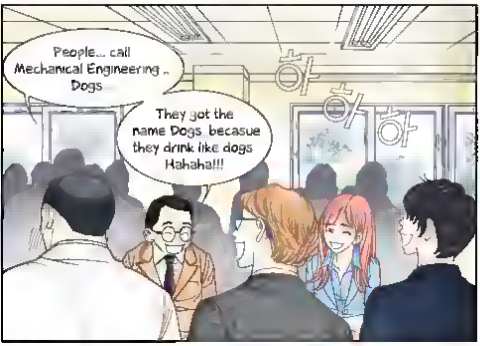
I'm Chun Soo Jin and I have Master's from Sung Kwon University majored in History and stopped studying
I'm military duty exempt so I'm pretty much same age as you men. Ha ha



I'm Ahn Kyung Min I graduated from Busan Soo Jik University I majored in Physics

I'm from Chunju Il Sang University majored in Dogs and I have no problem in doing physical labor The name is Kim Shi Hoon

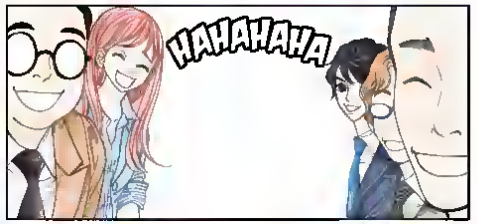
Dogs?



People... call Mechanical Engineering .. Dogs...
They got the name Dogs, because they drink like dogs Hahaha!!!
하하하

I'm Byung Young Chul
From Chung Ik University
majored in Industrial Design
I'm a bit crazy, but you'll find me reliable if you get to know me

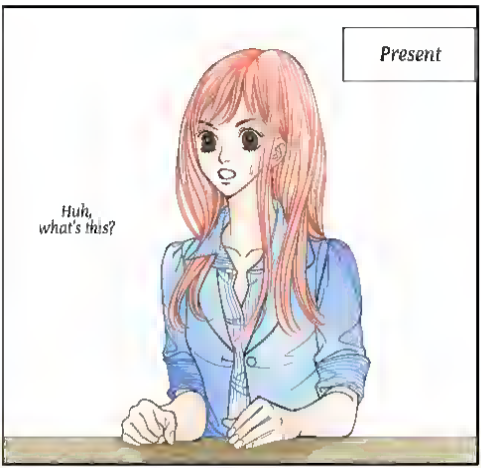
Crazy...



HAHAHAHA

We have a couple weeks here so we have plenty of time to get to know each other~ Let's start choosing the roles and the team name.

I nominate Ko Yang Ira as the president! I'm sure there's no need for a vote but still shall we have a majority vote?
What?!!



TL-Note: The author will be taking a break in next episode but he'll introduce some rough sketches drwan using his foot and answer a couple of fan s questions

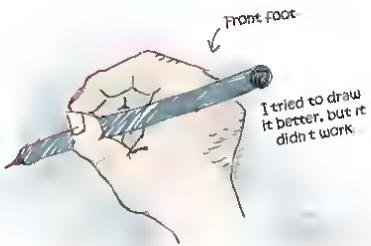
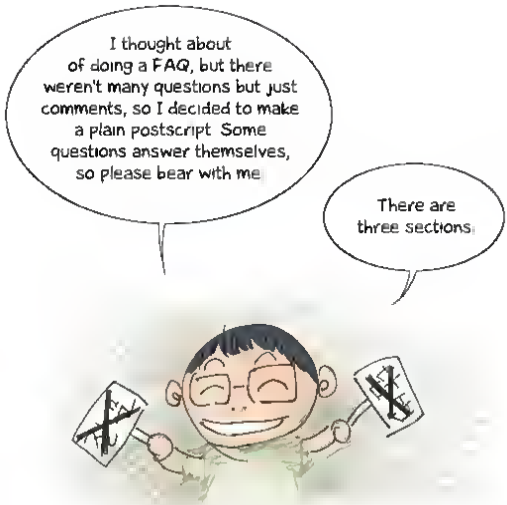
14 *Postscripts Made with a Foot*





I thought about of doing a FAQ, but there weren't many questions but just comments, so I decided to make a plain postscript. Some questions answer themselves, so please bear with me.
There are three sections.

1 The story behind the creation of CCC

C worries about the shrinking manhwa market.

One day when I am feeling extremely manly, I felt it was my responsibility to care for her.

SFX Burning
화르르르
I'm fat so I have a large stomach_!
Hahaha! My love C! You can tell me your concern! I'll take care of it for you!!!
It's not something you can deal with. You know, about the manhwa industry...

Readers have never ignored Manhwa. Perhaps manhwa is closer to people than ever before. Don't you think what you worry about is not manhwa but its hard-copies sales

Maybe the future of manhwa is in the web and not on paper. Why don't you try making web-toons. Besides, you have good feel colors and like them, anyhow.

Do you know why women's manhwa magazines are typically biweekly? It's because female authors can't take it physically.

If the manhwa is fully colored, there is no way we can finish it weekly, it's way too much for me unless you help me write the storyline.

Well, I, God of Eating, never planned anything accept when I the daily vacations chart in elementary school. Even then, I did it without thinking

What about an unidentifiable alien coming to planet earth? ...Yes? Oh, of course, it's a romance, really...

Don't rush it. I'm not in a hurry.

Trust is the motto for an extreme type A person

I must do it... I will and I will...

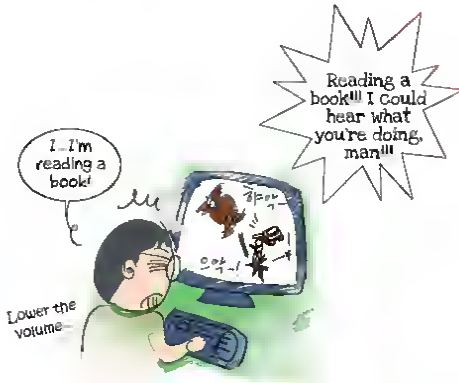
After passing the first screening I receive a proposal from a publication agency while I was still tinkering with the three storylines

All three are funny! What do I do? They are all my babies, how can I throw away the other two!?
Don't just write synopsis Why don't you start writing something?
Why don't you explain why you wanted to write about 'coffee' and the title is Barista?
Editor Kang

I don't know the reason, but I felt I needed to this, like an electrifying intensity

I don't like the title Barista Wouldn't eight out of ten think the title Barista if they decided to make the coffee manhwa
I picked you up under the bridge
FLASHING
Dad!

Although I bought about 10 coffee related introductory and educational books and thought about the background of the story and the long term plots, I couldn't come up with the title and the main character. But one day...



While I was swimming breaststroke in a swimming pool, and recalling the days I was hired at a company ten years ago, and muttering a favorite song in my head at the same time, suddenly an idea just popped up.

I'm going off the rail of the crazy train~♪
Puuuh
You seem to like baseball?
No, I like basketball
It says here the reason you applied to our company is you like L. from Twins?
That that that s because I

It's still a mystery how I got hired.

While mine was a mess.

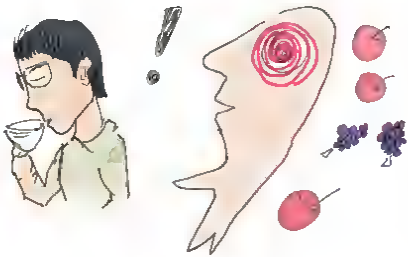
While mine was a mess...

CRAZY COFFEE.....!

2. A Barista at Home.

There's a limit to how much information a book could provide and time doesn't allow me to take a more technical course

At the time when I liked coffee and espresso from vending machines, and never knew the world of the straight coffee, I encountered first time the new world from cafe which brewed coffee superbly. The straight coffee that I tasted for the first time was Columbia Supremo

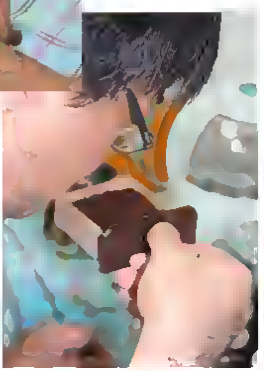


When I experience it first from a cafe that brewed superb coffee, a new world opened to me. That straight coffee was a Columbia Supremo

In fact, most of my stories based on experience. Except stories like "Overland"

I did everything.
I bought grinders, servers, drippers (mills, karita, kono, etc..), filters, and french presses. I even imitated drips done by experts

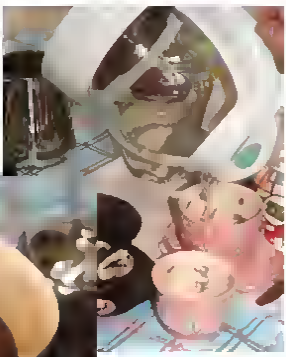
I like this stage the most, the coffee grinding. The odor from the liquid coffee is called 'cup aroma,' and from the powder state is called 'dry aroma.' I'm addicted to the dry aroma.



I use the smell time to time to keep me awake, and it works much like the drinks.

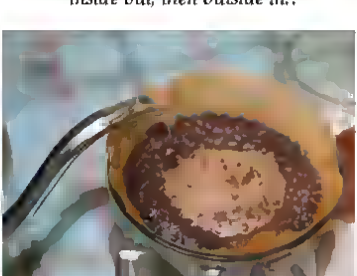
Fold the filter appropriately and against it much as you can, and pour little bit of water.

Use purified water. Old boiled water should only be used for warming cups and servers



Use a small quantity of water to make a channel for the coffee. It also slightly steams it. If you are using fresh coffee beans, you can see it "breathing".

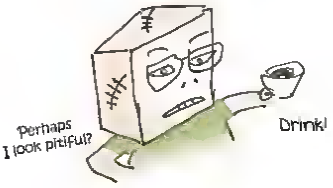
To make the drip, be sure to use heated water. Hand control is very important. To make a whirlpool design, turn your hand inside out, then outside in..



Making the drip varies from individual to individual. I didn't have an instructor. Instead, learn from books and the clips of different baristas, so it's a little clumsy

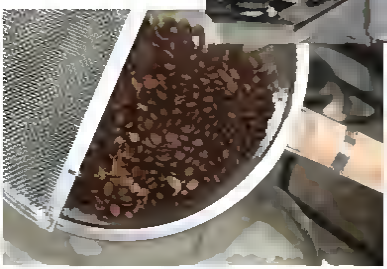
After 4 months of many trials and errors, I can now confidently say my skill in coffee making is pretty good. C, my only pupil, and W liked my dripped coffee!

I don't think they say that because they're scared of me?!

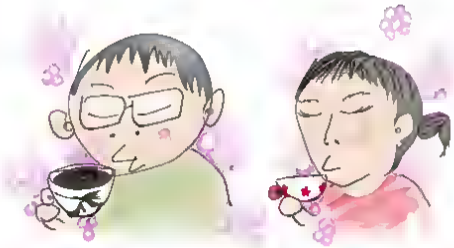


Recent consumption of coffee in the studio has increased (of course I drank the most of it) when I bought the beans, and roasted it personally instead of using commercial pre-roasted beans.

It was an inexpensive method and quite enjoyable than I thought!



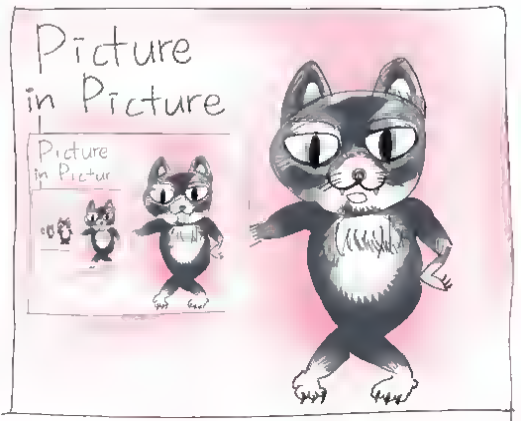
Of all the straight coffee, C and I favorite is Tanzania and Sidamo (an Etheopian coffee) respectively. Of course, we also like very expensive coffee like Luwak and Blue Mountain.



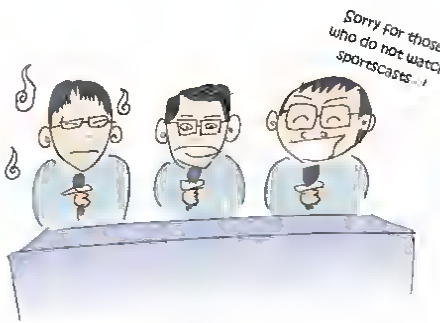
We planned for the very long manhwa, and we'll be emphasizing the topic of coffee. Of course, the storyline comes first. It's a manhwa that deals with coffee not a manhwa about learning coffee!

A/N: I apologize to expert baristas that I acted I knew coffee. Just treat me as a baby. ^^;

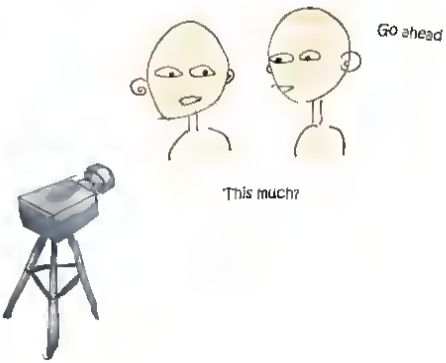
3 *Appendix in Appendix*



I want to introduce an episode
that happened during sportscast as a bonus
(As people know I also do a sportscast)

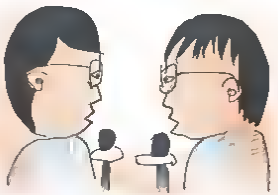


Sportscasters normally never leave their sights from a camera and turns one's head only slightly to talk to one another

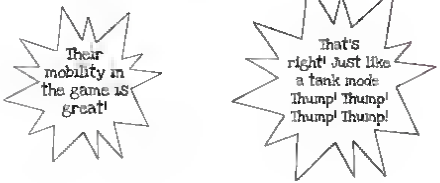


But, the enthusiastic sportscaster MC Yong normally turns his head 90 degrees to ask questions! I too would share his enthusiasm would respond zealously!

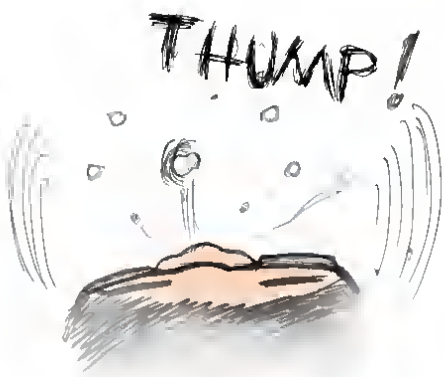
Sometimes although we are not a couple, we get our faces too close to each other. With enthusiastic speech.



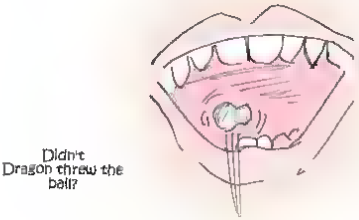
But one day, I, who couldn't control my shrapnel, made a mistake during the exchange of heated comments.

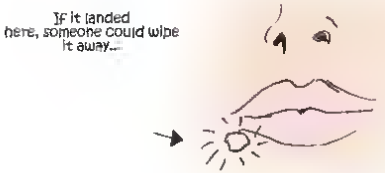


You can actually see the piece coming out from the mouth.

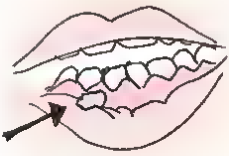


The piece made a goal to the MC Yong's mouth, who has been commentating heatedly





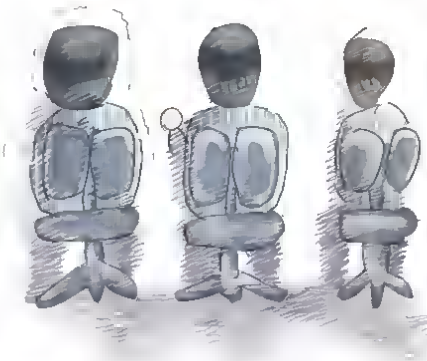
If it landed inside, he might think it was his— and should've been no problem.



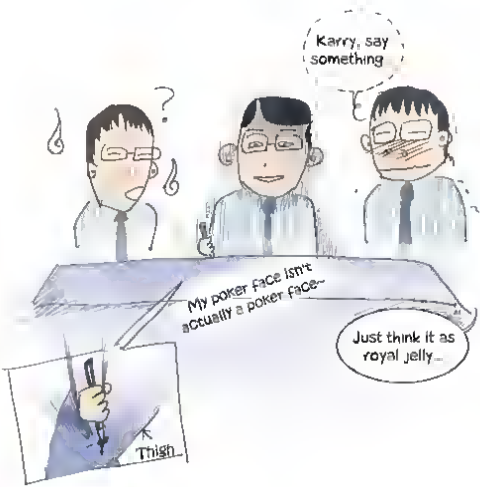
Why here.

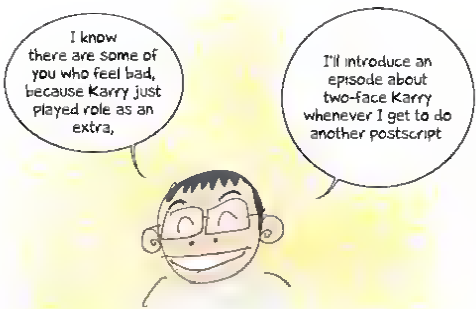
It's an awkward position to do this, or feel and swallow it.

MC Yong continued his comments as if nothing has happened like a professional.



However, I became quite reserved for a bit.





I know there are some of you who feel bad, because Karry just played role as an extra,
I'll introduce an episode about two-face Karry whenever I get to do another postscript

We'll return to normal publication next week. I'm relatively laid-back, but I want to ask you for a favor to encourage C, who has to work 5 days a week all day plus all nights to finish it.

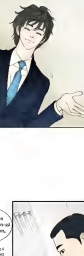
Chapter # 15: C.C.C

Somehow the atmosphere turned out like this...

It may be troublesome for the rest of you, but please permit me.
Other positions, I shall assume, and in terms of other things like teams meetings, the leader shall give the final pass.

It seems that there's no alone time, so from now on I shall be setting my position!!!!!!



I am authorized to, right? So, the comfortable Oh Young Kwang-ri shall be our guide~

Strong man Kim Jin Hoon-ssi is the sexiest.
Don't take it to extremes

Geek handyman Ahn Kyung Min-ssi as the Info-Com, please...

Design Major Park Young Chul-ssi is the secretary
Ah, I'm terrible with numbers...
And in terms of the queen...

OOOHHH!! I'M THE SPARE VICTOR!!~~!!

You will study how everything progresses and whether or not it will be dynamic for the team
There will be no such thing in our team as a spare victor. I was welcomed here to learn! I have with your master's degree will help you conduct the research.

Everyone has a reason for existing. I should have a reason for existing, too.

Is it always like this? She was able to place people in the right position just like that. She has a great ability reading people's images.

She's quite cute.
Rocky -! (cough)—
Leader is cool ~

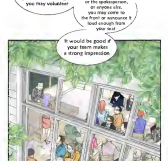
Since I am the youngest here, I just call everyone noona! Oppa including the team leader, persons
Until the training ends I want to get to know all of you more!
OPPA.
!!!!!!

Together we need to form this team into one strong person, one personality.

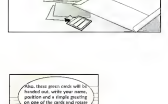
That team also has its own character.

Educating and training a small part of people, newbies entering society, taking their first step, like a sort of gift for them...

Others are the same.
I, hmm.. feel weightlessly plunged, and a little confused.
And in a state of excitement and anticipation



We will now begin with announcing the team name! There is no prescribed order! If you would like to go first you may volunteer!
If may be the leader, or the spokesperson or anyone else, you may come to the front or announce it from where you are!



Please write your team name and job title on the nameplate in the corresponding columns. Also, please write your name on the left side of your card.

Now, these green cards will be handed out, write your name, position and a simple greeting on one of the cards and cross exchange your team members.
The leader of each team please do the same. Remember to write your first impression on the card and then text it!

On the last day of training, we will ask you to write and again give each other now your impression of the person has changed.
These two cards will help us. Right now, however, leave your green card sealed when you have finished

Our team name is "Lee Generation" I am team leader Park Ji Eun Our team spokesperson will explain our name in more detail.

I'd like to introduce our spokesperson Lee Kang-ya.

Hello everyone. I'm very pleased to relocated to YZ. I'm our team's golden retriever Lee Kang-ya.

WAAAHH~~~ SO CUTE~~!!!

CLAP CLAP CLAP

Next introduction. I'm they should really hurry it up. Other teams are trying to assassinate him.

Now, generation X, generation and a think generation from the heart, to the end we will.

Top guy ~ ? Honestly that kind of style doesn't even deserve a rating. That's just sorry.

I'm very sorry, sirrey.

That was an interesting and exasperating introduction.

That guy, never like a leader, so trusty and strong guy. And...

They seem like very nice people. Though, they do seem a bit passive.

I am leader and spokesperson, Yein Kyung Ae.

...

In our team, we have 4 properties, two spare and one secretary. I am the spokesperson and leader.

I will prove that a team like ours is capable of doing well.

WHAHHHA!! IT'S LIKE I'M LOOKING INTO A MIRROR!!

I KNOW RIGHT!!

And your team name is?

Team name, hmm, I always supposed it just

THE SOUTHEAST YOUNG BLOODS!!

THE SOUTHEAST YOUNG BLOODS!! Thus, no need from a DOUGHBOY-POOP BOOST~~!!

"TACKY, TACKY ~~!!!"

" SOUTHEAST STARTS NEW TRAINEES 'FRESH COWORKERS', WELCOME!

HAHAHA HAHAH!! SO CHILD ISH!!

That's stuck with us. Cute, Cute, Cute, This is too good ~~

or so it seems now

T/N:
* In Korean, "southeast young bloods" is and as "Dong-nam-we-yeo-nae-ja-deul" The abbreviation is then "Dong-ja-ri"
** The guy here is making fun of his abbreviation, he says "Dong-ja". In English that literally translates into "poop blood" lol)

Our team name is Pentagon. I am the leader Soo Won Choi. We wanted to give the feel like the Avengers in the US

It is composed of six aides just like we are.

The pentagon checks out. Is it all six aides + hexagon?

Hmm!

He actually made that kind of mistake!

There are 6 people in the team.

MUR-MUR

MUR-MUR

That is.

HAHAHA

Stop-ee

The leader blends in the center of the five other people

An organised structure with direct communication is what I mean!!!

OOOOOOHHHHH

He was wonderfully suave!!!

Obviously he made a mistake

HEHE

FX : Thump Thump Thump Thump

Incheon party CEO. I am Yoo Hyung Soop.

I am here to hear any questions in this closed training

What's up with that guy!

Akuuh!

Akuuh!

...But! would just one of the girls in the other groups hold at least an women, missed 5 of 10 is fail! But who is our group, my team only 2 girls!
